REPORT ON ROBOTICS CLUB EVENT **ONLINE QUIZ ON INTRODUCTION TO ROBOTICS**

As part of the Industry 4.0 Clubs, the Robotics Club of Pragati Engineering College conducted an Online Quiz on **Introduction to Robotics** in association with Career Guidance Cell on 08-12-2023 for the students of Department of Mechanical Engineering and Department of Electronics and Communications Engineering. A total of 104 students of II and III B.Tech have participated in the Quiz.

The quiz aimed to test participants' understanding of the fundamentals of robotics. The quiz was conducted online using google forms where participants allowed to answer a series of multiple-choice questions within a specified time limit. The questions were carefully designed to cover a broad range of topics related to the introduction of robotics. Participants were tested on their understanding of the basic concepts, history, and applications of robotics. Questions focused on the significance of robotics in modern industries and the integration of robotic systems in everyday life.

The online quiz was conducted for a duration of 30 minutes. Participants were required to answer 30 multiple-choice questions within the given time frame. Each correct answer was awarded one point, and there was no negative marking for incorrect responses.
