*"Education is the most powerful weapon we can use to change the world"*

Right to Education has been recognized right all over the world, But of the people aren't aware of this and are discontinuing their Education in their teenage.

As a part of Swachh Bharat Internship inaugurated on 11/6/18 few our team members participated in motivating the students who dropped out from the primary and secondary school of Surampalem, Gandepalli Mandal.

The volunteers took the list of students from the school who dropped school due to various reasons and visited their houses and questioned them about the reasons of dropping out from the school and explained the importance of education.

Few of the droupouts are continuing their education in other private schools while few of them are shifted to various cities. Some of the dropout students aren't attending the school for long time and were helping their parents in earning money for their daily routines.

The volunteers motivated the droupouts to attend school regularly by explaining them the importance of education. Out of 19 students, 10 students got motivated and promised to attend the school regularly.

Books constitute capital. A Library book lasts as long as a house, for hundreds of years. It is not, then, an article of mere consumption but fairly of capital, and often in the case of professional men, setting out in life, it is their only capital. He elected two villagers to spread the village regarding awareness of liquor.

## 11. Independence Day with innocent Hearts

**Date:** 15-08-2018.

**Venue:** Venkataratnapuram, Kakinada.

**Planning:** First we had planned to go to a physically disabled school cum orphanage on the occasion of 72nd independence day celebrations. There we met the head of that school and we seek permission to spend some time with the girls. Then we intimated about the event to our club members. As informed to our rotaractors they are super excited to be a part of the event.

**Event description :** First we went to the Maharshi Sambamurthy handicapped school around 4pm and then there we distributed some fancy items and chocolates to girls as it planned to give. And then conducted some activities like finding out the actors by giving some hints to that deaf and dumb girls. Later we have interacted with everyone and knew about their talents and make their talents proved by giving chance to perform cultural like singing, dancing etc.,

## 13. Rakshabandhan celebrations with orphanage kids

Date: 26-8-2018

Venue: Bethel Orphanage; near Ambedhkarbhavan; Kakinada.

**Event Description:** As planned earlier we have informed about the event to our fellow rotaractors. Then on the day of event we have reached the venue by 2:30pm as soon we thought that all our club members have arrived we marched into the orphanage with sweets and Rakhis. While all our club members are mostly fascinated about the event with those innocent hearts we didn't stray for a second we started interacting with the kids and then told about the purpose and they are totally overwhelmed with our surprise visit. Well firstly all the girls of our club have tied Rakhis to the kids then followed by the orphanage girls to our club boys. Thus we are very happy to be part of this event. That innocence; love shown to us by the kids have driven us to utmost happiness. Finally we have winded up by 4:30pm in the evening.

## 14. AABHYAS

VENUE: ZPH, High School, samalkota Date: 05-09-2018

**Planning:** On account of teachers day we planned to conduct the event and took permission of the head mistress. She supported us well in enhancing the children towards education and creating awareness about literacy and announcing the event in our group and collecting the interested members.

### Description:

- On 5th Sep all the Rotaractors assembled at the schools at 10:00Am.
- Firstly, we interacted with the children so that they feel comfortable with our session.
- Next, we had given a lecture about things that can be reused by simply altering rehash.
- After that, our Rotaractors shared the knowledge about literacy and importance of education with the students.
- Then, we divided the children into batches of 2 and conducted a quiz, and some other games.
- Students participated with great enthusiasm.
- AT last we had given small prizes for the winner team and distributed chocolates for participants
