## DEPARTMENT of BASIC Sciences & HUMANITIES Science Quest January to June 2022 VOLUME-21

### ABOUT DEPARTMENT

#### VISION

**Objective: To assist all the Engineering Programmes in solving the engineering problems and to enable the students to master the basic concepts of Sciences and Communication Skills.**

**To Emerge as a Premier Institution for Technical Education in the Country through Academic Excellence and to be Recognized as a Center for Excellence in Research and Development, catering to the needs of our Country.**

#### MISSION

**To realize a strong Institution by consistently maintaining State -of -art infrastructure and building a cohesive , world class Team and provide need based Technical education Research And development through enhanced Industry Interaction**

### SHORT TERM GOALS

- **To improve soft skills and communication skills among the students of rural back ground.**
- **To inculcate the problem solving skills among the students.**

### 3. International Mother Language Day

Date:21/02/2022

As per the directions of AICTE, 21st February celebrated as International Mother Language Day in Pragati Engineering College. AICTE is directed to refer to the subject mentioned above and to say that UNESCO in 1999, declared 21st February of every year to be celebrated as International Mother Language Day. The significance of this day is to promote dissemination of mother Language of all and create awareness of linguistic and cultural traditions and diversity across the world and to inspire solidarity amongst people of different cultures, speaking different languages. Accordingly, celebrations are held every year on this date by this Ministry in the name of "Matribhasha Diwas".

The Hon'ble Minister of Education has desired to celebrate the "Matribhasha Diwas" this year on 21.02.2022 in a grand manner to promote and preserve Mother Languages. The tenor of the occasion would be celebratory and it could be observed on the following objectives; -

Highlight the linguistic diversity of our country; Encourage usage of not only the respective mother language, but other Indian languages as well.

To understand diverse cultures in India and various forms of literature, craft, performing arts, scripts and other forms of creative expression

This could be celebrated by organizing various activities like Elocution, Debating, Singing, Essay Writing and Painting competitions, Music and Dramatic performances, Exhibitions etc. and in any other way befitting the occasion, complying with necessary Covid Protocol.

In view of the above, AICTE requests that your institute kindly disseminate this information among all the students & faculty members and staff comply with the above mentioned activities and celebrate "Matribhasha Diwas" in a grand manner on 21.02.2022.

It is also requested that after celebration and activities furnished a report by filling the below google form link.

### 5. Young Earthperneurs

Date: 22/02/2022

Global Environmental NGO EARTHDAY.ORG just announced 'Invest In Our Planet' as its theme for Earth Day 2022. This partnership for the planet calls upon all businesses, governments, and citizens –everyone who lives on Earth – to help accelerate solutions to combat climate change.

To focus on the global Earth Day 2022 theme 'Invest In Our Planet', Earth Day Network-India (EDN) is pleased to launch 'Earthpreneurs'. Our 'Young Earthpreneurs Award' (YEA) forms the first part of this initiative. YEA invites college students who inspire to be entrepreneurs to showcase their innovative and implementable ideas that are likely to prevent climate change from reaching that critical tipping point.

EDN invite your students to demonstrate their skills, interests, and passion to 'Invest in Our Planet.' This they can do by developing and driving initiatives that stymie climate change; restore natural resources; reduce the burden of pollution; change mindsets so that environment-friendly practices become a natural and intrinsic part of human nature. It will help them be job providers, not mere job seekers.

The best ideas will receive wide publicity. Awardees will receive startup training, mentorship, an opportunity to interact with successful innovators and prize money to help them implement their ideas. The information is shared to the students of Pragati engineering college and 56 students activity participated to be the Earthperneur.

Students are requested to fill the linkbit.ly/YEA22 which is given by Earthday.org and collected their participations by the college google link <https://forms.gle/A6V6ubvtMYFUSjym6>.

#### 6. SMART INDIA HACKATHON

Smart India Hackathon is a nationwide initiative to provide students a platform to solve some of pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

The last edition of the hackathon saw over 5 million+ students from various engineering colleges compete for the top prize at 35+ locations.

In SIH, the student would also have the opportunity to work on challenges faced with in the private sector organisations and create world class solutions for some of the top companies in the world, thus helping the Private sector hire the best minds from across the nation.
