

Pragati Engineering College joins Google Cloud career readiness program

Pragati Engineering College announces participation in the Google Cloud career readiness program. The Google Cloud career readiness program enables students of all backgrounds the ability to prepare for cloud careers by building deep expertise through industry-recognized training, skill badges, and certifications.

To enable students to prepare for cloud careers in business and technical domains related to cloud infrastructure, application development, big data, and machine learning, the Google Cloud career readiness program offers the following tracks:

- Associate Cloud Engineer track: This track is ideal for students aspiring to launch careers in engineering and management roles related to cloud infrastructure, cloud-native application development, and data engineering.
- Data Analyst track: This track is ideal for students keen on pursuing careers in data analytics, business intelligence, and management.

Pragati Engineering College also offers Google Cloud Computing Foundations curriculum

The Google Cloud Computing Foundations curriculum introduces students to the breadth of cloud technology with concepts, hands-on labs, assessments, and a capstone project on topics ranging from cloud infrastructure, application development, big data, and machine learning.
