STUDENT FEEDBACK FORM

Name of the Student & Roll Number	N. Harsha Vardhan 20A31A0138
Name of the department	Civil
Year/ Semester	3 rd Year - 2 nd Sem
Academic Year	2021 - 2022

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs	✓				
3	Has the curriculum covered all the aspects of the program outcomes		✓			
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards	✓				
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided		✓			
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate		✓			
11	Placement facilities are satisfactory		✓			
12	Providing industrial visits/ internships		✓			
13	Through the present program inputs, are you confident of meeting your future goals		✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	P. Ramu (20A21A0246)
Name of the department	EEE
Year/ Semester	II - IV
Academic Year	2021-22

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course		✓			
	Syllabus contains necessary technical skills to face the industry needs	✓				
2	Has the curriculum covered all the aspects of the program outcomes		✓			
3	How do you rate the electives offered in relation to the Technological Advancements?	✓				
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent		✓			
9	Library facilities are adequate	✓				
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	K. Prudhvi Sai (18A31AD3H3)
Name of the department	Mechanical Engineering
Year/ Semester	III - II
Academic Year	2021 - 2022

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course		✓			
2	Syllabus contains necessary technical skills to face the industry needs			✓		
3	Has the curriculum covered all the aspects of the program outcomes				✓	
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards		✓			
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good		✓			
8	Projects/Research Environment is provided			✓		
9	Examination and Evaluation process is fair and transparent		✓			
10	Library facilities are adequate			✓		
11	Placement facilities are satisfactory			✓		
12	Providing industrial visits/ internships			✓		
13	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

Increase more no. of training classes for more competitive exams.

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Palivela Shikumar
Name of the department	ECE
Year/ Semester	IV / II
Academic Year	2021 - 2022

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs	✓				
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards	✓				
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided		✓			
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate	✓				
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships		✓			
13	Through the present program inputs, are you confident of meeting your future goals	✓				

Suggestions /Comments (if any) :

1. He said short hour.

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Geddy Mourika 18A31A0500
Name of the department	Computer Science Engineering
Year/ Semester	IV - II
Academic Year	2021-22

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards			✓		
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good		✓			
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓

Year/ Semester	IV - II
Academic Year	2021 - 22

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course		✓			
	Syllabus contains necessary technical skills to face the industry needs	✓				
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning			✓		
6	Laboratory Facilities are good		✓			
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent	✓		✓		
9	Library facilities are adequate				✓	
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

E-learning resources to be increased in the central library.

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	KANDULA MOONIMA 617A31A0106
Name of the department	CIVIL
Year/ Semester	IV II
Academic Year	2020-21

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards	✓				
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good		✓			
7	Projects/Research Environment is provided		✓			
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory	✓				
11	Providing industrial visits/ internships		✓			
12	Through the present program inputs, are you confident of meeting your future goals	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	G. Bala surden 17A31A0380
Name of the department	MECHINICAL ENGINEERING
Year/ Semester	IV / I
Academic Year	2020 - 21

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course			✓		
2	Syllabus contains necessary technical skills to face the industry needs				✓	
3	Has the curriculum covered all the aspects of the program outcomes		✓			
4	How do you rate the electives offered in relation to the Technological Advancements?					✓
5	Teaching Quality is of high standards				✓	
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good			✓		
8	Projects/Research Environment is provided	✓				
9	Examination and Evaluation process is fair and transparent				✓	
10	Library facilities are adequate		✓			
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships			✓		
13	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any): *Electro subjects to be updated according to latest trend.*

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	Alexandre Karri
Name of the department	Mechanical
Courses Handled/ Year/ Semester	Dynamics of Machinery / III / II
Academic Year	20-21

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders		✓			
2	Objectives of the syllabus are well defined and clear to teachers & students		✓			
3	Sufficient number of prescribed books are available in the library		✓			
4	Sufficient practical exposure is provided for the theoretical concepts in the courses			✓		
5	The course has good balance between theory & application.				✓	
6	The course curriculum provides opportunities to develop employable skill in the student.					
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus			✓		
8	Would you have the freedom to adopt new techniques of teaching.				✓	
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.		✓			
10	Research and development facilities are widely extended to all faculty members for research oriented projects.			✓

ALUMNI: SURVEY QUESTIONNAIRE

Indicate your rating for each of the indicators in the following table

Poor	Average	Good	Very Good	Excellent
1	2	3	4	5

S. No.	Survey Aspect	5	4	3	2	1
1	The Extent to which the curriculum is meeting the industrial and professional needs	✓				
2	How do you rate your acquired knowledge to interrelate with other domain		✓			
3	How good are the opportunities you got to pursue research in IITs, NITS, Foreign Universities and R&D Organizations					✓
4	Rate your knowledge in designing a product with the knowledge acquired in your course	✓				
5	To What extent you are updated with evolving trends, tool and Technology in your area of specialization		✓			
6	Your involvement and participation in the outreach activities up serving the needy and society at large			✓		
7	How far you could explore the entrepreneurship opportunity in the area of your specialization		✓			
8	How far your experience in different teams in the institute is useful in current profession	✓				
9	How do you rate at the acquired managerial and communication skill help your professional growth	✓				

Comments based on your experience during the programme:

skill oriented course to be provided in the course curriculum

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	KALLI BOYINA GRACE VENNELA C17 A3100511
Name of the department	Computer Science Engineering
Year/ Semester	IV - II
Academic Year	2020-2021

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards	✓				
5	The overall environment in the class was conducive to learning		✓			
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided		✓			
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory	✓				
11	Providing industrial visits/ internships		✓			
12	Through the present program inputs, are you confident of meeting your future goals	✓				

Suggestions /Comments (if any): more number of guest lectures to be conducted for our junior batches

ALUMNI SURVEY QUESTIONNAIRE

Indicate your rating for each of the indicators in the following table

Poor	Average	Good	Very Good	Excellent
1	2	3	4	5

S. No.	Survey Aspect	5	4	3	2	1
1	The Extent to which the curriculum is meeting the industrial and professional needs	✓				
2	How do you rate your acquired knowledge to interrelate with other domain	✓				
3	How good are the opportunities you got to pursue research in IITs, NITS, Foreign Universities and R&D Organizations		✓			
4	Rate your knowledge in designing a product with the knowledge acquired in your course		✓			
5	To What extent you are updated with evolving trends, tool and Technology in your area of specialization	✓				
6	Your involvement and participation in the outreach activities up serving the needy and society at large	✓				
7	How far you could explore the entrepreneurship opportunity in the area of your specialization	✓				
8	How far your experience in different teams in the institute is useful in current profession		✓			
9	How do you rate at the acquired managerial and communication skill help your professional growth	✓				

Comments based on your experience during the programme: I enjoyed the questions and answers session of the training. It was such an interactive session.

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Gi Harika (17A31A1208)
Name of the department	Information Technology
Year/ Semester	IV - II
Academic Year	2020-2021

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes		✓			
3	How do you rate the electives offered in relation to the Technological Advancements?			✓		
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good			✓		
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

make Familiar with self employability.

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	D. Srinisha, Associate Professor
Name of the department	IT
Courses Handled/ Year/ Semester	CSA - II IT
Academic Year	2020-21

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stakeholders	✓				
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library		✓			
4	Sufficient practical exposure is provided for the theoretical concepts in the courses		✓			
5	The course has good balance between theory & application.			✓		
6	The course curriculum provides opportunities to develop employable skill in the student.			✓		
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.	✓				
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.	✓				
10	Research and development facilities are widely extended to all faculty members for research oriented projects.	✓				

Suggestions /Comments (if any):
Curricular revision should be done to introduce more skill based courses.

ALUMNI: SURVEY QUESTIONNAIRE

Indicate your rating for each of the indicators in the following table

Poor	Average	Good	Very Good	Excellent
1	2	3	4	5

S. No.	Survey Aspect	5	4	3	2	1
1	The Extent to which the curriculum is meeting the industrial and professional needs		✓			
2	How do you rate your acquired knowledge to interrelate with other domain	✓				
3	How good are the opportunities you got to pursue research in IITs, NITS, Foreign Universities and R&D Organizations		✓			
4	Rate your knowledge in designing a product with the knowledge acquired in your course		✓			
5	To What extent you are updated with evolving trends, tool and Technology in your area of specialization	✓				
6	Your involvement and participation in the outreach activities up serving the needy and society at large		✓			
7	How far you could explore the entrepreneurship opportunity in the area of your specialization			✓		
8	How far your experience in different teams in the institute is useful in current profession		✓			
9	How do you rate at the acquired managerial and communication skill help your professional growth	✓				

Comments based on your experience during the programme:

Provide more workshops and hands on trainings.

ALUMNI SURVEY QUESTIONNAIRE

Indicate your rating for each of the indicators in the following table

Don't Know	poor	Average	Good	Excellent
1	2	3	4	5

S.No	Survey Aspect	5	4	3	2	1
1	The Extent to which the curriculum is meeting the industrial and professional needs	✓				
2	How do you rate your acquired knowledge to interrelate with other domain		✓			
3	How good are the opportunities you got to pursue research in IITs, NITS, Foreign Universities and R&D Organizations		✓			
4	Rate your knowledge in designing a product with the knowledge acquired in your course	✓				
5	To What extent you are updated with evolving trends, tool and Technology in your area of specialization	✓				
6	Your involvement and participation in the outreach activities up serving the needy and society at large	✓				
7	How far you could explore the entrepreneurship opportunity in the area of your specialization		✓			
8	How far your experience in different teams in the institute is useful in current profession	✓				
9	How do you rate at the acquired managerial and communication skill help your professional growth		✓

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs		✓			
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards	✓				
6	The overall environment in the class was conducive to learning		✓			
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided	✓				
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate	✓				
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships	✓				
13	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

Include research oriented syllabus in the curriculum.

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	P. Ram prasad & Asst. professor
Name of the department	Mechanical Engineering
Courses Handled/ Year/ Semester	Additive Manufacturing
Academic Year	2019-2020

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders	✓				
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library		✓			
4	Sufficient practical exposure is provided for the theoretical concepts in the courses		✓			
5	The course has good balance between theory & application.			✓		
6	The course curriculum provides opportunities to develop employable skill in the student.	✓				
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.		✓			
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.		✓			
10	Research and development facilities are widely extended to all faculty members for research oriented projects.		✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	T. Naga Suman 1643140428
Name of the department	ECE
Year/ Semester	4 th year.
Academic Year	2019-2020

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs		✓			
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards	✓				
6	The overall environment in the class was conducive to learning		✓			
7	Laboratory Facilities are good		✓			
8	Projects/Research Environment is provided	✓				
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate	✓				
11	Placement facilities are satisfactory		✓			
12	Providing industrial visits/ internships		✓			
13	Through the present program inputs, are you confident of meeting your future goals	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Rehadi, Viswanja 616A31A0525
Name of the department	Computer Science & Engineering
Year/ Semester	IV / II
Academic Year	2019-2020

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	/				
	Syllabus contains necessary technical skills to face the industry needs	/				
2	Has the curriculum covered all the aspects of the program outcomes	/				
3	How do you rate the electives offered in relation to the Technological Advancements?		/			
4	Teaching Quality is of high standards	/				
5	The overall environment in the class was conducive to learning		/			
6	Laboratory Facilities are good		/			
7	Projects/Research Environment is provided		/			
8	Examination and Evaluation process is fair and transparent		/			
9	Library facilities are adequate	/				
10	Placement facilities are satisfactory	/				
11	Providing industrial visits/ internships	/				
12	Through the present program inputs, are you confident of meeting your future goals		/			

Suggestions /Comments (if any): More Number of online Quiz for the students. to be conducted

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	B. Sri Rani (16A31A1241)
Name of the department	Information Technology
Year/ Semester	IV - II
Academic Year	2019-2020

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs	✓				
2	Has the curriculum covered all the aspects of the program outcomes		✓			
3	How do you rate the electives offered in relation to the Technological Advancements?			✓		
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning		✓			
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided		✓			
8	Examination and Evaluation process is fair and transparent			✓		
9	Library facilities are adequate	✓				
10	Placement facilities are satisfactory	✓				
11	Providing industrial visits/ internships		✓			
12	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

should provide industry related courses.

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	J. Raj Kumar (17A131A0189)
Name of the department	CIVIL
Year/ Semester	IIIrd - IIIrd Sem
Academic Year	2018-2019

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs		✓			
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?		✓			
5	Teaching Quality is of high standards	✓				
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided	✓				
9	Examination and Evaluation process is fair and transparent		✓			
10	Library facilities are adequate		✓			
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships	✓				
13	Through the present program inputs, are you confident of meeting your future goals	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	N. RAM KUMAR - 16A31A0298
Name of the department	EEE
Year/ Semester	3 rd - 2 nd sem.
Academic Year	2018 - 19

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs	✓				
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory			✓		
11	Providing industrial visits/ internships				✓	
12	Through the present program inputs, are you confident of meeting your future goals			✓		

Suggestions /Comments (if any) :

I am truly satisfied towards the curriculum, Learning & Evaluation.

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	S. Varalakshmi (Asst. Prof.)
Name of the department	EEE
Courses Handled/ Year/ Semester	Power Electronics
Academic Year	2018-19

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stakeholders	✓				
2	Objectives of the syllabus are well defined and clear to teachers & students		✓			
3	Sufficient number of prescribed books are available in the library	✓				
4	Sufficient practical exposure is provided for the theoretical concepts in the courses		✓			
5	The course has good balance between theory & application.	✓				
6	The course curriculum provides opportunities to develop employable skill in the student.	✓				
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.	✓				
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.		✓			
10	Research and development facilities are widely extended to all faculty members for research oriented projects.	✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	M. Naga Sridhar Sai Varma (16A31AD3K8)
Name of the department	Mechanical
Year/ Semester	3-2
Academic Year	2018-19

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs		✓			
3	Has the curriculum covered all the aspects of the program outcomes		✓			
4	How do you rate the electives offered in relation to the Technological Advancements?				✓	
5	Teaching Quality is of high standards		✓			
6	The overall environment in the class was conducive to learning		✓			
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided		✓			
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate		✓			
11	Placement facilities are satisfactory	✓	✓			
12	Providing industrial visits/ internships		✓			
13	Through the present program inputs, are you confident of meeting your future goals	✓				

Suggestions /Comments (if any): More inter department subjects need to include in open elective courses.

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	M. Amrutha - Asst Prof
Name of the department	Mechanical.
Courses Handled/ Year/ Semester	EM - T-II
Academic Year	2018-19.

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders		✓			
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library			✓		
4	Sufficient practical exposure is provided for the theoretical concepts in the courses				✓	
5	The course has good balance between theory & application.		✓			
6	The course curriculum provides opportunities to develop employable skill in the student.	✓				
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus			✓		
8	Would you have the freedom to adopt new techniques of teaching.		✓			
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.			✓		
10	Research and development facilities are widely extended to all faculty members for research oriented projects.		✓			

Suggestions /Comments (if any): More sessions to be increased for hands on experience for Advanced Technologies

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Chinchinda Meghana A 15A31AD564
Name of the department	CSE
Year/ Semester	4-2
Academic Year	2018-2019

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?	✓				
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent	✓				
9	Library facilities are adequate		✓			
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals	✓				
Suggestions /Comments (if any):						
More no of seminars on emerging techndgues should be conducted

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	Ch. Venkata Ramana, Asst. Professor
Name of the department	INFORMATION TECHNOLOGY
Courses Handled/ Year/ Semester	Software Engineering (2-1)
Academic Year	2019-19

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders		✓			
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library	✓				
4	Sufficient practical exposure is provided for the theoretical concepts in the courses		✓			
5	The course has good balance between theory & application.		✓			
6	The course curriculum provides opportunities to develop employable skill in the student.		✓			
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.	✓				
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.		✓			
10	Research and development facilities are widely extended to all faculty members for research oriented projects.		✓			

Suggestions /Comments (if any) : students must be familiar with industry needs

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	N. Rajna Kumar (18A131B0112)
Name of the department	Civil
Year/ Semester	III - I S E
Academic Year	2017 - 2018

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
2	Syllabus contains necessary technical skills to face the industry needs		✓			
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?	✓				
5	Teaching Quality is of high standards		✓			
6	The overall environment in the class was conducive to learning	✓				
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided	✓				
9	Examination and Evaluation process is fair and transparent	✓				
10	Library facilities are adequate	✓				
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships	✓				
13	Through the present program inputs, are you confident of meeting your future goals		✓

ALUMNI SURVEY FORM

Name: M. Tarunja Devi	Roll No: 13A31A0109
Branch: Civil	Year of Graduation: 2017-18
Mailing Address	
City: Rajmundry	State: A.P
Phone No: 9100234537	Pin Code: 5330106
Email: Tarunjadevi13@gmail.com	
Company: Nipro	Designation: SQL Developer

ALUMNI: SURVEY QUESTIONNAIRE

Indicate your rating for each of the indicators in the following table

Poor	Average	Good	Very Good	Excellent
1	2	3	4	5

S. No.	Survey Aspect	5	4	3	2	1
1	The Extent to which the curriculum is meeting the industrial and professional needs	✓				
2	How do you rate your acquired knowledge to interrelate with other domain		✓			
3	How good are the opportunities you got to pursue research in IITs, NITS, Foreign Universities and R&D Organizations		✓			
4	Rate your knowledge in designing a product with the knowledge acquired in your course		✓			
5	To What extent you are updated with evolving trends, tool and Technology in your area of specialization	✓				
6	Your involvement and participation in the outreach activities up serving the needy and society at large		✓			
7	How far you could explore the entrepreneurship opportunity in the area of your specialization		✓			
8	How far your experience in different teams in the institute is useful in current profession		✓			
9	How do you rate at the acquired managerial and communication skill help your professional growth		✓			

Comments based on your experience during the programme:

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	P.chandrika (21BA31A0215)
Name of the department	EEE
Year/ Semester	IIIrd - 2nd Sem
Academic Year	2017 - 18

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs		✓			
2	Has the curriculum covered all the aspects of the program outcomes	✓				
3	How do you rate the electives offered in relation to the Technological Advancements?	✓				
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good		✓			
7	Projects/Research Environment is provided		✓			
8	Examination and Evaluation process is fair and transparent					
9	Library facilities are adequate	✓				
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	Mr. Anot Reddy (Asst. Prof.)
Name of the department	EEE
Courses Handled/ Year/ Semester	Power Systems
Academic Year	2014-15

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders		✓			
2	Objectives of the syllabus are well defined and clear to teachers & students	✓				
3	Sufficient number of prescribed books are available in the library	✓				
4	Sufficient practical exposure is provided for the theoretical concepts in the courses	✓				
5	The course has good balance between theory & application.	✓				
6	The course curriculum provides opportunities to develop employable skill in the student.	✓				
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓	✓			
8	Would you have the freedom to adopt new techniques of teaching.		✓			
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.	✓				
10	Research and development facilities are widely extended to all faculty members for research oriented projects.		✓			

Suggestions /Comments (if any) :

Introduce the courses regarding experiential learning.

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	PC Sai Krishna - 16A31A0340
Name of the department	ME
Year/ Semester	II - II
Academic Year	2017-18

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course		✓			
2	Syllabus contains necessary technical skills to face the industry needs			✓		
3	Has the curriculum covered all the aspects of the program outcomes	✓				
4	How do you rate the electives offered in relation to the Technological Advancements?		✓			
5	Teaching Quality is of high standards				✓	
6	The overall environment in the class was conducive to learning		✓			
7	Laboratory Facilities are good	✓				
8	Projects/Research Environment is provided			✓		
9	Examination and Evaluation process is fair and transparent		✓			
10	Library facilities are adequate				✓	
11	Placement facilities are satisfactory	✓				
12	Providing industrial visits/ internships				✓	
13	Through the present program inputs, are you confident of meeting your future goals		✓			
Suggestions /Comments (if any) : Increase Industrial Visits

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	SUNKARA NAGA VENKATA, 14A31AD528
Name of the department	Computer Science & engineering
Year/ Semester	IV - II
Academic Year	2017 - 2018

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course	✓				
	Syllabus contains necessary technical skills to face the industry needs	✓				
2	Has the curriculum covered all the aspects of the program outcomes		✓			
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards		✓			
5	The overall environment in the class was conducive to learning	✓				
6	Laboratory Facilities are good	✓				
7	Projects/Research Environment is provided		✓			
8	Examination and Evaluation process is fair and transparent		✓			
9	Library facilities are adequate	✓				
10	Placement facilities are satisfactory	✓				
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any):

FACULTY FEEDBACK FORM

Name of the Faculty & Designation	Mr. A. Lakshmana Rao Asst. Prof.
Name of the department	CSE
Courses Handled/ Year/ Semester	B.Tech II-II
Academic Year	2017-18

This questionnaire is intended to collect information relating to your satisfaction towards the curriculum, teaching, learning and evaluation. We provide you with this feedback form and request you to duly fill in the same and submit it at the earliest. It will allow us to strategize the missions and goals for this academic year. Your time and effort will make us even better and we assure you of the best.

Grading: 5 - Excellent, 4 - Very Good, 3 - Good, 2 - Satisfactory, 1 - Not satisfactory. Use the following scale to grade the course.

S.No	Statements	5	4	3	2	1
1	Curriculum is based on the needs of the stake holders	✓				
2	Objectives of the syllabus are well defined and clear to teachers & students		✓			
3	Sufficient number of prescribed books are available in the library	✓				
4	Sufficient practical exposure is provided for the theoretical concepts in the courses	✓				
5	The course has good balance between theory & application.	✓				
6	The course curriculum provides opportunities to develop employable skill in the student.	✓				
7	Tests and examinations are conducted at appropriate time with proper coverage of syllabus	✓				
8	Would you have the freedom to adopt new techniques of teaching.	✓				
9	The college provide encouragement to all faculty members to participate in professional development & faculty development programme.		✓			
10	Research and development facilities are widely extended to all faculty members for research oriented projects.		✓

STUDENT FEEDBACK FORM

Name of the Student & Roll Number	Banka Lavanya (15A31A1205)
Name of the department	Information technology
Year/ Semester	3-2
Academic Year	2017-18

This questionnaire is intended to collect information relating to your satisfaction towards the Curriculum, Learning and evaluation. The information provided by you will be kept confidential and will be used as important feedback for quality improvement and of the program of studies/institution. Directions: a score for each item please indicate your level of Satisfaction with the following statement by choosing 1 and 5

Grade: 5-Excellent, 4- Very Good, 3-Good, 2-Satisfactory, 1- Not satisfactory (Use the following scale to grade the course)

S.No	Statements	5	4	3	2	1
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course		✓			
	Syllabus contains necessary technical skills to face the industry needs	✓				
2	Has the curriculum covered all the aspects of the program outcomes			✓		
3	How do you rate the electives offered in relation to the Technological Advancements?		✓			
4	Teaching Quality is of high standards	✓				
5	The overall environment in the class was conducive to learning			✓		
6	Laboratory Facilities are good		✓			
7	Projects/Research Environment is provided	✓				
8	Examination and Evaluation process is fair and transparent		✓			
9	Library facilities are adequate			✓		
10	Placement facilities are satisfactory		✓			
11	Providing industrial visits/ internships	✓				
12	Through the present program inputs, are you confident of meeting your future goals		✓			

Suggestions /Comments (if any) :

It could be better to explore the content.
