STUDENT FEEDBACK FORM

Name of the Student & Roll Number	KANDULA MOONIMA 617A31A0106
Name of the department	CIVIL
Year/ Semester	IV II
Academic Year	2020-21

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards	✓				
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good		✓			
7	Projects/Research Environment is provided		✓			
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory	✓				
11	Providing industrial visits/ internships		✓			
12	Through the present program inputs, are you confident of meeting your future goals	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	M. Meghana (20A31A0210)
Name of the department	EEE
Year/ Semester	1-11
Academic Year	2020-2021

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes		✓			
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards	✓				
5	The overall environment in the class was conducive to learning		✓			
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent		✓			
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory			✓		
11	Providing industrial visits/ internships		✓			
12	Through the present program inputs, are you confident of meeting your future goals	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	G. Bala surden 17A31A0380
Name of the department	MECHINICAL ENGINEERING
Year/ Semester	IV / I
Academic Year	2020 - 21

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course			✓		
2	Syllabus contains necessary technical skills to face the industry needs				✓	
3	Has the curriculum covered all the aspects of the program outcomes		✓			
4	How do you rate the electives offered in relation to the Technological Advancements?					✓
5	Teaching Quality is of high standards				✓	
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good			✓		
8	Projects/Research Environment is provided	✓				
9	Examination and Evaluation process is fair and transparent				✓	
10	Library facilities are adequate		✓			
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships			✓		
13	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any): *Electro subjects to be updated according to latest trend.*

ALUMNI: SURVEY QUESTIONNAIRE

Indicate your rating for each of the indicators in the following table

Poor	Average	Good	Very Good	Excellent
1	2	3	4	5

S. No.	Survey Aspect	5	4	3	2	1
1	The Extent to which the curriculum is meeting the industrial and professional needs	✓				
2	How do you rate your acquired knowledge to interrelate with other domain		✓			
3	How good are the opportunities you got to pursue research in IITs, NITS, Foreign Universities and R&D Organizations					✓
4	Rate your knowledge in designing a product with the knowledge acquired in your course	✓				
5	To What extent you are updated with evolving trends, tool and Technology in your area of specialization		✓			
6	Your involvement and participation in the outreach activities up serving the needy and society at large			✓		
7	How far you could explore the entrepreneurship opportunity in the area of your specialization		✓			
8	How far your experience in different teams in the institute is useful in current profession	✓				
9	How do you rate at the acquired managerial and communication skill help your professional growth	✓				

Comments based on your experience during the programme:

skill oriented course to be provided in the course curriculum

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	PARAMITA SRINIVAS [1703100454]
Name of the department	CCE
Year/ Semester	IV - II
Academic Year	2020-2021

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs	✓				
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards	✓				
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided			✓		
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate	✓				
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships		✓			
13	Through the present program inputs, are you confident of meeting your future goals	✓				
Suggestions /Comments (if any): 1) Need more no. of Industrial visits 2) Need Core Companies for placements

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Bikkina Sri Durga Lakshmi Ramya
Name of the department	Computer Science and Engineering
Year/ Semester	IV - I
Academic Year	2020-2021

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course		✓			
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?	✓				
4	Teaching Quality is of high standards	✓				
5	The overall environment in the class was conducive to learning		✓			
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent		✓			
9	Library facilities are adequate	✓				
10	Placement facilities are satisfactory	✓				
11	Providing industrial visits/ internships		✓			
12	Through the present program inputs, are you confident of meeting your future goals	✓				

Suggestions /Comments (if any): more online workshops on emerging technologies to be conducted for juniors.

 Academic Year

Ms. J. Gayathri Devi Asst. Prof
 CSE
 B.Tech II-I
 2020-2021

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders		✓			
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library	✓				
4	Sufficient practical exposure is provided for the theoretical concepts in the courses		✓			
5	The course has good balance between theory & application.		✓			
6	The course curriculum provides opportunities to develop employable skill in the student.	✓				
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.		✓			
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.	✓				
10	Research and development facilities are widely extended to all faculty members for research oriented projects.	✓

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes		✓			
3	How do you rate the electives offered in relation to the Technological Advancements?			✓		
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good			✓		
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

Make Familiar with self employability.

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	D. Srinisha, Associate Professor
Name of the department	IT
Courses Handled/ Year/ Semester	CSA - II IT
Academic Year	2020-21

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stakeholders	✓				
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library		✓			
4	Sufficient practical exposure is provided for the theoretical concepts in the courses		✓			
5	The course has good balance between theory & application.			✓		
6	The course curriculum provides opportunities to develop employable skill in the student.			✓		
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.	✓				
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.	✓				
10	Research and development facilities are widely extended to all faculty members for research oriented projects.	✓				

Suggestions /Comments (if any):
Curricular revision should be done to introduce more skill based courses.
