

Dr. DVLN Somayajulu

DVLN Somayajulu, currently working as a Professor in the department of Computer Science and Engineering at National Institute of Technology (formerly known as Regional engineering College), Warangal. He joined Regional Engineering College, Warangal in 1988 after completing M.Tech in Computer Science & Data Processing from Indian Institute of Technology, Kharagpur during 1985-87. He obtained his Ph.D. in Computer Science & Engineering from Dept of CSE, IIT, Delhi in the area of incomplete databases in 2002 and serving as Professor of Computer Science & Engineering since 2006. He has published more than 40 research publications in National/International conferences and Journals.

Notable Achievements:

- Technical expert committee member in TEQIP –II of National Project Implementation Unit – a Govt. of India Unit for World Bank Assisted Project for Technical Education.
- Institute Level Coordinator for NMEICT activities at NIT, Warangal.
- Invited to attend Microsoft Faculty Research Summit 2004 held at Microsoft Research Centre, Redmond, Seattle, USA as a Delegate among the 12 people invited from India and presented the progress of research projects.
- Awarded DST, Govt. of India research project under Scheme for Young scientists during 1998-2001
- Designed and developed courseware for subjects Oracle 8i and RDBMS and Oracle for IBM global Services Pvt. limited, Bangalore.
- Presented 15 research papers in the international and national conferences.
- Visited Austria in 1998 for presenting a paper at 8th International Conference of Database and Expert Systems (DEXA98)
- Organized several workshops and MHRD STTPs.
- Completed tool development project on A tool for search engine marketing
- Completed MCIT GOI sponsored research project entitled “Design and development of learning system for intrusion Tolerant Database System” during 2006-08.
- Co-author for the adaptation of the book entitled Fundamentals of Database systems by Elamasri and Navathe and published by Pearson Education in January 2006.
- Organizing Secretary for 23rd Indian engineering Congress at NIT, Warangal and organized this event as part of Golden Jubilee celebrations.
- Visited University of Scotland - London, Las Vegas- USA, Sandiego - USA, Singapore, China & Austria and presented research papers.

Areas of Interests: Databases, Information Extraction, Query Processing, Big Data and Privacy
