International Mother Language Day

Date:21/02/2022

As per the directions of AICTE ,21st February celebrated as International Mother Language Day in pragati Engineering college. AICTE is directed to refer to the subject mentioned above and to say that UNESCO in 1999, declared 21st February of every year to be celebrated as International Mother Language Day. The significance of this day is to promote dissemination of mother Language of all and create awareness of linguistic and cultural traditions and diversity across the world and to inspire solidarity amongst people of different cultures, speaking different languages. Accordingly, celebrations are held every year on this date by this Ministry in the name of “MatribhashaDiwas”.

The Hon'ble Minister of Education has desired to celebrate the “MatribhashaDiwas” this year on 21.02.2022 in a grand manner to promote and preserve Mother Languages. The tenor of the occasion would be celebratory and it could be observed on the following objectives; -

Highlight the linguistic diversity of our country; Encourage usage of not only the respective mother language, but other Indian languages as well.

To understand diverse cultures in India and various forms of literature, craft, performing arts, scripts and other forms of creative expression

This could be celebrated by organizing various activities like Elocution, Debating, Singing, Essay Writing and Painting competitions, Music and Dramatic performances, Exhibitions etc. and in any other way befitting the occasion, complying with necessary Covid Protocol.

In view of the above, AICTE requests that your institute kindly disseminate this information among all the students & faculty members and staff comply with the above mentioned activities and celebrate “MatribhashaDiwas” in a grand manner on 21.02.2022.

It is also requested that after celebration and activities furnished a report by filling the below google form link.

Forwarded mail of AICTE
Sir/Madam,

Greetings from All India Council of Technical Education!

AICTE is directed to refer to the subject mentioned above and to say that UNESCO in 1999, declared 21st February of every year to be celebrated as International Mother Language day. The significance of this day is to promote dissemination of mother Language of all and create awareness of linguistic and cultural traditions and diversity

PRAGATI ENGINEERING COLLEGE **(Autonomous)**

1-378, ADB Road, Surampalem, E.G.District, A.P. - 533 437

(Approved by AICTE & Permanently Affiliated to JNTUK, Kakinada & Accredited by NAAC with 'A' Grade)

(Recognised by UGC Under Sections 2 (f) and 12 (b) of UGC act, 1956)

Ph : 08852 - 252233, 252234, 252235, Fax : 252232, Website : www.pragati.ac.in

across the world and to inspire solidarity amongst people of different cultures, speaking different languages. Accordingly, celebrations are held every year on this date by this Ministry in the name of “MatribhashaDiwas”.

The Hon'ble Minister of Education has desired to celebrate the “MatribhashaDiwas” this year on 21.02.2022 in a grand manner to promote and preserve Mother Languages. The tenor of the occasion would be celebratory and it could be observed on the following objectives;-

Highlight the linguistic diversity of our country;

Encourage usage of not only the respective mother language, but other Indian languages as well.

To understand diverse cultures in India and various forums of literature, craft, performing arts, scripts and other forms of creative expression

This could be celebrated by organizing various activities like Elocution, Debating, Singing, Essay Writing and Painting competitions, Music and Dramatic performances, Exhibitions etc. and in any other way befitting the occasion, complying with necessary Covid Protocol.

In view of the above,AICTE requests that your institute kindly disseminate this information among all the students & faculty members and staff comply with the above mentioned activities and celebrate “MatribhashaDiwas” in a grand manner on 21.02.2022.

It is also requested that after celebration and activites furnish a report by filling the below google form link.

Form Link : <https://forms.gle/NX2K3Np5cgNM6nBB6>

Best regards,

Manoj Singh

Young Earthpreneurs Awards

Date: 22/02/2022

Global Environmental NGO EARTHDAY.ORG just announced 'Invest In Our Planet' as its theme for Earth Day 2022. This partnership for the planet calls upon all businesses, governments, and citizens – everyone who lives on Earth – to help accelerate solutions to combat climate change.

To focus on the global Earth Day 2022 theme 'Invest In Our Planet', Earth Day Network-India (EDN) is pleased to launch 'Earthpreneurs'. Our 'Young Earthpreneurs Award' (YEA) forms the first part of this initiative. YEA invites college students who inspire to be entrepreneurs to showcase their innovative and implementable ideas that are likely to prevent climate change from reaching that critical tipping point.

EDN invite your students to demonstrate their skills, interests, and passion to 'Invest in Our Planet.' This they can do by developing and driving initiatives that stymie climate change; restore natural resources; reduce the burden of pollution; change mindsets so that environment-friendly practices become a natural and intrinsic part of human nature. It will help them be job providers, not mere job seekers.

The best ideas will receive wide publicity. Awardees will receive startup training, mentorship, an opportunity to interact with successful innovators and prize money to help them implement their ideas. The information is shared to the students of Pragati engineering college and 56 students activity participated to be the Earthpreneur.

The participants are:

Department Name	Number of students participated
CSE	02
ECE	01
ME	03
CSE AIML	02
CSE DS	04
EEE	45
TOTAL	56

Are you ready to make a real impact on climate change?
Does your idea have the power to change the world for the better?

Here's your chance to make a difference!

- Earth Day Network-India's Young Earthpreneurs Awards (YEA) provides youth a chance to showcase innovative ideas to Invest In Our Planet
- The top 3 awardees will be given exciting prizes!
- All shortlisted ideas will be referred to incubation centres, industry experts and showcased on Earth Day Network-India's extensive social media platforms
- All participants will receive certificates

Guidelines for application and eligibility criteria

- 1 This contest is open to university/college student(s) in India
- 2 Complete application must be submitted online through the Google Form link bit.ly/YEA22
- 3 We seek ideas in the following broad categories
 - Energy efficiency
 - Mindful use of natural resources
 - Expansion of climate education
 - Sustainable lifestyle products
- 4 All written reports and video submissions must be in English and the content original

Timeline
Applications Open Till
February 22, 2022
Round 1 Results
March 22, 2022
Round 2 Results
April 18, 2022
Announcement of Winners
April 22, 2022

Evaluation Criteria

- A panel of experts will select the winners based on the following criteria
- How feasible is the idea?
 - Is the idea innovative?
 - Is it financially viable?
 - How well-defined is the execution plan?

Evaluation Process
Round 1
Preliminary screening of applications
Round 2
Online session with the jury

From: no-reply <admin@aicte-india.org>Sent: Sunday, February 13, 2022 1:58:49 PM To: Principal PEC <principal@pragati.ac.in>Subject: Information : Announcing the Young Earthpreneurs Awards-Regarding

Dear Sir/Madam,

Greetings from All India Council for Technical Education !

We are happy to inform you that the global environmental NGO EARTHDAY.ORG just announced 'Invest In Our Planet' as its theme for Earth Day 2022. This partnership for the planet calls upon all businesses, governments, and citizens –everyone who lives on Earth – to help accelerate solutions to combat climate change.

To focus on the global Earth Day 2022 theme 'Invest In Our Planet', Earth Day Network-India (EDN) is pleased to launch 'Earthpreneurs'. Our 'Young Earthpreneurs Award' (YEA) forms the first part of this initiative. YEA invites college students who inspire to be entrepreneurs to showcase their innovative and implementable ideas that are likely to prevent climate change from reaching that critical tipping point.

EDN invite your students to demonstrate their skills, interests, and passion to 'Invest In Our Planet.' This they can do by developing and driving initiatives that stymie climate change; restore natural resources; reduce the burden of pollution; change mindsets so that environment-friendly practices become a natural and intrinsic part of human nature. It will help them be job providers, not mere job seekers.

The best ideas will receive wide publicity. Awardees will receive startup training, mentorship, an opportunity to interact with successful innovators and prize money to help them implement their ideas.

For any further clarifications, Email at:officeofregionaldirector@earthday.org.

In view of the above, AICTE requests your Institution(s) to kindly disseminate this information among all the faculty members and Students so that they can take the benefits from this award.

Young Earthpreneurs Awards

To focus on the global Earth Day 2022 theme 'Invest in Our Planet', Earth Day Network-India (EDN) is pleased to launch 'Earthpreneurs'. This initiative invites young entrepreneurs to showcase the innovative ideas they will invest in to prevent climate change from reaching that critical tipping point.

Our 'Young Earthpreneurs Award' (YEA) forms the first part of this initiative. YEA is open to college students as an opportunity to demonstrate their skills, interests, and passion.

YEA is an idea stage contest for budding Entrepreneurs. Through this initiative, Earth Day Network India invites applications for the best innovative ideas.

The best ideas received will be featured on Earth Day Network's social media and website. The top awardees will receive startup training, leadership sessions and some prize money to help them implement their idea.

Applications are open till:

The Role of Innovation in Science and Technology for Sustainable Future

Science and technology and innovation for sustainable development. ABSTRACT Sustainable development describes a process of change that promotes the principles of sustainability.

"National science day" is celebrated every year in India on February 28th. The day is celebrated for the remember of Raman Effect discover by C.V. Raman.

Our Common Future, the Rio Declaration, and Agenda 21 are typically considered as the building blocks of the notion of sustainable development.

Innovation in Science for Sustainable Future :-

The specific role of science for sustainable development goes inside issues like technology transfer and must not be limited to that of a tool only. Acknowledge and maximizing the contribution of science beyond being

INNOVATIONS IN SCIENCE

The innovations play a key role developments of science and technology. The innovations gives:

- i, Theories
- ii, Formulas
- iii, Inventions

The theories in innovations are predict the process of phenomena in science. The big bang theory, Einstein's General relativity theory and special relativity theories are the innovations that brings many changes in modern science. The plank's quantum theory changes the physics in science.

The formulas invented by the scientists are brought changes like, "The energy mass equivalence $E=mc^2$ ", changes the astronomical and cosmological sciences.

INNOVATIONS ARE EYES OF THE SCIENCE
* THAT CHANGE WORLD DURABLE *

THE ROLE OF INNOVATIONS IN SCIENCE AND TECHNOLOGY FOR SUSTAINABLE DEVELOPMENT.

Science has contributed a lot of inventions to the human welfare. Apart from the nuclear energy, machines, scientific developments it also made sustainable development. On the day 28th February we all celebrate National Science day on the invention of RAMAN EFFECT. The great invention was invented by SIR. C.V. RAMAN with a low cost materials, has made and proved that India can also be developed in the sector of science.

SCIENCE AND TECHNOLOGY

The modern inventions which we use in our day-to-day life is a part of science and technology. In India may research has been taken part. In the sector of Army, Navy, Air Force, inventions are made to protect our country. Our honourable SIR. A.P.J. Abudal kalam has devoted in the field of science, his entire life. A mission called MANGALYAN to mars has made and changed the indian place in the Nation list. In Indian Aerospace and the nuclear weapons are a part of science and technology. The nuclear weapons and the Wars are held due to the developments in science. The great person Albert Einestin has invented an equation $E = mc^2$ has made a war between worlds. so, we can understand that from the days of 19th century science has been developing and it is now, many developments had happen.

Science is a branch of linguistics that deals with things that are happening & useful for human world. It plays a vital role in making mankind to survive. Innovative ideas of people made growth of Science & Technology from nothing to high levels of society. Technology become more useful thing for man to survive in this Modern Society.

C.V. Raman, a great Scientist discovers Ramaneffect.

Thomas Alva Edison, a great Scientist made 101 inventions (ex: bulb, phonograph, gramophone, etc--)

Edward Jenner, a scientist who invented Television.

John Gutten burg was a philosopher & inventor of printing Machine.

J. Wright brothers are inventors of aeroplane.

Alexander Flemming discovered penicilin & Galelio-Telescope.

These are examples of our scientist great innovations in Science.

These innovatives minds make our world a "Innovative world."

Discoveries & inventions are spread all over the world to make much Modern & updated Societies.

Let us take an example of Sir Issac Newton made a wonderful invention on common fact that "Apple from Tree", falling down. Simple aspects in life also has great reasons behind them. Like that he introduced "Earth Gravitational force."

In Present days these innovations make people to think higher.

The Role of Innovation & Technology for Sustainable Future

M. Dharami III CSE-A

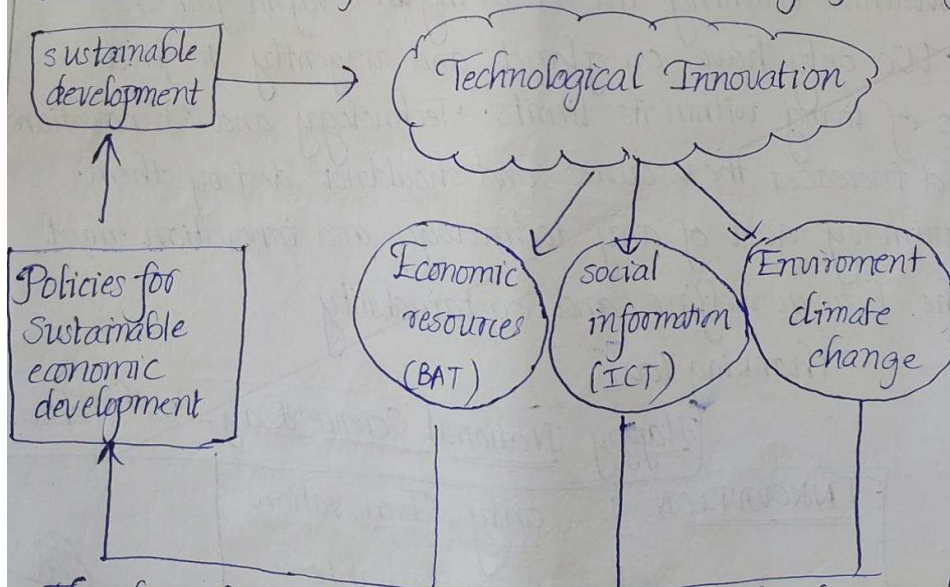

19A3180525

10/10

Technological innovation has generated much interest among scholars, practitioners, and policymakers as a critical instrument for achieving sustainable development.

Although the relationship between technological innovation and sustainable development has been extensively discussed in the academic and policy circles, little studies have empirically examined the simultaneous impact of technological innovation on three pillar of sustainable developments.

Technology innovations brings benefits. It increases productivity and bring citizens to new and better goods and services that improve their overall standary of living.

The above figure shows the influence of technology for sustainable development.

National Science Day

28th february on this day celebrate national science due to discovery of sir Chandrasekhar Venkata Raman in the science. He discovered the Raman effect. In 1928. After two years in 1930 he got nobel prize on the occasion we celebrate national science day. It was the first nobel prize for india in science. It is so proud for india.

Always think like a proton

Being positive.

Name of the Event: TAEKWONDO / Chest No:

Eligibility Form

1. Full Name of the Player (in Block letters): MENDU LAXMAN VENKATA DURGIA MANIKANTAGANESH
2. Roll No: 21A31A0242
3. Father's Name: MENDU VENKATA PRASAD KUMAR.
4. Mother's Name: MENDU SRILALITHA.
5. College in which studying: PRAGATI ENGINEERING COLLEGE
6. Date of Birth (enclose Xerox copy of the S.S.C. or its equivalent pass certificate): 18-05-2004.
7. Date & Year of passing qualifying examination (enclose Xerox copy of the Intermediate or its equivalent Pass Certificate) for first admission into a College/University :
8. Present Class : 1st year.
9. Name of the present Course : EEE
10. Duration of the Course : 2021-2025
11. Date & Year of first admission into University : 14-12-2021
12. Date & Year of first admission into present Course : 14-12-2021
13. Number of years of previous participation (Inter-University) while pursuing Graduate Course in the erstwhile JNTU: Nil
14. Number of years of previous participation (Inter-University) while pursuing Post Graduate Course in the erstwhile JNTU: Nil

Note: Passport Size Photograph duly certified by the Principal of the college should be pinned on the right side of the Eligibility form is compulsory. The players attending selection trails should wear proper Uniform.

Signature of the Student

SMART INDIA HACKATHON

Smart India Hackathon is a nationwide initiative to provide students a platform to solve some of pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

The last edition of the hackathon saw over 5 million+ students from various engineering colleges compete for the top prize at 35+ locations.

In SIH, the student would also have the opportunity to work on challenges faced with in the private sector organisations and create world class solutions for some of the top companies in the world, thus helping the Private sector hire the best minds from across the nation.

Department of Basic Sciences and Humanities

Report on Azadi Ka Amrit Mahotsav Activities Teachers Day Celebrations

DEPARTMENT OF BASIC SCIENCES AND HUMANITIES

PRAGATI ENGINEERING COLLEGE (A) ,SURAMPALEM

In connection with Shikshak Parv(Teacher's Day) a small meeting was organized in the department inviting the faculty and senior members . The programme started with saraswati vadanam by students followed by faculty paying tributes to Dr S Radhakrishnan, our beloved Teacher and Philosopher by garlanding the Photo .

Dr P V S Machiraju,Dean R&D speaking on the occasion gave a small lecture on the role of teachers in the society plays a key part in developing all sectors .

A Documentary on Life History of the Dr S Radhakrishnan was played for all, as a part of remembrance of the great Son of Education . 25 faculty attended the Celebrations organized by the students.

As a part of the programme a Quiz was organized in association with the College NSS Unit for the faculty and students. A total of 106 participations 93 students and 13 faculty received . 71 received 80% score and participation certificates are given to all participants.
