NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1 Establishment of Academic Cooperation

- 1.1 The Parties herewith establish an academic co-operation for the Term (as defined below) and shall have the right to refer to each other as "Academic Co-operation Partners".
- 1.2 The Parties shall each define a designated primary contact person for the purposes of performance and management of the Agreement. Changes of the designated contact person shall be notified to the other Party in e-mail or in writing without undue delay.

Academic Co-Operation Agreement (May 2022)

1

Celonis' Obligations 2

- 21
- During the Term, Celonis shall make available to 211
 - each of University's students and other academic users (the "Academic Users"); 2.1.2

University for the purposes of educating its own personnel and creating respective curricular materials, analyses and related information

academic versions of its relevant then-currently available academic software, cloud services and related product(s) for process mining (the "Academic Product(s)") under its then-current academic use terms (available under https://www.celonis.com/termsand-conditions, such terms referenced as the "Academic Use Terms").

For clarity, in relation to the rights of use under Section 2.1.1, the Academic Use Terms will be entered directly and individually between each Academic User and Celonis. In relation to the rights in Section 21.2, University shall have the right to invite its personnel as permitted users in accordance with the respective Academic Use Terms.

- 2.2 University acknowledges that nothing in this Agreement is intended to be binding on Celonis regarding any course of business, product strategy, and/or development, and that Celonis shall remain free to modify, exchange or discontinue providing any specific technology to University or the public in general, it being understood that an Academic Product will remain available to University's Academic Users as long as Celonis continues its academic program in general and offers its technology for licensing by Academic Users.
- 2.3 Celonis shall make available online training courses to University's academic personnel and system administrators in charge of the relevant curricular activities. The scope, duration and frequency of such courses, and the number of University personnel admitted to such trainings shall be defined by Celonis in its reasonable discretion. Additional training outside the scope of free training offered by Celonis requires prior separate agreement between the Parties and will be charged to University at Celonis' then-current training rates.
- Celonis and University may agree on additional activities to be performed by Celonis in 24 view of the Academic Partnership during the Term, including workshops or academic presentations and tutorials in which Celonis' personnel may educate University personnel and/or Academic Users in relation to the Academic Products. Scope, duration, frequency, reimbursement of expenses and other costs for such additional activities are subject to prior agreement between the Parties.
- ANY CELONIS MATERIALS MADE AVAILABLE TO UNIVERSITY UNDER THIS AGREEMENT ARE 2.5 PROVIDED 'AS IS' AND WITHOUT WARRANTY, AND ONLY FOR THE TERM OF THE AGREEMENT.

3 University's Obligations

Subject to Celonis' continued compliance with providing the Academic Product to 3.1 Academic Users, University shall include the Academic Products into its curricular activities and educate Academic Users in related academic fields. The contents and

Where Celonis Schema are made available to University, University is granted for the Term of this Agreement a limited, non-

exclusive, revocable license to use and modify the Celonis Schema for purposes of Conducting internal training of its personnel and providing curricular activities on the Academic Products, and performing its other rights and obligations defined in this Agreement. University will be owner of all right, title and interest in and to any Modifications University makes to the Celonis Schema, subject, always, to Celonis' underlying ownership interest in and to all of the Academic Products and Celonis materials from which University's modifications derive.

5

Personal Data and Data Security

For clarity, if University or Academic Users utilize the Academic Products made available under this Agreement with any Personal Data, then Annex B (Data Processing Agreement) of Celonis' Cloud Services Agreement as referenced by the Academic Use Terms shall apply to provide Celonis and University's (respectively Academic User's) respective obligations with respect to the protection and security of such Personal Data. For purposes of this Agreement, (i) "Personal Data" means any data and information relating to an identified or identifiable living individual person as defined under applicable Data Protection Laws; and (ii) "Data Protection Laws" means all laws, rules, regulations, decrees, or other enactments, orders, mandates, or resolutions relating to privacy, data security, and/or data protection, and any implementing, derivative or related legislation, rule, and regulation as amended, extended, repealed and replaced, or re-enacted, as well as any applicable industry self-regulatory programs related to the collection, use, disclosure, and security of personal information.

6 Term and Termination

- The Agreement shall commence on the date of signature by both Parties (the "Effective 6.1 Date") and shall continue in effect for a period of twenty-four (24) months (the "Initial Agreement Term"). It and shall thereafter, subjection to Section 6.2, automatically renew for additional twelve (12) months' terms each (each a "Renewal Agreement Term", the Initial Agreement Term and all Renewal Agreement Terms together, the "Agreement Term") unless terminated in accordance with the following provisions.
- Either Party may, for its convenience, elect to not renew this Agreement by providing the 6.2 other Party with six (6) months' prior written notice prior to the end of the then-current Agreement Term.
- Either Party may terminate this Agreement for cause if: 6.3
 - the respective other Party neglects or fails to perform a material obligation, and 6.3.1 such neglect or failure continues un-remedied for a period of thirty (30) days after written notice is sent to the defaulting Party by the other Party; or
 - the respective other Party becomes insolvent; proposes any dissolution, 6.3.2 liquidation, composition, financial reorganization or similar proceedings with respect to its property or business, and such continues un-remedied for a period of one (1) month after written notice is sent by Party.

Δ

gr

The right of Celonis to terminate further includes, without limitation, situations where: University enters into a co-operation or similar form of partnership as the one contemplated in this Agreement with a direct competitor of Celonis.

- 6.4 The termination right in Section 6.3.2 and Celonis' termination right in the event of a cooperation with a competitor do not amount to a termination for breach of contract which may entitle the terminating Party to damages, i.e. in case a Party exercises these termination rights, it may not claim damages from the respective other Party.

As a social obligation, the University has permitted to provide 5% supernumerary seats in each discipline to the children's of the employees of the M/s. Singareni Collieries Company Limited.

And

PRAGATI ENGINEERING COLLEGE focuses on imparting skills on cutting - edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs. The courses are so structured which leads to a linear growth and progressive insight into the engineering subjects as well as training in soft skills. Since inception in 2001, in its quest to offer quality education, our college has become a temple of knowledge and produced hundreds of eminent and skill full graduate engineers, who are successful in their careers, serving all over the world.

In the interest of establishing a relationship of mutual benefit to both organizations, JNTUH COLLEGE OF ENGINEERING MANTHANI(JNTUHCEM) and Pragati Engineering College, Surampalem (PEC) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of JNTUHCEM and PEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between JNTUHCEM and PEC through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

ł

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

- 1. Developing research projects jointly and avail funding
- 2. Exchange of academic information, materials and facilities
- 3. Students Exchange
- 4. Faculty and Staff Exchange
- 5. Research aid to Ph.D. scholars by both parties
- 6. Intellectual property rights of the collaboration work belonging to both parties
- 7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
- 8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
- 9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industryoperations and culture, the course would include meetings with industry executives, and visitsto various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. JNTUHCEM and PEC will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc. Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. BETWEEN

NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA,

ANDHRA PRADESH

AND

PRAGATI ENGINEERING COLLEGE, SURAMPALEM, ANDHRA PRADESH This MoU is entered into on the day of 24th June 2021 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada (hereinafter called NRI) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private selffinancing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first out going batch of dynamic young pharmacists in various esteemed Organizations. Is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution.
