REPORT

A Talk on

Global Climate Change & its Mitigation Measures

As a part of the Co-Circular Students club activity of Pragati Engineering College (Autonomous), Department of Civil Engineering, Institution of Engineers (India) organized **A Talk on Global Climate Change & its Mitigation Measures** on 22-02-2024 from 11am in MS-8, Pragati Engineering College, Mechanical Block, for all the student of civil Engineering and members of Institution of Engineers (India) and the faculty members.

Student members of Institution of Engineers (India) of all the other departments interested Students also have taken part and contributed their knowledge to the participants.

The Institution of Engineers (India), the IEI, is a national organization for engineers in India. It has more than one million members in 15 engineering disciplines in 125 centers or chapters in India and overseas, and is the world's largest multi-disciplinary engineering professional society.

During the session, the following are discussed;

- Introduction to **Global Climate Change**
- Sustainable Development Goals (SDG) importance
- Role of Technology involvement
- Global Climate Change Issues by UNDP
- Implementation of **Rules and Strict Laws** for Control of Climate Change
- Engineering Technologies for Control of Global Climate Change Conditions.

The program was attended by Faculty members and students. Participation of 20 students from, IIIrd Year Civil Engineering Department of Pragati Engineering College (Autonomous) is so thoughtful and informative Session.
