World Nature Conservation

(28-07-2017)

Elocution has been conducted by the Department of CSE on account of World Nature Conservation Day to create awareness in students about the Nature and its beauty.

Celebrated on July 28 each year, **World Nature Conservation Day** recognizes that a healthy environment is the foundation for a stable and productive society and to ensure the well-being of present and future generations, we all must participate to protect, **conserve**, and sustainably manage our **natural** resources.
