Report on Guest Lecture

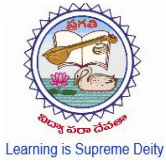

TOPIC: AWARENESS ON GEO SYNTHETICS AND MODULAR BUILDINGS

A Guest Lecture was organized for III B.Tech Civil Engineering Students on “**AWARENESS ON GEO SYNTHETICS AND MODULAR BUILDINGS**” by K.RAJESH, ASSISTANT ENGINEER, GVK Gowthami Power Plant Limited, IDA Peddapuram.

The lecture was organized E- class room in the Civil Department for 68 members of III B.Tech Civil Engineering. The lecture was started at 1.30 pm by honoring the guest with a bouquet.

K.RAJESH, guest speaker of the day spoke for a session of three hours. He addressed the students about the ways an engineer should be to excel in their career. He encouraged the students to prosper in their career as they wish but everything should be in a systematic way such that others also get benefitted from that.

He gave many good quotations to the students and motivated the students. He also gave students tips on how to speak, how to modulate and how to convey the meaning of the sentence. He also shared industrial experience and it is useful the future for the students.
