### REPORT

#### A Talk on

#### Impact Climate Change on Natural Resources

As a part of the Co-Circular students club activity of Pragati Engineering College (Autonomous), Department of Civil Engineering, Institution of Engineers (India) organized a Talk on Impact Climate Change on Natural Resources On 19.12.2023 from 11AM in MS-1, PRAGATI ENGINEERING COLLEGE for all the student of civil Engineering and members of the Green Building club and the faculty members.

Student members of Institution of Engineers (India) of all the other departments have taken apart and contributed their knowledge to the participants.

The Institution of Engineers (India), the IEI, is a national organization for engineers in India. It has more than one million members in 15 engineering disciplines in 125 centers or chapters in India and overseas, and is the world's largest multi-disciplinary engineering professional society.

During the session, the following are discussed;

- Introduction to Climate Change
- Sustainable development Goals
- Role of Technology involvement
- Use of Renewable Energy Resources
- Implementation of Rules and Strict Laws for Pollution Control

The program was attended by Faculty members and students. Participation of 10 students from Pragati Engineering College is so thoughtful and informative.

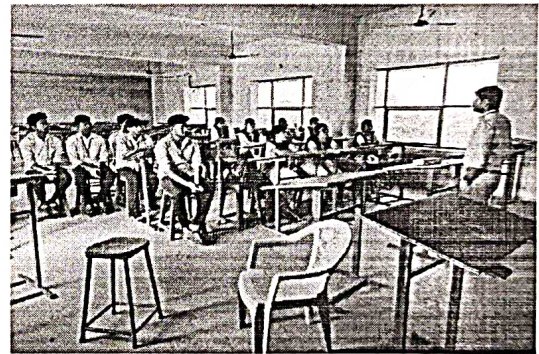

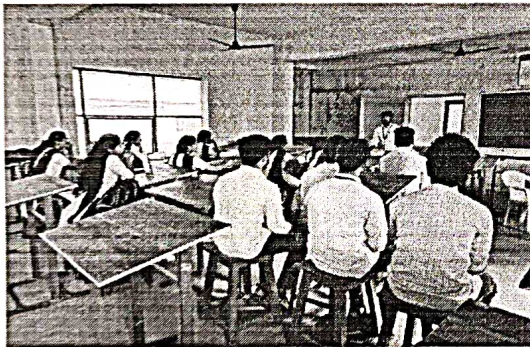

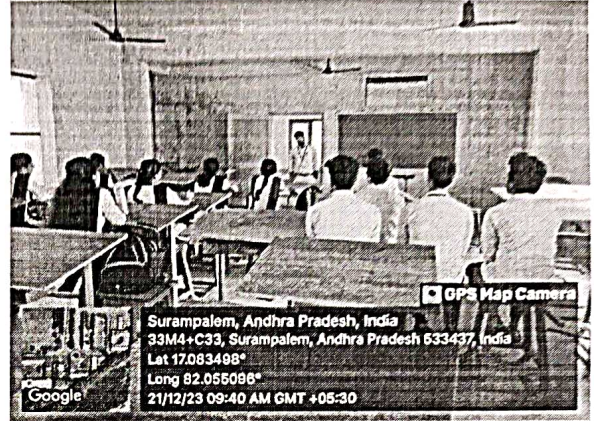

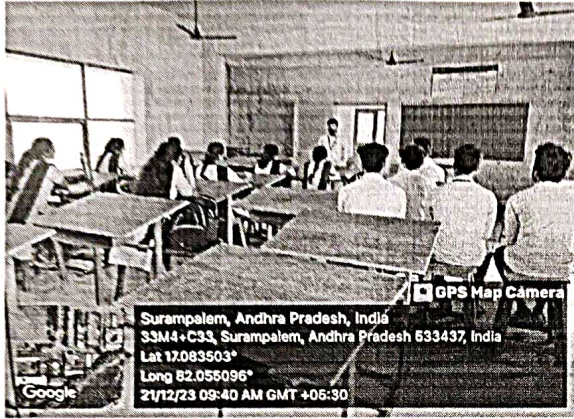

The picture of the event and glimpses of slides presented were mentioned in the report stated.
