It is observed that there is a drastic decline of overall pass percentage of the Institution when compared with previous Academic Year. It is resolved that due Pandemic (COVID 19) situation, students couldn't able to study well as the ending classes are held in online. As more number of students are from village backdrop, hence they faced a lot of problem w.r.t. Internet classes.

It is observed in all the branches there is a great decline in pass percentage. Hence, requested HoD's to look of this problem, and try to resolve it as soon as possible so that the students will pass in the coming semester examinations.
