REPORT

A Seminar on

“Watershed management”

As a part of the industry 4.0 student club activity of Pragati Engineering college “WATER MANAGEMENT CLUB” organizing an A SEMINAR on **Watershed management** on 06-04-2024 from 02:00PM in MS-7, Mechanical Block, PRAGATI ENGINEERING COLLEGE for all the student of civil Engineering and members of the water management club.

Student members of INDUSTRY 4.0 of all the other departments have taken part and contributed their knowledge to the participants.

Watershed management is a term used to describe the process of implementing land use practices and water management practices to protect and improve the quality of the water and other natural resources within a watershed by managing the use of those land and water resources in a comprehensive manner.

During the session, the following are discussed;

- Delineate and map the watershed's boundaries and the smaller drainage basins within the watershed;
- Inventory and map the resources in the watershed;
- Inventory and map the natural and manmade drainage systems in the watershed;
- Inventory and map land use and land cover;
- Inventory and map soils;
- Identify areas of erosion, including stream banks and construction sites

The program was attended by Faculty members and students. Participation of students from Pragati Engineering College is so thoughtful and informative.
