

## PRAGATI ENGINEERING COLLEGE :: SUR

### FDP (MEC) - 2020-21

Dates (from-to) (DD-MM-YYYY)	Title of the conference/ workshops/ name of the professional body
01-06-2020 to 05-06-2020	A Five Day FDP on Advancements in phase change material based thermal and renewable energy technologies,Lakireddy Balireddy College of Engineering, Mylavaram
01-06-2020 to 05-06-2020	A Five Day FDP on Advanced Manufacturing Enterprise in Digital Era,AITAM, Tekkali
02-06-2020 to 06-06-2020	A Five Day FDP on Emerging trends in Mechanical engineering, St Peters College of Engineering
10-06-2020 to 15-06-2020	A One week FDP on Moodle Learning Management system, JNTUH College of Engineering, Sultanpure

15-06-2020 to 20-06-2020	A One week on FDP Potential Research Areas in Mechanical Engineering, Vignan Institute of Technology & Science, Telangana
15-06-2020 to 20-06-2020	A One week on FDP on Research Trends in Mechanical Engineering, GEC , Gudlavalleru
22-06-2020 to 26-06-2020	A Five Day FDP on Advancements in manufacturing and optimization techniques, Jayamukhi Institute of Technological Sciences
22-06-2020 to 27-06-2020	A One week FDP on Optimization techniques and Tools For Mechanical Engineers, Sreenidhi Institute of Science and Technology, Hyderabad
25-06-2020 to 30-06-2020	A One week FDP on Emerging Automotive Technologies, Kalasalingam Academy of Research & Education, Tamil Nadu
29-06-2020 to 03-07-2020	A One week FDP on ADVANCED MATERIALS AND MANUFACTURING, KITS, WARANGAL
04-07-2020 to 10-07-2020	A Seven Day FDP on Advancements in Mechanical Engineering, GATES Institute of Technology, Ananthapuram

06-07-2020 to 10-07-2020	A One week FDP on Recent Advances in Mechanical Engineering : A Research Perspective, MGIT, Hyderabad
06-07-2020 to 11-07-2020	A One Week National level FDP on Mathematical Aspects of Fluid Dynamics, SVPIT, Vasda
13-07-2020 to 17-07-2020	A Five Day FDP on RESEARCH INNOVATION IN MECHANICAL ENGINEERING ,SASI, Tadepalligudem
03-05-2021 to 08-05-2021	A One week FDP on "Additive manufacturing", GIET, Rajahmundry
09-06-2020 to 13-06-2020	A One week Hybrid Energy Storage Systems – DPE, Department of EEE, Pragati Engineering College, Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem

09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem

09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
09-06-2020 to 13-06-2020	A 5 day Online Faculty Development Programme on “Contemporary Developments in Manufacturing Processes, Sustainable Manufacturing and Industrial Technologies”, organized by Department of Mechanical Engineering, Pragati Engineering College (Autonomous), Surampalem
