## A REPORT ON

### "Types of Ragging & Related Acts"(08-08-2019)

The seminar on "Types of Ragging & Related Acts" was organized jointly by the Police Department and Dr. S. Sambhu Prasad, a renowned psychologist and social activist, with the aim of raising awareness about the detrimental effects of ragging and the legal consequences associated with such activities. The event took place on 08-08-2019 at Seminar Hall-I. The attendees are I and II year students along with Faculty

The seminar began with an introduction by the organizers, emphasizing the importance of creating a safe and inclusive environment within educational institutions. Dr. S. Sambhu Prasad highlighted the significance of recognizing and addressing the issue of ragging, which can severely impact the mental and emotional well-being of students.

**Understanding Ragging:** Dr. S. Sambhu Prasad delivered a comprehensive presentation explaining the various forms of ragging that exist in educational institutions. He categorized ragging into verbal, physical, psychological, and sexual types, highlighting that all of them are equally damaging and unacceptable.

1. **Verbal Ragging:** It involves using offensive language, teasing, and humiliation to belittle and demoralize fellow students.
2. **Physical Ragging:** This form includes physical abuse, such as hitting, slapping, or physically harassing new students.
3. **Psychological Ragging:** Psychological ragging targets the mental well-being of students through fear, threats, and intimidation.
4. **Sexual Ragging:** It involves any form of unwanted sexual advances, comments, or gestures that violate a student's personal space and dignity.

**Impact of Ragging on Students:** The seminar emphasized the grave consequences of ragging on students' mental health, academic performance, and overall development. Many victims of ragging experience anxiety, depression, and a loss of confidence, leading to a decline in academic performance and an increased likelihood of dropping out of college.

**Legal Aspects and Consequences:** Representatives from the Police Department presented the legal aspects related to ragging and the measures taken to curb such activities. They highlighted that ragging is a criminal offense under the provisions of the Anti-Ragging Act, and strict actions are taken against perpetrators.

1. **Anti-Ragging Act:** The act prohibits any form of ragging, both within and outside educational institutions, and mandates strict penalties for those found guilty.
2. **Punitive Actions:** Perpetrators of ragging can face punishments ranging from fines to expulsion from the institution, and in severe cases, they may even face imprisonment.

**Preventive Measures and Support Systems:** To prevent ragging, the seminar emphasized the importance of creating a positive and inclusive campus environment. Organizing orientation programs for new students to make them aware of the consequences of ragging and to encourage them to report any incidents. Establishing counseling services and help lines to support victims of ragging and provide a safe space for them to seek assistance. Forming student committees to monitor and report any instances of ragging on campus.

**Conclusion:** The seminar on "Types of Ragging & Related Acts" served as a crucial platform to spread awareness about the harmful effects of ragging on students and the legal ramifications associated with such acts. The Police Department and Dr. S. Sambhu Prasad emphasized the significance of fostering a culture of respect and empathy within educational institutions to create a safe and nurturing environment for all students.

## A REPORT ON

### “Maintaining Discipline and Time Management for Academic Excellence”

(01-07-2017)

The seminar on "Maintaining Discipline and Time Management for Academic Excellence" was conducted at Pragati Engineering College on 01-07-2017. The objective of this seminar was to equip students with valuable insights and practical strategies to improve their academic performance by cultivating discipline and effective time management skills.

Dr. P. Krishna Rao, Chairman of Pragati Engineering College was invited resource person by the department of BS&H to create awareness to the students. 180 students selected from different branches attended the session.

In his address Dr. P. Krishna Rao said Pragati Engineering College focuses on imparting skills on cutting – edge technologies and shaping the students into disciplined young citizens of good character and lays emphasis on practical experience so as to enable them to secure employment in industry thereby to become entrepreneurs.

**Session 1: Dr.S.Sambhu Prasad, Principal** began with an exploration of the significance of discipline in academic life. He emphasized that discipline is the cornerstone of success, enabling students to stay focused, organized, and committed to their goals. A disciplined approach empowers students to overcome distractions, procrastination, and other hurdles that hinder their academic progress.

**Dr.S.Sambhu Prasad** introduced the key components of effective time management, including setting clear goals, prioritizing tasks, creating a schedule, and avoiding time-wasting activities. Students were encouraged to analyze their daily routines and identify areas where time could be utilized more efficiently.

A crucial aspect of academic excellence is having a well-structured study schedule. During this session, students learned the art of creating personalized study timetables that considered their individual learning preferences, strengths, and weaknesses. The facilitator emphasized the importance of allocating sufficient time for revision and breaks to maintain optimal productivity.

He congratulated students for attending the session and asked these students to act as ambassadors to propagate these guidelines to all the fellow students. Mr. P Raj Shekhar Phaneendra, HOD BS&H, Mr. JD Naidu, 1 year Discipline Coordinator.
