DEPARTMENT OF BASIC SCIENCES & HUMANITIES
SCIENCE QUEST -JAN TO JUNE 2021
VOLUME -19

DEPARTMENT OF BASIC SCIENCES & HUMANITIES

ABOUT DEPARTMENT

Objective: To assist all the Engineering Programmes in solving the engineering problems and to enable the students to master the basic concepts of Sciences and Communication Skills.

VISION

To Emerge as a Premier Institution for Technical Education in the Country through Academic Excellence and to be Recognized as a Center for Excellence in Research and Development, catering to the needs of our Country.

MISSION

To realize a strong Institution by consistently maintaining State -of -art infrastructure and building a cohesive , world class Team and provide need based Technical education Research And development through enhanced Industry Interaction

SHORT TERM GOALS

- To improve soft skills and communication skills among the students of rural background.
- To inculcate the problem solving skills among the students.

LONG TERM GOALS

- To create research aptitude among staff and students.

➤ To enable the staff, to utilize the basic science knowledge in their core research.

➤ To ensure to work staff towards more Ph. D

“Identifying Intellectual Property component at the early stage of innovation” Under Institution’s Innovation Council

Institution's Innovation Council of Pragati Engineering College, Surampalem organized a webinar on "Identifying Intellectual Property component at the early stage of innovation ." presented by Dr.Rahul Kapoor on 31st May 2021 from 4:00 AM to 05:00 PM .through Microsoft Teams. Total 212 members attended for this programme.

Main Points:-

- Difference between Idea and Innovation
- Importance and way of writing innovation application
- Writing guidelines for invention
- Importance of prior art searching
- Patent application process in India
- Content of patent applications

- Searching patents from different web sources like <https://worldwide.espacenet.com/>

Webinar outcomes

- Briefly outline what forms of IP protection required at each stage of the product development process and how IP lead to overall improved revenues and profitability for Entrepreneurs (start-up)
- Students were able to understand that the difference between an idea and innovations execution doesn't be the idea person, be the innovator. The reality is that many startup businesses are quick to recognize great ideas, but they often have no plan for how to successfully integrate them into their business model.
- Poor rates of investment into R&D, long patent application review times and maladapted intellectual property rights laws have held India back from realizing its potential for innovation despite the growth in the number of patent applications being filed by foreigners only
- Significance of prior art searches in the process of patent prosecution and generates ideas for entrepreneurs and patent requirements for idea or innovation, patent applicability and explained patent registration process in India
- Understanding the process of patent application process in India with the helping of patent searching sources.

NATIONAL DAY FOR CULTURAL DEVELOPMENT

on May 21, 2021

Cultural diversity is a driving force of development, not only with respect to economic growth, but also as a means of leading a more fulfilling intellectual, emotional, moral and spiritual life.

I am born in a country where I am blessed to learn diversity. Contribute to make it a good treat for wellbeing.

Webinar on “National Education Policy – 2020 for HEI” Under
Institution’s Innovation Council

Institution's Innovation Council of Pragati Engineering College, Surampalem organized a webinar on " National Education Policy – 2020 for HEI." presented by Dr. S. Srinivasa rao Principal Malla reddy College of Engineering & Technology on 29 May 2021 from 2:30 AM to 04:30 PM .through Microsoft Teams. Total 158 members attended for this programme.

Main Points:-

Major problems faced by Higher education system in India:

- A severely affected educational ecosystem.
- Less emphasis on Cognitive skills and learning outcomes.
- A rigid separation of disciplines with early specialization and streaming of students om to arrow areas.
- Limited access to teach education in local language.
- Limited teacher and institutional anatomy.

The lecture is totally concentrated on 14 Agendas which are putforth to understand the core value of Education policy and also Dr. S. Srinivasa rao garu put much emphasis on Group approaches in the national education policy framework.

Brief contents in Lecture:

- Providing Higher education in more local languages also.
- Levaraging Technologies to reach remote places and emphasizing practical education.
- Enhancing Cognitive skills of the students to perform in all aspects.
- Importance in Art related training along with technical knowledge makes the students to evolve better.
- The use of kadambari technique in Education system which was in practice in the ancient learning.
- Value based education is given importance.
- Preserving environment is given the highest priority in case of technology we invent.

- HEI's is going to develop specific hand holding mechanisms and competitions for promoting innovation among student communities.
- Improve internationalization and focusing more on integrating education among different countries to come up with best ideas among students.
- Credits to be given in all the years and creating multiple exit options to the students while they are in the Engineering.
- Creating flexibility in curriculum and pedagogy is mainly focused on Communication, discussion, Debate,, Research and opportunities for cross-disciplinary and multi-disciplinary thinking.
- Integration of higher education and Professional and vocational education on a whole.
- Single stream HEI will steam out over time and and become vibrant multi-disciplinary institutions across fields.
- Lessons of Seva, Non violence, Satya are considered while teaching and which makes an integrated part of value education.
- Each higher education institution has a network of government and private school to work closely.

Webinar outcomes

- Enlighten the policy and how the staff and the educational institutions can be benefitted by this policy
- The skills and values are required to the students not only in higher education and these should be started from the starting of the education of the student
- the problems faced by the students during higher education like less emphasis on the development of cognitive skills and learning outcomes
- formation of educational hubs by the educational institutions for effective use of resources and infrastructure to students
- universities also should encourage the multi – disciplinary courses in both PG and UG degrees
- importance of teaching – learning process and ended with the theme for the colleges to convert in to vibrant multi disciplinary universities in the near future
- More colleges should adopt the courses inclusive of arts and sciences and also

flexibility to be given to students for selecting their interesting courses

Adoption of best teaching learning practices and delivering the lectures by making use of ICT tools helps in improving the quality of education

Subject: Celebration of India's 75 years of Independence – Azadi Ka Amrut Mahotsav

Dear *Madam / Sir,*

As you are aware the Celebration of 75 years of India's Independence - "Azadi Ka Amrut Mahotsav" would commence 75 weeks prior to Independence Day 2022 and would extend upto Independence Day 2023. In this connection, Hon'ble Prime Minister will launch the opening ceremony on 12th March 2021 from Gujarat. The Ministry of Information & Broadcasting vide its Office Memorandum dated March 3, 2021 (copy enclosed) has communicated to all stakeholders to organize various activities/events.

2. In the light of above, I would request you to kindly instruct the educational institutions under your control to organize the following events:

- (a) 1 hour Conference/Seminar/Symposium by Universities and Colleges on India's freedom struggle on 12th March, 2021; and
- (b) An Essay Competition for Universities & Colleges.

3. I would appreciate if the glimpses of events so organized are shared on the social media.

Regards

Yours sincerely,
