REPORT

WORKSHOP ON DESIGN THINKING, CRITICAL THINKING AND INNOVATION DESIGN

Institution Innovation Council (IIC) of Pragati Engineering College organized a workshop on "Design Thinking, Critical thinking and Innovation Design" on 16.08.2022 at 10am through online. The participants are assembled in E-class room, ME Block and connected through LCD projector.

The resource person Dr.R.Dharmalingam, Innovation Ambassador & Associate Professor, Department of Mechanical Engineering, Pragati Engineering College has delivered the session.

Mr.Sravan, Student of ME department has welcome the resource person and participants and introduced the resource person to the participants.

During the session, resource person has explained the following points.

- Normal approach to solve a problem
- What is design thinking?
- Steps involved in design thinking
- What is critical thinking?
- Steps involved in critical thinking?
- What is innovation Design?
- How to promote innovation and entrepreneurship?

Totally 4 faculty members and 53 students from Pragati Engineering College has participated in the session. Finally, participants have raised the questions and resource person cleared their doubts.

What is Design Thinking

- Design Thinking is an iterative process in which we seek to
 - understand the user
 - challenge assumptions
 - redefine problemsin an attempt to
 - identify alternative strategies and solutions that might not be instantly apparent with our initial level of understanding.
- At the same time, Design Thinking provides a solution-based approach to solving problems. It is a way of thinking and working as well as a collection of hands-on methods.

CELEBRATION OF WORLD INTELLECTUAL PROPERTY RIGHTS DAY

**Webinar on “Importance of Intellectual Property Rights”
on 26.04.2022 at 2.00pm**

REPORT

The Institution’s Innovation Council of Pragati Engineering College (IIC – PEC) is celebrating **World Intellectual Property Rights Day on 26th April 2022**. In this regard, IIC -PEC & EDC Cell organized a **Webinar on “Importance of Intellectual Property Rights”**.

Resource Person: Mr. Govind Sharma, Registered Patent Agent, Ex. Chief - National Research Development Corporation, New Delhi.

Mode : Online
Platform : Microsoft Teams
Link : <https://tinyurl.com/37w58h4t>

The program was started at 2.00PM. Mr.Kamesh Sastry, student of 2nd year Mechanical Engineering has welcome the management members, Director cum President of IIC, Principal, Vice-Principal, Coordinator, resource person and participants. He also introduced the resource person to the participants.

The resource person Mr. Govind Sharma explained the importance of Intellectual Property Rights to the students. He explained the following points to the participants.

1. Different IPR acts
2. What is IPR?
3. Rationale for IP protection
4. Why do start-ups protect their ideas?
5. Categories of IPR
6. Requirement for a patent
7. Industrial designs
8. How to file patents

Finally, he clarified the doubts raised by the participants. The webinar successfully completed with vote of thanks by Mr.Kamesh Sastry.

Totally 95 participants participated from Pragati Engineering College and other institutions.

National Intellectual Property Awareness Mission(NIPAM)

Report

Institution Innovation Council of Pragati Engineering College organized a webinar on **National Intellectual Property Awareness Mission(NIPAM) on 19.01.2021 through Cisco Webex online platform. Mr.Vivek Raj, NIPAM/Examiner of P&D, Mechanical Engineering Group, IPO Chennai** consented as resource person and delivered lecture on **Intellectual Property Rights**.

During presentation, Mr.Vivek Raj explained the need of intellectual property rights and its classifications such as patent, Design. Trade marks, Geographical Indication, Copy rights and semiconductor IC layout Design. He also discussed about criterion for graduating a patent and patent filing procedure. Infringing of patents also discussed during the webinar. The queries raised by the participants also explained clearly by the resource person.

Totally 71 students and 14 faculty members attended the program. Students were assembled in seminar hall and attended the program through online.

No video has been recorded as per NIPAM instruction

INSTITUTION'S INNOVATION COUNCIL

Impact Lecture Session with support from Ministry of Education's Innovation Cell (MIC)

27.09.2021

Report on Impact Lecture Session 1, Lecture 1: Funding Support for early stage of Entrepreneurship

Institution's Innovation Council (IIC) of Pragati Engineering College organized a lecture on “Funding Support for early stage of Entrepreneurship” on 27th September 2021 at 10.30am. Prof. M Shameem Jawed, Chief Operating officer and Director of the Section 8 Company IIMV Foundation for Incubation Entrepreneurial Learning and Development (IIMV FIELD) has participated as resource person and presented his lecture about various funding support for entrepreneurs and startups.

The program was started at 10.30am by Mr.Sravan, Department of Mechanical Engineering, Pragati Engineering College.

Mr.M.Satish, Vice President of Pragati Engineering College has welcome the resource person, Principal, faculty members, participants and students and explained the importance of innovation and entrepreneurship and steps taken by Pragati Engineering College to promote I&E ecosystem within the campus.

Mr. Sravan introduced the resource person to the participants briefly.

Prof. M Shameem Jawed has presented about requirement of funding for early stage of entrepreneurship and highlighted the following points during his presentation.

- Explained some case studies related to successful enterprises and non-successful enterprises.
- Chance of getting loan from bank considering risk factors from bankers point of view
- Difference between small business venture and startup
- Stages of startup life cycle
- How some startups getting funded easily
- Expectations of incubators i.e., from HI's point of view

- Future of startup ecosystem in India
- Key matrix for evaluating startups for incubation
- Top funding options for entrepreneurship in India

He also made the participants to answer for his queries. The questions posted by the participants also answered by the resource person at the end of the session.

Totally 116 participants attended the lecture. Out of it, 9 faculties, 3 research scholars, 4 students from other institutions and 28 faculties and 72 students from Pragati Engineering College have actively participated.

The session ended at 12.20 with vote of thanks by Mr.Sarvan.

The lecture video is uploaded in Institution's Innovation Council of Pragati Engineering College (IIC-PEC) youtube page and made available for public view.
