.4 – Feedback System		
1.4.1 – Whether structured feedback re	eceived from all the stakeholders.	
Students		Yes
Teachers		Yes
Employers		Yes
Alumni		Yes
Parents		Yes
1.4.2 – How the feedback obtained is k maximum 500 words) Feedback Obtained	being analyzed and utilized for overall o	development of the institution?

All the departments of Institute collects the feedback on all aspects from students, teachers, employers, alumni, and parents through course end feedback, exit feedback, employer feedback, Parent feedback and Alumni feedback. After collecting the feedback from the stakeholders, the contents of feedback are analyzed and the important suggestions will be forwarded to the Department committee and department Advisory Committee to suggest possible changes in the course content and structure for the design of next curriculum. Exit Feedback is collected to measure the satisfaction level of students and to identify the necessary steps for improvement. Feedback is also collected on institutional resources and services such as class room, laboratory and computer center facilities and also on other supporting facilities and services like library, sports and games and hostels. A consolidated result will be forwarded to the appropriate departments for necessary improvements. Student Feedback is collected thrice in a semester on Course delivered by Faculty and HOD of respective Department Counsel those faculty members who have secured low scores and negative comments. Alumni and Employer Feedback is taken on Vision, Mission , PEOS and PSOs and also on curriculum on regular intervals to improve the quality of the teaching- learning process

CRITERION II – TEACHING- LEARNING AND EVALUATION

	entoring system ava	ailable in the institut	tion? Give details. (maximum 500 wo	rds)			
The institution follows a structured mentoring system where a faculty mentor is assigned to each and everystudent. The scheduled counseling sessions are conducted and the remarks of the counseling are recorded inthe counseling book. The subject experts and class teachers through classroom interaction and counselingclasses, identifies the strengths and weakness of individual students. The faculty members will identify thestudent's strengths as early as possible and find ways to develop them rather than focusing on weakness.Advanced Learners: Identification of Advanced Learners: • Students with a CGPA/Percentage of 8 or 75 andabove are identified as Advanced Learners. • Students are also identified based on their performance in theclass. Methodologies to support Bright Students: • Students will be encouraged and guided based on their areaof strength. • Students are encouraged to participate in the International and National level Inter Institute Events, Project Exhibitions, Annual Student Technical Symposium (STRIDES), NPTEL online certification courses, Coursera Certifications, Smart India Hackathon, Coding Competitions etc • Institution is organizing varioustraining sessions (in-house and external experts) on enhancing employability skills. • Awards, rewards and gold medals are distributed to the students in various occasions. Slow Learners: Identification of Slow Learners: •Based on the previous semester end examination result, students who failed in each course in the current semester . Methodologies to Support Slow Learners: • Makeup classes are conducted to the students in the courses of the current semester and handouts, lesson notes and previous end exam question papers with solutions are given so that they can improve their learning skills. • Institution is focusing on organ

support personnel are in charge of the librarys upkeep. The library conducts internal audits on a regular basis to ensure that the volumes are in good condition. The librarian interacts with students and staff on a regular basis to learn about their needs and take the appropriate steps to address them. Laboratories: • The in-house maintenance and repairs are addressed by the respective department technicians who are qualified and trained. • Major problems and repairs will be attended in consultation with the suppliers following the central purchase procedure. Classrooms: • Every Department has a faculty in-charge who will periodically check the condition of classroom / laboratory amenities like benches, chairs, black boards, fans, lights, and LCD's. • The in charge will resolve the problem through the Head of the Department following the internal operating procedure. Computer Facilities: • Around 935 computers are available for the students. • Computers and software in the laboratories are maintained by computer hardware technicians under the supervision of IT Manager. 3. Supporting Facilities: Sports: • The upkeep of sporting facilities including Gym facilities is the responsibility of the physical education department, which is managed by a physical director and supported by support staff. The department maintains the sports ground on a regular basis, either in-house or through a third party. 4. Other Facilities: • The Institute has RO plant, which provides purified drinking water facility. • Adequate water coolers are available in the college to provide clean drinking

water.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Students have active representation on academic and administrative bodies and committees of the Institute. Class Monitoring Committees All programmes have class committees for each course that comprise of student members representing meritorious as well as weak students, along with faculty members nominated by the Head of the Department, other than the course teacher. The Class Monitoring Committees provide feedback on all aspects of the programme and respective course. Class Monitoring Committee Meetings are held regularly, at least twice in each semester. Cultural and Sports Committees Students have strong representations in all cultural and sports and games committees and help in organization and management of events. Organization of Special Events Students organize, and celebrate the National Teachers Day, on Sept. 5, every year by honoring retired teachers and presenting cultural programme, intra-faculty and inter-faculty cultural and sports competitions, PRISM Cultural activities and other National celebrations that include, Independence Day, Republic Day, Engineers Day, Science Day and various NSS and social service activities. The Institute also encourages participation of student representatives in various decisions making, academic and administrative committees, this enable them in acquiring better academic environment. Student opinions and suggestions are considered to take measures in view of students perception. Institute puts efforts for the all-round development of a student. They take part in various professional society chapters like IEEE, ISTE, and CSI. Also student members are involved in several Institute and Department level committees with active participation. They are explained below. Internal Quality Assurance Cell (IQAC): Student representatives are nominated for this cell, who participate in the decisions regarding the quality initiatives of the institute. Hostel Committee: They play major role regarding food quality, hygiene and other general facilities. They voluntarily monitor day to day activities and bring to the notice of the warden immediately. Class Committee (CC): It consists of HOD, faculty handling the particular section and student representatives in each class. They discuss the conduct of class work, delivery of lecture and overall discipline. Based on the minutes of the CIC meeting, action is initiated to improve the academic performance of the class. The National Cadet Corps (NCC) is encouraged in the institute aiming at the development of leadership, character, comradeship, spirit of sportsmanship and the ideal of service, among the youth. NSS is also encouraged in the institute enabling the student to participate in service activities like organizing blood donation, rural health sanitation, adult education, and environmental awareness camps in the neighbouring areas as a social responsibility

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Established in 2006.

5.4.2 – No. of registered Alumni:

1632

5.4.3 – Alumni contribution during the year (in Rupees) :

0

5.4.4 - Meetings/activities organized by Alumni Association :

Guest Lecturers, Mock Interviews. Alumni meet is conducted once in a year.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Vision: To emerge as a premier Institution for Technical Education in the country through Academic Excellence and be recognized as a centre for Excellence in Research Development, Catering to the needs of our Country. Mission: 1. The College adheres to UGC guidelines, government policies and affiliating University guidelines on the implementation and review of welfare measures to the staff members. The College has constituted a welfare committee with the senior faculty members of the college. S.No Name Designation 1. Dr.G.Raghuram Director 2. Dr.G.Naresh Dean 3. Mr.S.Vamsi Kiran TPO 4. Dr.M.Radhikamani HoD-CSE 5. Mr.M. Raja Kumar Assoc Prof in CSE A detailed analysis of the welfare measures to be adopted and implemented by the college is carried out by the Committee and is placed before the College management for consideration and approval. The management takes all efforts to foster a family feeling on the campus and has approved all the recommendations put forward by the committee without any delay. The following proposals / recommendations are placed before the management for approval: • All women employees who have completed the period of probation are entitled to maternity leave with half pay and allowances. • Financial incentives for employees who serve the institution for 10 years-Rs.30,000/- and an additional amount for 15 years-Rs.20,000/- • Casual leaves are enhanced from 12 days to 15 days in a calendar year. • Employee children are eligible for tuition fee concession, on the basis of merit, if admitted to courses offered by the college. • Employees, who upgrade their educational or professional qualification, become eligible for additional increments / qualification allowance. • Faculty members are offered reimbursement of membership fees for recognized academic/ professional bodies/ associations with conditions per financial year. 2. Employees of the institution are well motivated as the management maintains cordial relations with all the staff members of the college, there by promoting family atmosphere. College encourages faculty participation in chalking out the road map for the development of the Institution and implementation thereafter. This is clearly evident in the inclusion of faculty representation in the apex decision making bodies like Governing Body, IQAC, CAC, etc. The college conducts frequent meetings with class representatives regarding various academic and non academic aspects. College maintains effective interrelations with the community and encourages participative management by: i. Maintaining student reporting procedures to parents. ii. Interacting with parents and other citizens. iii. Disseminated necessary information to parents, students, other stakeholders and public. Management continuously provides and maintains funds and facilities by: i. Determining the need and planning for facility maintenance, and renovation expansion. ii. Determining and inventorying

6.1.2 - Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Library, ICT and Physical Infrastructure / Instrumentation	The college has a central library with plinth area 2797. 96 sq m with al modern facilities. The library has the following resources: Titles : Total No of volumes : 43724 Reference Books : 3870 Library Automation : KOHA softwar is used. e-books : 1159 ournals : 6,16,500/- Print Journals : 29 Book Bank for SC/ST : Available Back Volume of Project Reports : Available Seating Capacity : 300 Nos. Timings : 9.00 am to 7.00 pm Digital Library Number of Computers : 25 Broad Band Internet Connectivity : 100 Mbps Library Server : 1 Server Model HP280 GIMT Intel Cord i5-4590S, 3.0 GHZ,8GB RAM, HDD 1TB E- Learning Materials : 1998 Hours of NPTEL Video Courses on 149 Subjects 12 Hours of SONET Video Course on 15 subjects. Media Resource Centre : Reprographic and Printing Documentation. Number of users per day : 250 (on average) • The students are encouraged to utilize the learning materials available in the library. • The faculty and students avail the benefit of video lectures like NPTEL, NME -ICT. • The faculty and students refer to the online and print journals for literature to publish/ present technical papers. • Students refer to the e-learning resource material to enhance their technical knowledge. • The library and Internet centre are kept open beyond the working hours of institution. • AICTE-Elseweir-Engg- COMP.sc (Package online_ for 1 year
Research and Development	 RD Division is established to give support in terms of guidance for applying projects for funding. RD committee to review and motivate research programmes. Incentives for research publications Conducting awareness programs by experts from funding agencies such as BRNS/ISRO/UGC/DST
Examination and Evaluation	The college has got UGC autonomous status from academic year 2016-17.

Following are the details of the evaluation procedure for mid and end examinations. Theory Subjects i. Internal assessment : 40 marks For the Mid examinations there shall be two tests, one conducted in the middle and the other at the end of each semester. The duration of each test is two hours. The question paper contains Part-A and Part-B. Part-A consists of three questions. Out of three questions two questions carry seven marks and one question carry six marks. Part-B consists of twenty objective type questions each carry half mark. Answering all questions is compulsory. b) Students shall submit assignments at the end of each unit in the syllabus and the marks allotted for the assignments are 10. c) The formula for finding the total marks of internal assessment (40 marks) 0.80 x higher marks scored between the two internal tests 0.20 x marks scored in the other test marks for the assignments. ii. External assessment: a) The end semester examination is of 3 hours duration and contains Part A and Part B. It covers all the topics in all the 6 units and the weightage is 60 marks. b) Part A consists of 6 short questions each carrying 2 marks (6 x 2 12 marks). These 6 questions are compulsory and cover all the 6 units in the syllabus. c) Part B consists of 6 essay type / numerical questions, One question is set from each unit in the syllabus. Some questions may have sub sections. The student has to answer 4 out of 6 questions, each question with a weightage of 12 marks (4 x 12) 48 marks. Laboratory Courses i. Internal assessment: 40 marks There shall be continuous evaluation during the semester for 40 marks as shown below: Day-to-Day work and laboratory record -25 marks One internal test at the end of the semester- 15 marks ----- Total- 40 Marks ----- ii. External Assessment: At the end of the semester an examination for 3 hours duration shall be conducted for 60 marks by the concerned teacher and an external examiner. ii.External assessment: Same as for theory subjects given in 6.1.ii. Mini Project /Term paper There shall be a Mini

	<pre>Project/Term paper in the III year I / II semester. It has a weightage of 50 marks and evaluated internally at the end of the semester. Project Out of a total of 200 marks for the Project work, 60 marks shall be for Internal Evaluation and 140 marks for the End Semester Examination. The End Semester Examination (Viva-voce) shall be conducted by the committee. The committee consists of an external examiner, Head of the Department and Supervisor of the Project. The Evaluation of project work shall be conducted at the end of the IV year. The Internal Evaluation shall be on the basis of two seminars given by each student on the topic of his project and evaluated by an internal committee. Seminar For the Seminar, Each student has to be evaluated based on the presentation of any latest topic with a report of 10 -15 page s and a power point presentation of minimun10 slides. The student shall collect the information on a specialized topic and prepare a technical report, showing his understanding of the topic, and submit to the department, which shall be evaluated by the Departmental committee consisting of Head of the Department, seminar supervisor and a senior faculty member. The seminar report shall be</pre>
	evaluated for 50 marks. There shall be no external examination for seminar.
Teaching and Learning	Provision of State-of-the art learning resources in Central Library Information Centre and department libraries. Digital Library with subscription to well reputed online journals. Development of student support material. Organizing Remedial classes. Delivery of Add-on-courses. Conduct of placement training sessions. Conduct of GATE coaching classes. Structured course files and lab manuals on all courses. Academic audit. Continuous improvement of resources. Separate Committees are constituted to look into the activities related to specific disciplines likeRD, TP, Career guidance, Entrepreneurship development, NSS, NCC and Cultural activities.
Curriculum Development	The syllabus is developed for autonomous R16 regulation for both UG/PG programs.

E-governace area	Details
Examination	BET is the first version of examination cell automation softward The entire pre and post examination process is executed using BET. This interface will help the student used to view their performance and feedbat through online. This interface is us to maintain exam fee set up, curriculum. allotment, marks setup f different courses, examination timetables, exam fee challan generation, omr codes generation, promotion of students from the curre semester to the next semester, detai of attendance shortage and credit shortage, creation of changes in th academic year and financial year an for various other purposes
Student Admission and Support	ECAP is college automation package used in the college for immediate availability of data in required formats. It increases the transparer and accountability in administration Using this tool students marks and attendance are analyzed. Log in Id a password is created for every studen and faculty for quick access and tracking of the records. It is used maintain academic, correspondence at counseling details of students.

6.4 – Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly (with in 100 words each)

transactions using Tally ERP 9.0 software every day. Accounting section staff verifies the transactions once in a quarter. This includes examining internal controls around accounting, financial reporting, and IT general controls. External Audit External Auditors have been appointed by the institution as per the statutory requirement. The External Auditor conducts audit in accordance with the Generally Accepted Accounting Policies, applicable Financial Reporting Framework, Statutory Provisions and regulations, etc. External audit is conducted to enhance the overall quality of organization's financial statements to enable users such as the govt. agencies and other stakeholders gain more confidence in the organization's activities. Auditors verify the registers such as minutes of the governing body, student's fee register, and cash book and counter files of receipts etc. Thus auditors confirm effectiveness of internal check of accounting. Auditors also review financial statements to certify the financial position of the institution.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

 Sprinkler system is used for Greenery and Lawns
 Plantation is set in majority places of the campus and maintained to make campus as eco- friendly
 Swachh bharat program water harvesting plastic-free environment

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Teacher - Students Mentoring System Objectives: • To nurture students by taking individual care of each student and mentioning students through the programme both in their professional and their personal lives. • To provide training and guidance to undergraduate post graduate students in all disciplines • To Increase the participation of all students in the different activities conducted by the Institute. • To help the students achieve their career objectives. Context: Students from different economic, social financial and regional backgrounds join Pragati Engineering College. Many of them are ill prepared for the rigorous professional programmes, English Language teaching and sudden exposure to city life. Being away from home, such students can best look up to their teachers for support and guidance. Pragati Engineering College initiated the Teacher-Student Mentor System in all the departments to ensure the overall welfare and development of students. Practice: In Pragati Engineering College Mentoring Systems, a Teacher (mentor) is allotted a group of approximately twenty four students (mentees). In regular Teacher - Student meetings various activities like career goal setting, presentation skills, communication skills, resume writing, aptitude test etc. are organised. Mentors keep all academic records of their mentees, monitor their attendance and progress and take care of even their personal problems. They also keep in touch with mentees' parents. Evidence of success: The following outcome has been witnessed: • The evidence of success of mentoring system is reflected through the overall personality development of students. Those students who had lack of confidence, were weak in communication, had poor presentation skills, were observed having significant improvement in the lacked areas when they came to final year. • Parents were happy to have a system where, the overall progress of their ward is monitored and informed to them timely right from the first year till the course completion. • There is a marginal increment in the number of students participating in various events held within and outside the college, since the implementation of Mentoring System. • Increase in student attendance and improvement in students' academic performance. • Cordial relationship between staff and students. Tree Plantation Programme Objectives of the Practice Our Institution is one of the big campus in the Surampalem having 25 Acres and it has lot of rare variety trees. The mission is to sensitize and empower people to give back to nature and live in an environment conducive to their health and well-being. Say Trees inspires the students to spare just a few hours on weekends and work towards making their cities, and their lives greener. For more than 16 years, our NSS Team is working untiringly with student volunteers and staffs to change the landscape in our Institution. Our campus is rich with flora and fauna and rare variety of trees are there inside the campus . We take pride in having fostered a buzzing community of tree lovers who continue to inspire and induct so many more in their fold. It has been observing by the students that nature has been changing itself very tremendously as we are responsible for this change because of building and constructive more and more cities and town. So, the nature has unbalanced and

disturbed that's why the combination of oxygen has ruined. The Context The very noble objective of "Tree Plantation programme is to save our planet and mother earth by plantation work" with under given points: • To rising up the level of the student thinking regarding Tree plantation work. • To create the interest among the students regarding the values of trees plants. • To inculcate the programme of plantation can change the climate and during freshers day each and

every first year students are given free saplings to produce oxygen. The Practice It is the important duty of students o plant more and more trees because these are the carriers of rain and cloud. Only the nature has capacity

to turn up the balance of nature to produce more and more oxygen, but it is only possible when our surroundings are full of trees and plants. This type of tree plantation Programme is only possible when our new generation become more more sincere and active towards Tree plantation programme. This tree plantation makes the points of success, it is sure and certain that our nature will be in balance and the life of the people can be happy prosperous. So, we should plant more more trees and protect them for the future of new generation. Evidence of Success Currently we are having more than 100 Trees planted and it is well grown and key impact in the climatic change control and more oxygen is there inside the campus and the carbon limit is very minimized in the Campus .This is the evidence of success and We have made very sincere Tree plantation and this plantation work provoke the students and inspired them to go quickly on the path of plantation for the balance of the nature up-gradation of environment. It is the result of the Programme that more than 80 student participated in the Programme of the plantation started by college administration. The senior students are convincing the junior students like the chain and more number of students are coming forward to plant more trees as a part of NSS activities.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link
