DEPARTMENT of BASIC SCIENCES & HUMANITIES

Science Quest

**July to December
2023**

VOLUME-24

ABOUT DEPARTMENT

VISION

Objective: To assist all the Engineering Programmes in solving the engineering problems and to enable the students to master the basic concepts of Sciences and Communication Skills.

To Emerge as a Premier Institution for Technical Education in the Country through Academic Excellence and to be Recognized as a Center for Excellence in Research and Development, catering to the needs of our Country.

MISSION

To realize a strong Institution by consistently maintaining State -of -art infrastructure and building a cohesive , world class Team and provide need based Technical education Research And development through enhanced Industry Interaction

PRESS REPORT

Anti Drug Awareness Programme AT PRAGATI

“Anti Drug Awareness Programme was organized by the NSS Unit of the Pragati Engineering College on 17th August 2023. Sri. Prema Kajal, Special Enforcement Bureau, Additional SC, Jaggampeta CI B. Surya appa Rao, Gandepalli SSI Y. Ganesh Kumar were present for the programme. This programme is organized to create awareness among youth on ill effects of drugs addiction and criminal laws framed who are found taking or encouraging drugs.

Life is ruined by intoxication

State Enforcement Beureau Additional SC Prema Kajal said that intoxication is ruining the lives of youth. She spoke at an awareness conference on drug prevention held at Surampalem Pragathi Engineering Ring College, Gandepalli mandal on Thursday. He said that engineering is a good opportunity to grow higher in life, but with bad friendships, youth are addicted to addictions. Jaggampeta CI B. Suryatappa Rao, Gandepalli SSI Y. Ganesh Kumar and the teaching staff of the college participated.

Dr.Paruchuri Krishna Rao, Chairman of the College in his message said that it is a high time to enlighten our youth about the dangerous habit of drug abuse. I, therefore, request all the students to refrain themselves completely from the consumption of drugs before it destroys their health, future and takes away their lives.. So think wise and act smart. Shape your future which seems bright and full of achievements.

Sri Y Ganesh Kumar Gandepalli SI speaking to students said that Drugs are substances that change a person's mental or physical state. They can affect the way your brain works, how you feel and behave, your understanding and your senses. Drug abuse has become the most common thing these days and many youth are destroying their lives by getting addicted to drugs. It's very important to sensitize our youth on the subject of drug abuse. They are ruining the lives of our youth and putting their future in a great darkness. The use of drugs is making their lives vulnerable and prone to destruction. I thank Pragati Engineering College Management and students for actively taking part in this awareness programme for spreading the message “Say No to Drugs”.

Kirlampudi: SCI P UmaMaheshwara Rao said that some criminals are using the increasing Sanketi Kata in an aggressive way and committing frauds, and people should be fully aware of such things. He was speaking at an awareness program organized by Nirva Additional SP Prema Kajalhint at Gedda Napalli village in the mandal on Thursday. If there are any strange people roaming in the village, they should immediately inform the police. Ganja and Natu Sarah are being transported. SSI suggested to inform the police immediately after selling. Public representatives participated.

All II B.Tech students along with NCC,NSS Students attended the programme

Report on World Animal Day

Date:04-10-2023

World Animal Day celebrated globally on 4th October each year, provides an opportunity to recognize the remarkable diversity of life on Earth and the critical role that animals play in our ecosystems. The goal of this year's World Animal Day is to elevate animal care standards globally by promoting animal rights. Animals should always be acknowledged as sentient creatures.

Department of Environmental sciences in Pragati Engineering College organized "World Animal Day". In this regard we conducted the pledge on 4 October, 2023.

Report on Chandrayaan-3 Maha Quiz

Date: 05/10/2023

On August 23 this year, the ISRO made Indians proud as Chandrayaan-3 made a smooth landing on the Moon's South Pole. Chandrayaan-3's successful landing has placed India alongside countries like the US, China and Russia as one of the few countries to accomplish a safe Moon landing. Chandrayaan 3 was an iconic achievement of India and to make this event more memorable ISRO invited candidates for Chandrayaan 3 maha quiz with exciting awards. Anyone can participate in this quiz and register on the online website. The registration started from 1 September 2023 and results will be available after attempting the quiz. Some experts have also released their answers on Chandrayaan Maha Quiz. Contestants will also get a certificate after attempting the quiz along with the Chandrayaan Maha Quiz Result. Pragati Engineering college encouraged all the students and staff to participate in it.

Students and Faculty of Pragati Engineering College, Surampalem has actively participated in this quiz. Total 438 students and 7 faculty members participated in the quiz competition.

Subject: Chandrayaan3 Maha Quiz being organised at MyGov Platform -Regarding

Dear Madam/Sir,
Greetings from All India Council for Technical Education (AICTE)!

We are excited to announce that the Hon'ble PM, during his address to ISRO scientists on 23rd August, declared the launch of the Chandrayaan-3 Maha Quiz on the MyGov platform starting from September 1st, 2023. The quiz is designed to engage and educate students about India's lunar mission, and we highly encourage participation.

MyGov has diligently prepared this quiz and is poised to promote it among their registered 30.26 million users and 9.8 million social media followers. To participate, candidates must create an individual account on MyGov. All participants will receive a downloadable participation certificate, while winners will be awarded cash prizes. To register, please visit [<https://isroquiz.mygov.in/>].

As Higher Education Institutions (HEIs) play a vital role in knowledge creation and dissemination, we kindly request you to encourage faculty members, researchers, students, and other stakeholders to actively participate in the Chandrayaan-3 Maha Quiz at the MyGov platform.

We appreciate your support in spreading awareness about this exciting opportunity.

Best regards,
With regards
Dr.N.H.Siddalingaswamy
Advisor II (Regulation Bureau)

REPORT

Seminar on

IMPACT OF SUSTAINABLE BUILDING MATERIALS ON CLIMATE CHANGE

As a part of the industry 4.0 student club activity of Pragati Engineering GREEN BUILDING CLUB organized a SEMINAR on CONCEPTS OF BUILDING MATERIALS on 05.10.2023 from 10AM in MS-7, PRAGATI ENGINEERING COLLEGE for all the student of civil Engineering and members of the Green Building club and the faculty members.

Student members of INDUSTRY 4.0 of all the other departments have taken apart and contributed their knowledge to the participants.

Green buildings are about straddling the structure's entire ecosystem – planning, design, construction, operations, and its end-of-life impact on the environment. This entails looking at options that save energy and water, do not emit harmful GHGs(Green House Gases), and are recyclable or sustainable.

During the session, the following are discussed;

- Natural resources and Extraction of raw materials.
- Processing, manufacturing and recycling of materials.
- Transportation, construction and retro fitting.
- Use and treatment.
- Demolition, disposal and land filling.

The program was attended by Faculty members and students. Participation of 45 students from Pragati Engineering College is so thoughtful and informative.

The picture of the event and glimpses of slides presented were mentioned in the report stated.

Report on World Food Day

Date:16-10-2023

World Food Day is held on *October 16 every year* to commemorate the founding of the United Nations' (UN) Food and Agriculture Organization (FAO) the theme of 2023 is 'Water is Life, Water is Food. Leave No One Behind'. The theme aims to highlight the role of water for life on earth and water as the foundation of our food. It also focuses to raise global awareness about the importance of managing water wisely with rapid population growth, urbanization, and climate change.

Department of Environmental sciences and Waste Management Club of Pragati Engineering College organized "*World Food Day*". In this regard we conducted the Poster Presentation on 16th October, 2023.

The main objective of celebrating the day is to create awareness among the students.

Participants: The students of first year participated in this Poster presentation

“Meditation for Stress Management” A seminar

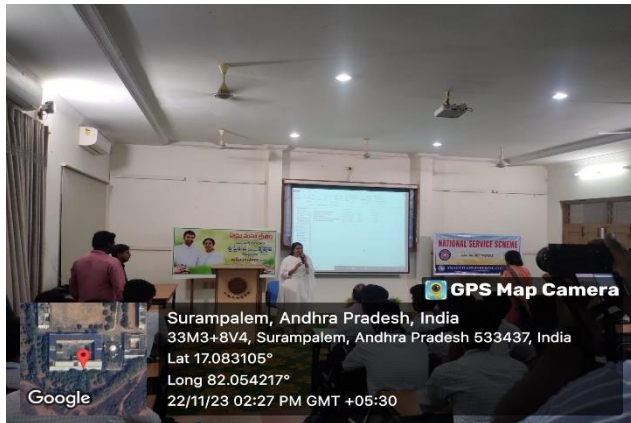

Pragati Engineering college, NSS Unit organized a seminar on “Meditation for Stress Management” in association with EKAM Foundation, Kakinada Branch on 22-11-2023 in seminar halls 1 & 2. NSS Vounteers from II& III year along with I year students attended the programme. Mata Madhuri ji along with Mrs Lavanya and Krishna ,Coordinator of EKAM, Kakinada branch attended as guests of th programme. Mrs Lavanya in her address said that I want to introduce to you the Ekam dasas from Ekam Kshetra in India, a mystic powerhouse. These monks have dedicated their lives for their own enlightenment and for the enlightenment of humanity. They are the disciples of Sri Preethaji and Sri Krishnaji. They live in Ekam. They serve God, they serve humanity. So it's a very sacred opportunity today that we will have one of the Ekam dasas come and address us all. So these dasas who are pursuing enlightenment, who are living spiritual lives, they will give deeksha to us and I have requested our Dasaji to speak to us today about Stress free life. After the welcome of the Madhuri ji by the college principal with a plant pot, the programme started with Madhuri ji session of motivation towards stess management for healthy living. After the motivation Mediation was practiced by the students.

National Farmers Day or Kisan Diwas 2023

Date:23/12/2023

Every year on December 23, India celebrates Farmers Day or Kisan Diwas. This special day is all about giving a big shout-out to our farmers, the real heroes behind our country's growth. It also marks the birthday of Chaudhary Charan Singh, who started as a farmer and later became India's fifth Prime Minister. Kisan Diwas 2023 theme focused on "Delivering Smart Solutions for Sustainable Food Security and Resilience," emphasizing innovation in agriculture. The event brought together farmers, policymakers, and technology experts to discuss intelligent approaches that enhance productivity and build resilience in the face of challenges, aiming for a sustainable future in agriculture. In this connection Prakruthi and Greenery club of Pragati Engineering college organized Drawing competition and total 29 students participated in this competition.
