## Report on "Dynamic Events in Go-Karting"

Date: 14.11.2023

A One-day programme on 14<sup>th</sup> November 2023 about Dynamic Events in the Go-Karting which was organized by Go-Kart Club in association with IE (I) Local chapter of Mechanical Engineering Department, Pragati Engineering College.

In this seminar student coordinators and Faculty Coordinator of Go-Kart club of our college, Mr B. Bharath Kumar, Mr A. Hemanth Raja, Mr P. Sarath and Mr D. Ashish Varma, they have explained about the dynamic events which are conducted in the Go-Karting events to the following students and they taught them about the manufacturing of kart. Students were instructed about the Fabrication of Go-kart. For this session a total of 20 students of mechanical department has attended.

Students has gained the knowledge about the dynamic events in the Go-Karting and how to overcome the problems during the events and also guided them what the steps are involved in the manufacturing of kart and the material which is used to Fabricate the kart. And also we have guided the students about the Manufacturing of Go-kart and about the parts where we can get the best quality and less price. Students were motivated to look over the Go-Kart club for the upcoming years and motivated them to participate in every Events of Go-Kart.

Mr. B.Bharath Kumar, faculty Co-ordinator of Go-Kart club, Mechanical Engineering Department, appreciated the students for their efforts.
