**Academic and Research Collaboration**

Between  
**ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY & SCIENCES (AUTONOMOUS),**  
**SANGIVALASA**  
And  
**PRAGATI ENGINEERING COLLEGE (AUTONOMOUS), SURAMPALEM**

This MoU is entered into on the day of 25<sup>th</sup> August 2021 between Anil Neerukonda Institute of Technology & Sciences (Autonomous), situated at Sangivalasa (hereinafter called ANITS) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

**1. Objectives of the MoU:**

The objectives of this MoU are:

- a. To provide advice for improving technical education, academic research and continuing education activities at PEC
- b. To mentor and encourage faculty and students at PEC in academic activities in mutually agreeable areas of interest
- c. To exchange information on research and academics between ANITS and PEC in mutually agreeable areas of interest

**2. Areas of collaboration:**

- a. A continuing Quality Improvement Programme to improve quality of teaching faculty at PEC through short-term/long-term user-oriented certificate courses at ANITS. Faculty of ANITS could also be deputed to PEC for necessary guidance/mentoring in academic activities based on mutually convenient terms.
- b. Provide academic interaction by delivering lectures to students at PEC
- c. Provide necessary guidance in organizing Workshops/conferences and customized Faculty development programmes at PEC for enhancement of professional skills of faculty and students of PEC.
- d. Visiting and utilizing academic infrastructure and their latest facilities of research in ANITS by student and faculty members of PEC under the rules and regulations of ANITS.
- e. Mentoring and guidance for students, non-teaching and faculty members at different Centers and Incubators of ANITS in mutually agreeable scopes, terms and conditions.

### **3. Proposed modes of collaboration:**

ANITS and PEC propose to collaborate on the following based on mutually agreeable terms and conditions:

- a. Cooperation and promotion of education and training in areas of emerging areas.
- b. Any other appropriate mode of interaction agreed by ANITS and PEC.
- c. A specific plan will be worked out by the Institutes depending upon availability of resources.
- d. A specific agreement will be entered into for each activity, if necessary.

### **4. Terms and Conditions:**

- a. The expenses incurred in development of academic infrastructure at PEC will be borne by PEC.
- b. The financial arrangements for continuing education to PEC teachers and students will be made on mutually agreeable terms.
- c. Travel and other expenses of ANITS Faculty for the visits related to advice and mentoring shall be reimbursed by PEC.
- d. The faculty members and students of PEC will be granted permission to visit ANITS library facilities.
- e. This MoU may be amended, renewed and terminated by mutual written agreements of the Institutes at any time.

### **5. Confidentiality:**

- a. ANITS and PEC agree to hold in confidence all information/data designated by the Institutes as being confidential which is obtained from either institute or created during the execution of MoU and will not disclose to any third party without written consent of other Institute.
- b. The above confidential clause under this MoU excludes the information/data possessed by either Institute before entering into this MoU or independently developed and or information already available through public domain.

### **6. Duration of MoU and termination:**

This MoU will take effect from the date it is signed by representatives of two Institutes. It will remain valid for 01 Year and may be continued thereafter after suitable review and mutual agreement. Either Institution may terminate the MoU by giving written notice to the other Institution 03 months in advance. Once terminated, neither ANITS nor PEC will be responsible for any losses, financial or otherwise, which other Institutions may suffer. However, ANITS and PEC will ensure that all activities in progress are allowed to complete successfully.

### **7. Nomination of Coordinators:**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf.

### **8. Intellectual Property Rights:**

Intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the MoU will be worked out on case to case basis and will be consistent with officially laid down IPR policies of the two Institutes.

**9. Arbitration Clause:**

Dispute relating to any aspect of academic cooperation, Principal, ANITSCollege and Principal, PEC will jointly resolve the disputes, if any.

**10. Signed in duplicate:**

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Institutes acting by their duly authorized Officers have caused this MoU to be executed, effective as of the day written above.

This MoU is entered into on the day of 24th June 2021 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada (hereinafter called NRI) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first out going batch of dynamic young pharmacists in various esteemed Organizations. Is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada - Permanent affiliation and ISO Certified Institution.

**And**

**PRAGATI ENGINEERING COLLEGE** focuses on imparting skills on cutting – edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs. The courses are so structured which leads to a linear growth and progressive insight into the engineering subjects as well as training in soft skills. Since inception in 2001, in its quest to offer quality education, our college has become a temple of

knowledge and produced hundreds of eminent and skill full graduate engineers, who are successful in their careers, serving all over the world.

In the interest of establishing a relationship of mutual benefit to both organizations, NRI Insitute of Technology, Vijayawada (NRIIT) and Pragati Engineering College, Surampalem (PEC) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

### **1. Objectives:**

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and PEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and PEC through academic programs in instruction, research and faculty development among the faculty and students of both parties.

### **2. Scope**

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

#### **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written

agreement by both organizations.

## **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

## **2.3 Students Exchange**

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and PEC will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU.

The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

#### 5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MoU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

#### 6. Resolution of Disputes and Governing Law:

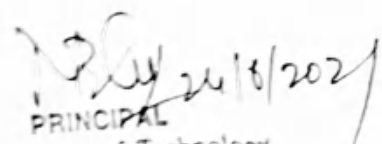

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MoU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

This MoU is entered into on the day of 17<sup>th</sup> June 2020 between JNTUH COLLEGE OF ENGINEERING MANTHANI (hereinafter called JNTUHCem) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

JNTUH COLLEGE OF ENGINEERING MANTHANI was established in the year 2010 as a Constituent College of Jawaharlal Nehru Technological University Hyderabad, vide G.O. Ms. No. 21, Higher Education (E.C.I) Department dated 25.03.2010 to provide Engineering Education to the rural youth of certain backward areas of Adilabad, Karimnagar, Nizamabad and Warangal of Telangana State.

JNTUH College of Engineering Manthani started functioning with five Undergraduate Programs viz., Civil Engineering, Electrical & Electronics Engineering, Mechanical Engineering, Computer Science & Engineering, and Mining Engineering. Students take admissions to UG programs through EAMCET. The total number of student's intake per annum is 347, out of these 5 branches, Civil Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Computer Science & Engineering and Computer Science & Engineering (AI&ML) each branch has an intake of 60 students and Mining Engineering has an intake of 30 students and added to this 5% quota i.e 3 students in CE, EEE, ME, CSE and CSE (AI&ML) and 2 students in Mining branch are selected through Singareni Admission as part of supernumerary quota.

The total sanctioned intake for UG program in all 6 branches is 1280. About 90 -95% students reside in the campus hostels. A high percentage of girls almost equal to boys take admissions in the college as well as reside in the hostels.

The college is having well equipped, state of the art laboratories in all the departments, about 180 CC cameras for security, Biometric entry/exit system for hostel students, one male and one female well qualified doctors are available in the dispensary, about 50 security staff is working in the campus. The auditorium has a capacity of 250 seats, open auditorium, RO drinking water system and supply from Mission Bhagiratha, Ambulance, SBI Bank Service Point, Sports grounds, street lights, Gym in hostels, and a 24x7 computer Lab.

This College has been supported by M/s. Singareni Collieries Company Limited for infrastructural development. As a social obligation, the University has permitted to provide 5% supernumerary seats in each discipline to the children's of the employees of the M/s. Singareni Collieries Company Limited.

And

**PRAGATI ENGINEERING COLLEGE** focuses on imparting skills on cutting - edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs. The courses are so structured which leads to a linear growth and progressive insight into the engineering subjects as well as training in soft skills. Since inception in 2001, in its quest to offer quality education, our college has become a temple of knowledge and produced hundreds of eminent and skill full graduate engineers, who are successful in their careers, serving all over the world.

In the interest of establishing a relationship of mutual benefit to both organizations, JNTUH COLLEGE OF ENGINEERING MANTHANI(JNTUHCem) and Pragati Engineering College, Surampalem (PEC) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

#### **1. Objectives:**

- 1.1. To contribute further to the regional understanding between faculty and staff of JNTUHCem and PEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between JNTUHCem and PEC through academic programs in instruction, research and faculty development among the faculty and students of both parties.

## **2. Scope**

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

### **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

### **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

### **2.3 Students Exchange**

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. JNTUHCEM and PEC will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

## **5. Coordinators:**

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary

approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

**PRAGATI ENGINEERING COLLEGE, SURAMPALEM,  
ANDHRA PRADESH**

This MoU is entered into on the day of 10th June 2020 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada (hereinafter called NRI) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first out going batch of dynamic young pharmacists in various esteemed Organizations. Is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada - Permanent affiliation and ISO Certified Institution.

And

**PRAGATI ENGINEERING COLLEGE** focuses on imparting skills on cutting – edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs. The courses are so structured which leads to a linear growth and progressive insight into the engineering subjects as well as training in soft skills. Since inception in 2001, in its quest to offer quality education, our college has become a temple of

knowledge and produced hundreds of eminent and skill full graduate engineers, who are successful in their careers, serving all over the world.

In the interest of establishing a relationship of mutual benefit to both organizations, NRI Institute of Technology, Vijayawada (NRIIT) and Pragati Engineering College, Surampalem (PEC) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

### **1. Objectives:**

- 1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and PEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between NRIIT and PEC through academic programs in instruction, research and faculty development among the faculty and students of both parties.

### **2. Scope**

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

#### **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written

agreement by both organizations.

## **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

## **2.3 Students Exchange**

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and PEC will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU.

The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

#### 5. Coordinators:

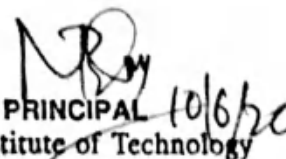

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

#### 6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

RENEWAL OF MEMORANDUM OF UNDERSTANDING  
Academic and Research Collaboration

Between  
ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY & SCIENCES (AUTONOMOUS),  
SANGIVALASA  
And  
PRAGATI ENGINEERING COLLEGE (AUTONOMOUS), SURAMPALEM

This MoU is entered into on the day of 19<sup>th</sup> August 2019 between Anil Neerukonda Institute of Technology & Sciences (Autonomous), situated at Sangivalasa (hereinafter called ANITS) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

**1. Objectives of the MoU:**

The objectives of this MoU are:

- To provide advice for improving technical education, academic research and continuing education activities at PEC
- To mentor and encourage faculty and students at PEC in academic activities in mutually agreeable areas of interest
- To exchange information on research and academics between ANITS and PEC in mutually agreeable areas of interest

**2. Areas of collaboration:**

- A continuing Quality Improvement Programme to improve quality of teaching faculty at PEC through short-term/long-term user-oriented certificate courses at ANITS. Faculty of ANITS could also be deputed to PEC for necessary guidance/mentoring in academic activities based on mutually convenient terms.
- Provide academic interaction by delivering lectures to students at PEC
- Provide necessary guidance in organizing Workshops/conferences and customized Faculty development programmes at PEC for enhancement of professional skills of faculty and students of PEC.
- Visiting and utilizing academic infrastructure and their latest facilities of research in ANITS by student and faculty members of PEC under the rules and regulations of ANITS.
- Mentoring and guidance for students, non-teaching and faculty members at different Centers and Incubators of ANITS in mutually agreeable scopes, terms and conditions.

### **3. Proposed modes of collaboration:**

ANITS and PEC propose to collaborate on the following based on mutually agreeable terms and conditions:

- a. Cooperation and promotion of education and training in areas of emerging areas.
- b. Any other appropriate mode of interaction agreed by ANITS and PEC.
- c. A specific plan will be worked out by the Institutes depending upon availability of resources.
- d. A specific agreement will be entered into for each activity, if necessary.

### **4. Terms and Conditions:**

- a. The expenses incurred in development of academic infrastructure at PEC will be borne by PEC.
- b. The financial arrangements for continuing education to PEC teachers and students will be made on mutually agreeable terms.
- c. Travel and other expenses of ANITS Faculty for the visits related to advice and mentoring, shall be reimbursed by PEC.
- d. The faculty members and students of PEC will be granted permission to visit ANITS library facilities.
- e. This MoU may be amended, renewed and terminated by mutual written agreements of the Institutes at any time.

### **5. Confidentiality:**

- a. ANITS and PEC agree to hold in confidence all information/data designated by the Institutes as being confidential which is obtained from either institute or created during the execution of MoU and will not disclose to any third party without written consent of other Institute.
- b. The above confidential clause under this MoU excludes the information/data possessed by either Institute before entering into this MoU or independently developed and or information already available through public domain.

### **6. Duration of MoU and termination:**

This MoU will take effect from the date it is signed by representatives of two Institutes. It will remain valid for 01 Year and may be continued thereafter after suitable review and mutual agreement. Either Institution may terminate the MoU by giving written notice to the other Institution 03 months in advance. Once terminated, neither ANITS nor PEC will be responsible for any losses, financial or otherwise, which other Institutions may suffer. However, ANITS and PEC will ensure that all activities in progress are allowed to complete successfully.

### **7. Nomination of Coordinators:**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf.

### **8. Intellectual Property Rights:**

Intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the MoU will be worked out on case to case basis and will be consistent with officially laid down IPR policies of the two Institutes.

**9. Arbitration Clause:**

Dispute relating to any aspect of academic cooperation, Principal, ANITS College and Principal, PEC will jointly resolve the disputes, if any.

**10. Signed in duplicate:**

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Institutes acting by their duly authorized Officers have caused this MoU to be executed, effective as of the day written above.

RENEWAL OF MEMORANDUM OF UNDERSTANDING  
Academic and Research Collaboration

Between  
ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY & SCIENCES (AUTONOMOUS),  
SANGIVALASA  
And  
PRAGATI ENGINEERING COLLEGE (AUTONOMOUS), SURAMPALEM

This MoU is entered into on the day of 2<sup>nd</sup> August 2018 between Anil Neerukonda Institute of Technology & Sciences (Autonomous), situated at Sangivalasa (hereinafter called ANITS) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

**1. Objectives of the MoU:**

The objectives of this MoU are:

- To provide advice for improving technical education, academic research and continuing education activities at PEC
- To mentor and encourage faculty and students at PEC in academic activities in mutually agreeable areas of interest
- To exchange information on research and academics between ANITS and PEC in mutually agreeable areas of interest

**2. Areas of collaboration:**

- A continuing Quality Improvement Programme to improve quality of teaching faculty at PEC through short-term/long-term user-oriented certificate courses at ANITS. Faculty of ANITS could also be deputed to PEC for necessary guidance/mentoring in academic activities based on mutually convenient terms.
- Provide academic interaction by delivering lectures to students at PEC
- Provide necessary guidance in organizing Workshops/conferences and customized Faculty development programmes at PEC for enhancement of professional skills of faculty and students of PEC.
- Visiting and utilizing academic infrastructure and their latest facilities of research in ANITS by student and faculty members of PEC under the rules and regulations of ANITS.
- Mentoring and guidance for students, non-teaching and faculty members at different Centers and Incubators of ANITS in mutually agreeable scopes, terms and conditions.

**3. Proposed modes of collaboration:**

ANITS and PEC propose to collaborate on the following based on mutually agreeable terms and conditions:

- a. Cooperation and promotion of education and training in areas of emerging areas,
- b. Any other appropriate mode of interaction agreed by ANITS and PEC.
- c. A specific plan will be worked out by the Institutes depending upon availability of resources.
- d. A specific agreement will be entered into for each activity, if necessary.

**4. Terms and Conditions:**

- a. The expenses incurred in development of academic infrastructure at PEC will be borne by PEC.
- b. The financial arrangements for continuing education to PEC teachers and students will be made on mutually agreeable terms.
- c. Travel and other expenses of ANITS Faculty for the visits related to advice and mentoring shall be reimbursed by PEC.
- d. The faculty members and students of PEC will be granted permission to visit ANITS library facilities.
- e. This MoU may be amended, renewed and terminated by mutual written agreements of the Institutes at any time.

**5. Confidentiality:**

- a. ANITS and PEC agree to hold in confidence all information/data designated by the Institutes as being confidential which is obtained from either institute or created during the execution of MoU and will not disclose to any third party without written consent of other Institute.
- b. The above confidential clause under this MoU excludes the information/data possessed by either Institute before entering into this MoU or independently developed and or information already available through public domain.

**6. Duration of MoU and termination:**

This MoU will take effect from the date it is signed by representatives of two Institutes. It will remain valid for 01 Year and may be continued thereafter after suitable review and mutual agreement. Either Institution may terminate the MoU by giving written notice to the other Institution 03 months in advance. Once terminated, neither ANITS nor PEC will be responsible for any losses, financial or otherwise, which other Institutions may suffer. However, ANITS and PEC will ensure that all activities in progress are allowed to complete successfully.

**7. Nomination of Coordinators:**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf.

**8. Intellectual Property Rights:**

Intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the MoU will be worked out on case to case basis and will be consistent with officially laid down IPR policies of the two Institutes.

**9. Arbitration Clause:**

Dispute relating to any aspect of academic cooperation, Principal, ANITS College and Principal, PEC will jointly resolve the disputes, if any.

**10. Signed in duplicate:**

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Institutes acting by their duly authorized Officers have caused this MoU to be executed, effective as of the day written above.

This MoU is entered into on the day of 4th June 2018 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada (hereinafter called NRI) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first out going batch of dynamic young pharmacists in various esteemed Organizations. Is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada - Permanent affiliation and ISO Certified Institution.

And

**PRAGATI ENGINEERING COLLEGE** focuses on imparting skills on cutting – edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs. The courses are so structured which leads to a linear growth and progressive insight into the engineering subjects as well as training in soft skills. Since inception in 2001, in its quest to offer quality education, our college has become a temple of

knowledge and produced hundreds of eminent and skill full graduate engineers, who are successful in their careers, serving all over the world.

In the interest of establishing a relationship of mutual benefit to both organizations, NRI Insitute of Technology, Vijayawada (NRIIT) and Pragati Engineering College, Surampalem (PEC) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

### **1. Objectives:**

- 1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and PEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between NRIIT and PEC through academic programs in instruction, research and faculty development among the faculty and students of both parties.

### **2. Scope**

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

#### **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written

agreement by both organizations.

## **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

## **2.3 Students Exchange**

**Short Courses/ Summer School:** These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and PEC will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU.

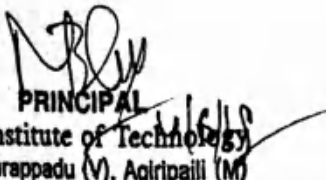

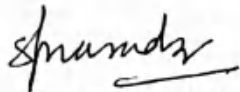

The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

#### 5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

#### 6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**MEMORANDUM OF UNDERSTANDING**  
Academic and Research Collaboration

Between  
ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY & SCIENCES (AUTONOMOUS),  
SANGIVALASA  
And  
PRAGATI ENGINEERING COLLEGE (AUTONOMOUS), SURAMPALEM

This MoU is entered into on the day of 24<sup>th</sup> August 2017 between Anil Neerukonda Institute of Technology & Sciences (Autonomous), situated at Sangivalasa (hereinafter called ANITS) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

**1. Objectives of the MoU:**

The objectives of this MoU are:

- a. To provide advice for improving technical education, academic research and continuing education activities at PEC
- b. To mentor and encourage faculty and students at PEC in academic activities in mutually agreeable areas of interest
- c. To exchange information on research and academics between ANITS and PEC in mutually agreeable areas of interest

**2. Areas of collaboration:**

- a. A continuing Quality Improvement Programme to improve quality of teaching faculty at PEC through short-term/long-term user-oriented certificate courses at ANITS. Faculty of ANITS could also be deputed to PEC for necessary guidance/mentoring in academic activities based on mutually convenient terms.
- b. Provide academic interaction by delivering lectures to students at PEC
- c. Provide necessary guidance in organizing Workshops/conferences and customized Faculty development programmes at PEC for enhancement of professional skills of faculty and students of PEC.
- d. Visiting and utilizing academic infrastructure and their latest facilities of research in ANITS by student and faculty members of PEC under the rules and regulations of ANITS.
- e. Mentoring and guidance for students, non-teaching and faculty members at different Centers and Incubators of ANITS in mutually agreeable scopes, terms and conditions.

### **3. Proposed modes of collaboration:**

ANITS and PEC propose to collaborate on the following based on mutually agreeable terms and conditions:

- a. Cooperation and promotion of education and training in areas of emerging areas.
- b. Any other appropriate mode of interaction agreed by ANITS and PEC.
- c. A specific plan will be worked out by the Institutes depending upon availability of resources.
- d. A specific agreement will be entered into for each activity, if necessary.

### **4. Terms and Conditions:**

- a. The expenses incurred in development of academic infrastructure at PEC will be borne by PEC.
- b. The financial arrangements for continuing education to PEC teachers and students will be made on mutually agreeable terms.
- c. Travel and other expenses of ANITS Faculty for the visits related to advice and mentoring shall be reimbursed by PEC.
- d. The faculty members and students of PEC will be granted permission to visit ANITS library facilities.
- e. This MoU may be amended, renewed and terminated by mutual written agreements of the Institutes at any time.

### **5. Confidentiality:**

- a. ANITS and PEC agree to hold in confidence all information/data designated by the Institutes as being confidential which is obtained from either institute or created during the execution of MoU and will not disclose to any third party without written consent of other Institute.
- b. The above confidential clause under this MoU excludes the information/data possessed by either Institute before entering into this MoU or independently developed and or information already available through public domain.

### **6. Duration of MoU and termination:**

This MoU will take effect from the date it is signed by representatives of two Institutes. It will remain valid for 01 Year and may be continued thereafter after suitable review and mutual agreement. Either Institution may terminate the MoU by giving written notice to the other Institution 03 months in advance. Once terminated, neither ANITS nor PEC will be responsible for any losses, financial or otherwise, which other Institutions may suffer. However, ANITS and PEC will ensure that all activities in progress are allowed to complete successfully.

### **7. Nomination of Coordinators:**

Each institution shall appoint one member of its teaching/research faculty to coordinate the programme on its behalf.

### **8. Intellectual Property Rights:**

Intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the MoU will be worked out on case to case basis and will be consistent with officially laid down IPR policies of the two Institutes.

**9. Arbitration Clause:**

Dispute relating to any aspect of academic cooperation, Principal, ANITS College and Principal, PEC will jointly resolve the disputes, if any.

**10. Signed in duplicate:**

This MoU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Institutes acting by their duly authorized Officers have caused this MoU to be executed, effective as of the day written above.
