### REPORT

#### A Talk on

#### Scope of Civil Engineering in Real World

As a part of the Co-Circular Students club activity of Pragati Engineering College (Autonomous), Department of Civil Engineering, Institution of Engineers (India) organized "A Talk on Scope of Civil Engineering in Real World" on 19-03-2024 from 11 AM in MS-8, Pragati Engineering College, Mechanical Block, for all the student of civil Engineering and members of Institution of Engineers (India) and the faculty members.

Student members of Institution of Engineers (India) of all the other departments interested Students also have taken part and contributed their knowledge to the participants.

The Institution of Engineers (India), the IEI, is a national organization for engineers in India. It has more than one million members in 15 engineering disciplines in 125 centers or chapters in India and overseas, and is the world's largest multi-disciplinary engineering professional society.

During the session, the following are discussed;

- Introduction to Civil Engineering
- Scope of Civil Engineers and Government Sector job opportunities
- Role of advanced Technology in Civil Engineering
- Various Software Models involved in Civil Engineering
- Keynote on Structural Engineering and Environmental Engineering
- Latest Civil Engineering Technologies like 3D Printing Concrete and Sustainable Building Materials etc.

The program was attended by Faculty members and students. Participation of 25 students from 1<sup>st</sup> & 2<sup>nd</sup> Year Civil Engineering, Department of Civil Engineering, Pragati Engineering College (Autonomous) is so thoughtful and informative Session.
