ECE-TIMES

VOLUME#15 ISSUE#2

ACADEMIC YEAR: 2022-23

Jan -23 to June-23

FROM H.O. D's DESK

FROM DIRECTOR DESK:

It gives immense pleasure to flag-off the newsletter "ECE-TIMES" of the department of Electronics and Communication Engineering, highlighting the activities of the period 2023(Jan-June). It is endeavour of the department to articulate the newsletter with various information's to acquaint its readers with the achievements of the ECE fraternity. The laudable exercise of the students and staff of this department has already brought laurels in various corners of this institution. I applaud the staff and students for this achievement and wish that everyone continues their untiring efforts not only to retain this achievement but to grow to further high standards. Also, congratulate head of the department for taking initiative in releasing the fifteenth newsletter

FROM HOD's DESK:

It gives very content that as a forerunner the department of Electronics & Communication Engineering is releasing its fifteenth issue of "ECE- TIMES" newsletter. The major strength of the department is the amalgamation of our qualified and dedicated faculty who understand the rhythm of the students for their academic excellence. Our under graduate and post graduate program students are equally showing their enthusiasm towards extracurricular and co-curricular activities contemplate them towards placement and higher education. Further, it gives satisfaction to bring out the update information about the department newsletter blended with technical and non-technical segment that is rich in contents. With this bright vigor and enthusiasm, let's us look forward for further progress of our department academic objectives set for the year 2022-23. On this occasion we invite the alumni of ECE to come forward with new conceptual ideas towards department growth. Finally, department would like to convey sincere thanks to the management for their continuous support and admiration.

Our Vision:

Progress through the growing knowledge of Electronics and Communication technology.

Our Mission:

To emerge as a world class center of learning, research and development, integrating with the latest trends in Electronics and Communication Engineering for the service of humanity.
