World First Aid Day
(14-09-2017)

JAM has been conducted by the Department of CSE on account of World First Aid Day too create awareness in students about the First aid and safety.

World First Aid Day is observed on 14 September to raise awareness among public about how first aid can save lives in case of crises. According to the International Federation, first aid should be accessible to all people and should be an important part of the developmental societies.
