Report on “GO KART EVENT ANALYTICS”

Date: 04.05.2023

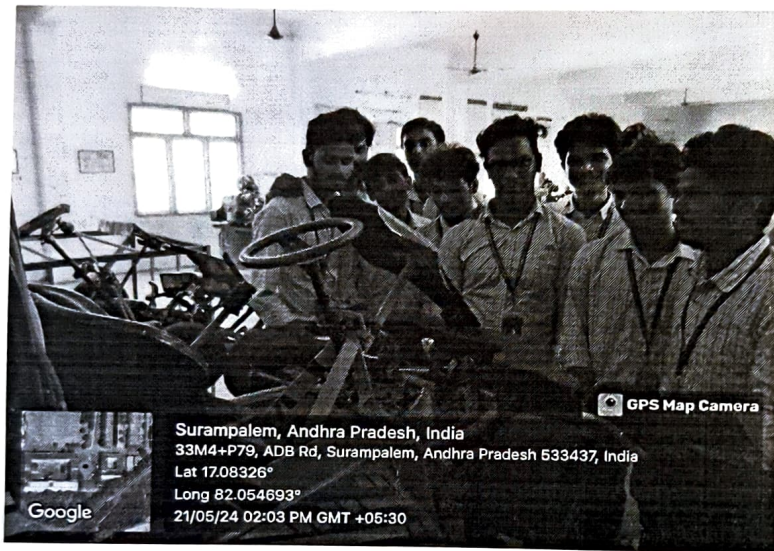

A One-day programme on 4th May 2023 about Introduction to various aspects about how to manage and attend a event in a proper way which was organized by Go-Kart Club in association with IE (I) Local chapter of Mechanical Engineering Department, Pragati Engineering College.

In this seminar student coordinators of Go-Kart club of our college, Mr T Mukesh Sathwik, has taken the initiative explained about how to apply to any event what are the requirements and what can be done to secure a place in event. What are the essentials in order to participate in any event, what are the paper works involved to qualify for in house inspection and also on site inspection. For this session a total of 28 students of mechanical department have attended.

Students were taught how to apply for the upcoming events and challenges to be faced in events, as they are the one who will be leading the Go-Kart in the coming years. They can able to know about this club and how we organised. Also we gave them various

formats in which they can design the reports necessary for the events. And a demo has been given to them in order to ease the effort while preparing their reports.

Mr.D.J.Johnson, faculty Co-ordinator of Go-Kart club, Mechanical Engineering Department, appreciated the students for their efforts.
