A Report – SPORTS DAY' –10th January 2019

- **Objective:** The objective of sports day is to encourage students and staff to participate in physical activities and sports that can benefit their health, fitness, and well-being. Sports day can also promote teamwork, sportsmanship, and cultural diversity among the participants and spectators. Sports day can also honor the achievements and contributions of sports legends in various fields

On January 10th, 2019, the students and faculty of PRAGATI ENGINEERING COLLEGE celebrated their annual sports day with great enthusiasm and spirit. The event was inaugurated by the chief guest, Dr. P. Krishna Rao, chairman of the college. He delivered an inspiring speech on the importance of sports and fitness in life and encouraged the students to participate in various games and activities.

The sports day featured a variety of competitions, such as athletics, badminton, basketball, chess, cricket, football, table tennis, and volleyball. The students displayed their skills and talents in these sports and competed with each other in a friendly manner. The winners were awarded medals and certificates by the chief guest and the principal of the college.

The sports day concluded with a vote of thanks by the sports in charge of the college. He thanked the chief guest, the principal, the teachers, the staff, and the students for their support and cooperation. He also congratulated the winners and appreciated the efforts of all the participants. He expressed his hope that the sports day would inspire more students to take up sports and pursue excellence in their chosen fields.

SWOT ANALYSIS

Strengths:

- Sports day can enhance the physical, mental and social well-being of the participants and spectators by promoting physical activity, fun and camaraderie.
- Sports day can showcase the talents and achievements of the students and staff in various sports and games, as well as their teamwork, sportsmanship and leadership skills.

Weaknesses:

- Sports day can **pose some risks and challenges** such as injuries, accidents, conflicts, bad weather, equipment failures or poor attendance that may affect the quality and safety of the event.

Opportunities:

- Sports day can create more opportunities for learning and development for the students and staff by exposing them to new skills, experiences, challenges and feedback in sports and games.
- Sports day can foster more collaboration and cooperation among the students, staff, parents and community by involving them in the planning, preparation and participation of the event.

SWOT ANALYSIS

Strength: The entire Students' Council of Pragati Engineering College works as a team. The work is done on time and under the guidance of faculty in charges.

Weakness: Some ideas remain unimplemented due to time constraints.

Opportunities: Provide the students platform for personality development.

FUTURE PLANS:

Pragati Engineering College has always provided its students with opportunities to prove their mettle in different fields. The number of students and faculty participation at Pragati has increased over the years. The Students' Council of Pragati Engineering College is responsible for all cultural activities that are organized like PRISM and 'SPECIAL DAYS'. Activities under the council are well supported by the Management and team of faculty members. The council is responsible to organize events that provide a platform to students to nurture and show their talent in various fields.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

Report on "Exult-2k18" A National Level Technical Symposium Under STRIDES

The Department of Electrical and Electronics Engineering of this college organized a One-day National Level Technical Symposium "Exult-2k18 Under STRIDES" on 14th September, 2018. This event was inaugurated by the Chief Guest, Sri U. R. V. Ramana Rao, Power Grid Corporation India Limited, Chief Manager. The Chief Guest emphasized the different sources for energy generation, importance of renewable energy and opportunities offered for electrical engineers in present scenario.

Dr. P. Krishna Rao, Chairman, Pragati Engineering College Participated in this Programme. Speaking on this occasion he stated that the college has been taking all the necessary steps to mould students as future industrialists besides imparting technical education. He advised the students to progress in their life by utilizing the Opportunities and infrastructure provided in the institution, motivated the electrical engineers towards innovation of latest technology for global needs.

Dr. S. Sambhu Prasad, Principal of the College emphasized that EXULT-2K18 is an opportunity for Electrical students to explore their innovative ideas and make them acquainted with latest technological trends and motivated the students regarding Entrepreneurship. He extended his wishes for making event successful.

Dr. K. Sathyanarayana, Vice-Principal & HOD-EEE, addressed that this Symposium will provide a good exposure to the students to interact with outside world and briefed about the achievements of the department.

Dr.G.Naresh, Dean-Administration, Pragati Engineering College highlighted the current status & the emerging trends of the technology in various topics towards the betterment of R & D & Industrial needs.

అను చరిత్రలో లిఖించే విధంగా కృషి చేయాలని ఏపీ సెక్రటరీ రిటైర్డ్ సూపరింటెం
డెంట్ రాధాకృష్ణ పేర్కొన్నారు. మండలంలోని సూరంపాలెం ప్రగతి కంజినీరింగ్
కళాశాలం ప్రెస్స్ 2018 వేరిటీ కార్యక్రమం నిర్వహించారు. ఈ సందర్భంగా రాధా
కృష్ణ మాట్లాడుతూ విద్యార్థి జీవితంలో ఎప్పుడూ శ్రమించాలని అప్పుడే అనుకున్నది
సాధించగలరన్నారు. మన కృషిని బట్టే ఫలితం ఆచారపడి ఉంటుందన్నారు. ఈ
కార్యక్రమంలో ముందుగా జ్యోతి ప్రజ్వలనతో కార్యక్రమాన్ని ప్రారంభించారు. ఈ
కార్యక్రమంలో విద్యార్థులు తయారు చేసిన ప్రాజెక్టులు ఆకర్షణగా నిలిచాయి. ఈ
కార్యక్రమంలో అధిక సంఖ్యలో విద్యార్థులు, అధ్యాపకులు పాల్గొన్నారు.
