REPORT

A Talk on

Integrated Solid Waste Management for Smart City Development

As a part of the Co-Circular students club activity of Pragati Engineering College (Autonomous), Department of Civil Engineering, Institution of Engineers (India) organized a Talk on **Integrated Solid Waste Management for Smart City Development** On 23-01-2024 from 11AM in MS-7, PRAGATI ENGINEERING COLLEGE for all the student of civil Engineering and members of the **Institution of Engineers (India)** and the faculty members.

Student members of **Institution of Engineers (India)** of all the other departments have taken apart and contributed their knowledge to the participants.

The Institution of Engineers (India), the IEI, is a national organization for engineers in India. It has more than one million members in 15 engineering disciplines in 125 centers or chapters in India and overseas, and is the world's largest multi-disciplinary engineering professional society.

During the session, the following are discussed;

- Introduction to Solid Waste Management
- Technologies involved in waste segregation
- Waste Processing and Treatment Techniques
- Use of Recycle Materials for Waste Minimization
- Implementation of Rules and Strict Laws for Waste Pollution Control

The program was attended by Faculty members and students. Participation of 15 students from Pragati Engineering College (Autonomous), is so thoughtful and informative.
