7.1.7: The Institution has Differently-abled (Divyangjan) friendly, barrier free environment

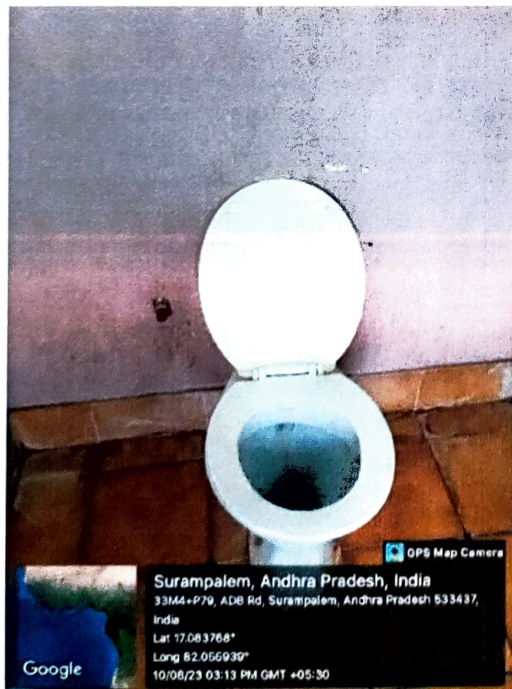

A barrier-free setting has been thoughtfully created to ensure ease of access and movement for all, irrespective of physical abilities. This commitment to inclusivity is evidenced by the removal of obstacles that might impede the mobility of Divyangjan, allowing them to navigate the premises comfortably. This step aligns with the institution's dedication to providing an equitable and empowering educational experience for all students, fostering an environment that embraces diversity and promotes accessibility.

Ramps are available to facilitate access for Divyangjan students, ensuring inclusivity and ease of movement within the premises.

To accommodate Divyangjan students with limited mobility, classes were arranged on the ground floor, and western-style bathrooms were provided for their convenience.
