A Report – SPORTS DAY' –11th January 2018

- **Objective:** The objective of sports day is to encourage students and staff to participate in physical activities and sports that can benefit their health, fitness, and well-being. Sports day can also promote teamwork, sportsmanship, and cultural diversity among the participants and spectators. Sports day can also honor the achievements and contributions of sports legends in various fields

On January 11th, 2018, the students and faculty of PRAGATI ENGINEERING COLLEGE celebrated their annual sports day with great enthusiasm and spirit. The event was inaugurated by the chief guest, Dr. P. Krishna Rao, chairman of the college. He delivered an inspiring speech on the importance of sports and fitness in life and encouraged the students to participate in various games and activities.

The sports day featured a variety of competitions, such as athletics, badminton, basketball, chess, cricket, football, table tennis, and volleyball. The students displayed their skills and talents in these sports and competed with each other in a friendly manner. The winners were awarded medals and certificates by the chief guest and the principal of the college.

The sports day concluded with a vote of thanks by the sports in charge of the college who thanked the chief guest, the principal, the teachers, the staff, and the students for their support and cooperation. He also congratulated the winners and appreciated the efforts of all the participants. He expressed his hope that the sports day would inspire more students to take up sports and pursue excellence in their chosen fields.

SWOT ANALYSIS

Strengths:

- Sports day can enhance the physical, mental and social well-being of the participants and spectators by promoting physical activity, fun and camaraderie.
- Sports day can showcase the talents and achievements of the students and staff in various sports and games, as well as their teamwork, sportsmanship and leadership skills.

Weaknesses:

- Sports day can **pose some risks and challenges** such as injuries, accidents, conflicts, bad weather, equipment failures or poor attendance that may affect the quality and safety of the event.

Opportunities:

- Sports day can create more opportunities for learning and development for the students and staff by exposing them to new skills, experiences, challenges and feedback in sports and games.
- Sports day can foster more collaboration and cooperation among the students, staff, parents and community by involving them in the planning, preparation and participation of the event.

FUTURE PLANS:

- To organize a fun and inclusive sports day that can cater to the diverse needs and interests of the students and staff.
- To align sports day with the college sports policy and strategic plan that can promote the development of physical education and sports in the college.

PEC/Admin Circular/2017/43

Office of the Principal
Date: 16-12-2017

CIRCULAR

This is to inform all the students that college ANNUAL DAY "PRISM" will be conducted on 12th Jan 2018.

Instructions for the students regarding PRISM 2K18:

1. Students who are interested to participate in prism should give their names to the coordinators in advance i.e., on or before 21-12-2017 and those who are willing to participate in prism should compulsorily attend for auditions.
2. Department level Auditions should be completed by 22nd Dec 2017 and final auditions will be conducted during 29th Dec 2017 and 4th Jan 2018. The practice sessions will be allowed only in the campus during 9th and 10th Jan 2018 from 9 am to 4pm.
3. Solo dances are not permitted, group performances are only allowed, so as to encourage maximum students' participation.
4. The performance for the same song/dance should not be repeated.
5. Other languages are preferred besides regional languages.
6. The participants are requested that any event should be in such a way that current national concepts should be reflected. For example: Make in India, Patriotism, Environmental issues, etc.,
7. Message oriented skits are mostly preferred.
8. Message oriented mime themes / special talents are allowed.
9. The participants need to bring their requirements of their own interest for their performance.
10. Prism will be started with a classical group performance.
11. Only students who got selected in auditions will be permitted to perform on stage. No request from any student (who is not in authorized list) to perform on stage during the programme, will be entertained.
12. For lunch - ID cards are compulsory.
13. Dress code for PRISM Coordinators: Must be in full suite.

A Report – PRISM' Cultural Activities – 11th and 12th Jan 2018

- Objective: To have overall development of the students.

The Cultural Fest PRISM is organized on 11th and 12th January, 2018 in the college premises from 9.00am to 6.00pm. This cultural fest was organized to encourage and give knowledge about the cultural and types of cultural activities.

Students' Council over the years has been organizing events that bring together fun, knowledge, creativity, innovation and freshness in all the aspects of our life. PRISM – the Annual Cultural Festival of Pragati Engineering College since its inception has always brought out the best talents in the college to the fore. It is organized with much fanfare.

The following events are organized during the PRISM

- a) Dancing (Classical Western and Folk)
- b) Singing
- c) Skits
- d) MIME Themes

c) Fashion Parade

d) Flash Mob

g) Special Talents

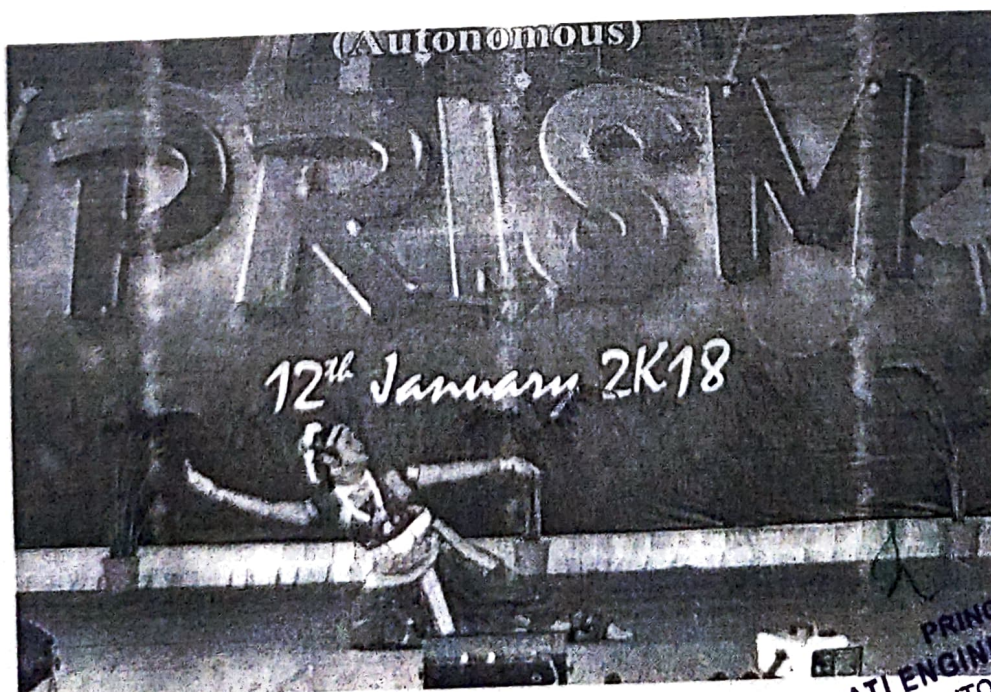

The Students' Council is the representative body of the students of the college. It is responsible for all the cultural activities that are organized like PRISM, and some 'SPECIAL DAYS'.

Solo and Duet Dance: The students competed with each other in solo dancing and duet dancing. The dance was choreographed by the participants themselves.

Singing: It included both Solo Singing and Duet Singing. It brought forth the best singers in Pragati Engineering College. They got a chance to perform on the stage and entertain the audience with their singing.

Fashion Show: All the Students got a chance to perform for the last time at undergraduate level.

Skit: A comic act was put up by the students which thoroughly entertained the crowd.

DEPARTMENT OF CIVIL ENGINEERING

Report on ELEVER 2K18 (2017-18)Dt: 07-03-2018

The students of Civil Engineering Department have celebrated ELEVER 2K18 on March 7th, 2018. The event was inaugurated in Seminar Hall –II by Honourable Chairman Sri P. Krishna Rao, Chief guest Er. B. Sundhar Rao, Principal Dr. S. Sambhu Prasad, Strides Convenor Mrs. Ch. Vasantha Lakshmi, Head of Department R. V. S. Rama Krishna, and student coordinators.

On this event, 360 students of III, II and I CE have participated. Around 50 students of other colleges have attended. The event started at 10.00 A.M.

Student coordinator, Ch. Sai Sameera, have given a brief detailing about ELEVER 2K18, which laid a platform for budding engineers in different areas like paper presentation, poster presentation, Project model Display and Technical Quiz. Also, A 1-day workshop was organised on Total Station with GPS.

Mr. Dr. R. V. S. Rama Krishna, Head of the Department welcomed the students from outer colleges. He also expressed his grateful thanks to management, Principal and Vice-Principal for their support. He also emphasized that due to the efforts of Staff and students, it is possible to celebrate ELEVER 2K18.

Principal Dr. S. Sambhu Prasad also addressed the gathering about how important Civil Engineering is in the present day world. Also emphasized that students should utilise all the opportunities to excel in their career.

Chairman Sri P. Krishna Rao emphasized that ELEVER 2K18 is good platform for the next generation engineers to express their views, ideas and innate talents.

Inaugural ended with vote of thanks and then students have proceeded to their respective arenas to give their presentations.

All the technical events were held till the Evening and prizes for the winners were given away by the judges Sri Dr. M. Swaroopa Rani garu Prof. Head of the department Civil Engineering of JNTUK, Sri Dr. D. Venkateshwarulugaru Prof. & Head of the Department of GIET and Dr. G. Nareshgaru, Professor & Dean of Administration of Pragati Engineering college, Dr. R. V. S. Rama Krishna Garu Pragati engineering college Surampalem, in the valedictory function.

DEPARTMENT OF CIVIL ENGINEERING

Prof. Sri M.Swaroop Rani felt happy for the hardwork put in by the students making projects and expressing their views in the form of posters. She wished them good luck and congratulated the winners.

Dr.D.Venkateshwarulugaru, Professor, head of the department of Civil Engineering of GIET College of engineering said that he was very much enthused by the way of presentation of students and the most innovative topics they dealt with. He said it was tough for him to judge the participants as all of them have done a great job.

Vice-President Sri M.Satish have given the judges momentos as a token of gratitude.

Finally, the event ended with Vote of Thanks.

Report on "A Two days workshop on Design & Fabrication of Go-Kart"

Date: 21.10.2017

The guest lecture was preceded by a short talk by Mr. Avinash.G, Assoc. Professor in the department of mechanical Engineering. Workshop was conducted by Mr. Gaurav Hadavale, Founder of Performance Motor Works (PMW). Before starting the Design and manufacturing of Go-kart, he divided the session into three introductory parameters:

1. Introduction of Go-kart and Cost analysis
2. Transmission System
3. Design and analysis using Solid Works, Ansys Software

In the first day of session Mr. Hadavale discussed about static parts of go-kart and how each and every component works, time span and costing.

Then he explained Engine working and fundamentals:

Chassis: Fundamentals of chassis design, Chassis materials, Light metals for chassis, Tolerance in designing, Bending strength calculation, Manufacturing Technique for Chassis Body Works and Custom parts, Safety Equipment and consideration.

Braking System: Brake performance parameters, Braking efficiency, Weigh load transfer.

Steering System: Steering dynamics, Four wheel steering mechanism, Turning radius calculations, Ackerman principle.

The second day of workshop conducted in Solid Works Lab . In this session Mr. Hadavale explained CAD software basic tools, Chassis designing and stress analysis of each component, Extrude feature, basic part modeling, sprocket, Go-kart wheel hub, Disc brake, Steering assembly. After the sir's session, students designed their own innovative chassis in solid work software and analysed in Ansys software.

The event ended with honorarium to the guests and vote of thanks.
