Dear Sirisha Doppalapudi:

It is a pleasure to advise you that Sirisha D, a member of your organization, has been elevated to the grade of Senior Member of IEEE this year.

Senior Member is the highest professional grade of IEEE for which a member may apply. It requires extensive experience, and reflects professional accomplishment and maturity. Only 10% of our more than 400,000 members have achieved this level.

We are very pleased to have Sirisha D join the elite rank of IEEE Senior Members – both Sirisha D and you should be proud of the professional achievements that led to this recognition. We look forward to additional contributions and successful projects and discoveries made by or associated with our new Senior Member.

Sincerely,

Susan K. (Kathy) Land
2021 IEEE President and CEO
