

World Blood Donor Day (14-06-2017)

JAM has been conducted by the Department of CSE on account of World Blood Donor Day too create awareness in students about the blood donation and its advantages.

Countries all over the world celebrate World Blood Donor Day every year on 14 June. It was first observed in 2004.

The idea behind the event is to raise awareness for the need of blood, blood products, and need for safe blood.

Moreover, it is an act of thanking the blood donors who, voluntary comes out and donate blood to those in need.

It is also one of eight official global public health campaigns initiated by the World Health Organization, along with World Health Day, World Tuberculosis Day, World Immunization Week, World No Tobacco Day, World Malaria Day, World Aids Day and World Hepatitis Day.
