Learning is Supreme Deity

Entrepreneurship, Innovation and Start-Ups Centre

This is to inform that the Entrepreneurship, Innovation and Start-Ups Centre is established in Pragati Engineering College(A), Surampalem with the following objectives.

- To create an environment for acquiring new knowledge through innovation and research, compatible with the educational mission of the State
- To identify and develop Entrepreneurs among the students
- To provide resources and learning experiences to students who are planning to start their own ventures
- To facilitate establishment of Start-Ups by the students and faculty members
- To promote patent-oriented research and to facilitate commercialization of the innovation
- To facilitate interaction with experienced entrepreneurs, industry experts and venture capitalists to gain business insights
- To promote innovation ecosystem in the University
- To foster linkages between the University, Industries and other related organizations engaged in promoting MSMEs

The Entrepreneurship, Innovation and Start-Ups Centre is prompted to conduct awareness programmes for the students and employees, identifying potential candidates and motivating them to promote enterprise independently or jointly. Also, it is planned to pre-incubate/incubate business ideas and convert them to new technology ventures.

The centre also driven to project development, mentoring, networking, resource facilitation and angel funding for new ideas. The centre is headed by a Director and guided by advisory committee constituted by Head of the institution.
