This MoU is entered into on the day of 23rd December 2019 between Srinivasa Institute of Technology & Science (hereinafter called SITS) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Anantapur.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

1. Objectives of the MoU:

The objectives of this MoU are:

- a. To provide advice for improving technical education, academic research and continuing education activities at PEC
- b. To mentor and encourage faculty and students at PEC in academic activities in mutually agreeable areas of interest
- c. To exchange information on research and academics between SITS and PEC in mutually agreeable areas of interest
- d. Access to Centers of Excellence of the college
- e. To utilize the expertise of senior faculty as Resource persons.
- f. To plan a joint research and collaborative activity on mutual benefits

2. Areas of collaboration:

- a. A continuing Quality Improvement Programme to improve quality of teaching faculty at PEC through short-term/long-term user-oriented certificate courses at SITS. Faculty of SITS could also be deputed to PEC for necessary guidance/mentoring in academic activities based on mutually convenient terms.
- b. Provide academic interaction by delivering lectures to students at PEC
- c. Provide necessary guidance in organizing Workshops/conferences and customized Faculty development programmes at both the colleges for enhancement of professional skills of faculty and students of SITS & PEC.
- d. Visiting and utilizing academic infrastructure and their latest facilities of research in SITS by student and faculty members of PEC under the rules and regulations of SITS.
- e. Mentoring and guidance for students, non-teaching and faculty members at different Centers and Incubators of SITS in mutually agreeable scopes, terms and conditions.

The Agreement is executed on this 03 day of July 2018 (Effective Date) by and between.

Andhra Pradesh State Skill Development Corporation, having its Corporate Office at D.No.78/2, G&J Infra Infosight Building, Near Pathuru Junction, Tadepalli - 522501 herein referred to as "APSSDC" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by its Authorized Signatory of the first part;

And

PRAGATI ENGINEERING COLLEGE having its corporate office at **ADB Road, Near Kakinada, Surampalem, East Godavari, Andhra Pradesh 533437** herein after called **PRG EC, Surampalem** (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by the **CHAIRMAN** of the second part;

APSSDC and College shall herein after be collectively referred to as Parties and individually as first/second Party.

WHEREAS:

APSSDC is a unique organization formed as a public private partnership (PPP) corporation to promote skill-development & entrepreneurship in the state of Andhra Pradesh. APSSDC is the Executive Agency for the Department of Skill Development, Entrepreneurship and Innovation, Govt. of Andhra Pradesh (GoAP) serving the important task of providing high quality skilled manpower as part of the Knowledge and Skills Mission of GoAP. The main objective of the Corporation is to implement a structured and pragmatic solution to skill & upskill the workforce in the State of Andhra Pradesh and to increase employability and promote entrepreneurship in sync with Industrial growth of the State. The process of developing large pool of skilled manpower has been envisaged in partnership with industry to make the skill development mission more industry relevant and self-sustainable. In the process of achieving these goals, the GoAP has

incorporated APSSDC as a special corporate which shall strive for the appropriate and demand driven Skill Development.

APSSDC in its several meetings have discussed and decided to achieve the goal of skill development with participative approach of the stakeholders' viz. the Government, Industry, academic institutions, youth and all other stakeholders. This participative approach will go a long way in accomplishing the task in economical, appropriate proportions with relevance in the shortest period. The APSSDC would provide the extra infrastructural requirements at the selected academic institutions in order to extend the skilling activities and thus realizing the objectives of APSSDC. In this process, the APSSDC has selected some of the leading Engineering Colleges/Govt. Polytechnics/Industry associated training institutions for providing the additional infrastructural facilities required for running the Skill Development programs.

APSSDC and the College/ Institution which is selected for CM's Skill Excellence Center (SEC) - ICT Lab have mutually discussed and agreed to enter into this agreement as detailed hereinafter.

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

2.1 DEFINITIONS:

In this Agreement, the following expressions shall have the meaning stated herein:

"Agreement" shall mean this agreement executed between APSSDC and College and shall include any written modifications thereof and the schedules attached hereto.

"Applicable Law" shall mean all the laws national and international, enacted or brought into force as the case may be and enforced by the GoI or GoAP as the case may be, and the regulations and notifications made there under and judgments, decrees, injunctions, writs and orders of any court of record, as may be in force and effect.

"CM's Skill Excellence Centre - ICT Lab" shall mean multi-skill focused Centres of Excellence (CoE) at reputed Engineering Colleges in CSE, IT, ECE, EEE, Mechanical and Civil streams. These CM's Skill Excellence Centers - ICT Labs will be selected.

established and implemented by APSSDC in active collaboration and assistance from the host College, as per the terms of this Agreement.

"GoAP" means the Government of Andhra Pradesh and its concerned department, Skill Development Entrepreneurship & Innovation

"Equipment" means/includes Laptops, Projector, Wi-Fi routers, Audio system

3. SCOPE OF SERVICES / PROJECT

- a. To make qualitative improvements in imparting Technical Skills by setting up or providing:
 - Infrastructure in college laboratories by adopting latest technologies in engineering streams of CSE, IT, ECE, EEE, Mechanical and Civil to serve the needs of the industry;
 - Skill up-gradation of faculty by imparting training;
 - **CM's Skill Excellence Centre - ICT Labs** to focus on training students in line with the latest industry needs and make them more employable
- b. **Promote Industry** - Academia interfacing to make improvements in Technical Skills sustainable and in line with Industry requirements.
- c. **Train students to improve employability** - Improved placements of students in colleges and enable the students to compete and succeed in national employment market with better remuneration and professional growth.
- d. Create a pool of skilled manpower to cater to the current and future industrial and service sector needs.
- e. Follow Guidelines and procedures prescribed / as may be prescribed from time to time by APSSDC for implementation.

**RENEWAL OF
MEMORANDUM OF UNDERSTANDING**

BETWEEN

NRI INSTITUTE OF TECHNOLOGY

AND

PRAGATI ENGINEERING COLLEGE

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

**NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA,
ANDHRA PRADESH**

AND

**PRAGATI ENGINEERING COLLEGE, SURAMPALEM,
ANDHRA PRADESH**

This MoU is entered into on the day of 20th June 2019 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, Vijayawada (hereinafter called NRI) and Pragati Engineering College (Autonomous), Surampalem (hereinafter called PEC), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada.

The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008¹ are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first out going batch of dynamic young pharmacists in various esteemed Organizations. Is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada - Permanent affiliation and ISO Certified Institution.

And

PRAGATI ENGINEERING COLLEGE focuses on imparting skills on cutting – edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs. The courses are so structured which leads to a linear growth and progressive insight into the engineering subjects as well as training in soft skills. Since inception in 2001, in its quest to offer quality education, our college has become a temple of

knowledge and produced hundreds of eminent and skill full graduate engineers, who are successful in their careers, serving all over the world.

In the interest of establishing a relationship of mutual benefit to both organizations, NRI Insitute of Technology, Vijayawada (NRIIT) and Pragati Engineering College, Surampalem (PEC) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and PEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and PEC through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written

agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and PEC will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU.

The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.
