A REPORT ON International Yoga Day Date: 21-6-2023

9th INTERNATIONAL YOGA DAY CELEBRATIONS

Pragati Engineering College has organised the 9th International Yoga day in the college campus today i.e. 21.06.2023. Chairman of the college Dr Parichuri Krishna Rao in his message said Yoga is the only solution to Stress and success. In the activity, 110 NSS, NCC volunteers and other students have participated. The Physical Director Mr G.Durga Prasad has instructed the class for the students on behalf of the NCC and NSS units. Dr.K Satyanarayana, the Principal of the college has appreciated the students for their active participation and has advised them to continue yoga in their regular life to achieve physical and mental control by which we can be happy in our life.

P.Raj Shekhar Phaneendra, NSS POs Mr A Phanibhaskar, NSS faculty Incharge, Dr B Adinarayana, NCC Incharge and all Physical Directors have presented for the event.

PRESS REPORT

Anti Drug Awareness Programme AT PRAGATI

“Anti Drug Awareness Programme was organized by the NSS Unit of the Pragati Engineering College on 17th August 2023. Sri. Prema Kajal, Special Enforcement Bureau, Additional SC, Jaggaampeta CI B. Surya appa Rao, Gandepalli SSI Y. Ganesh Kumar were present for the programme. This programme is organized to create awareness among youth on ill effects of drugs addiction and criminal laws framed who are found taking or encouraging drugs.

Life is ruined by intoxication

State Enforcement Beureau Additional SC Prema Kajal said that intoxication is ruining the lives of youth. She spoke at an awareness conference on drug prevention held at Surampalem Pragathi Engineering Ring College, Gandepalli mandal on Thursday. He said that engineering is a good opportunity to grow higher in life, but with bad friendships, youth are addicted to addictions. Jaggaampeta CI B. Suryatappa Rao, Gandepalli SSI Y. Ganesh Kumar and the teaching staff of the college participated.

Dr.Paruchuri Krishna Rao, Chairman of the College in his message said that it is a high time to enlighten our youth about the dangerous habit of drug abuse. I, therefore, request all the students to refrain themselves completely from the consumption of drugs before it destroys their health, future and takes away their lives.. So think wise and act smart. Shape your future which seems bright and full of achievements.

Sri Y Ganesh Kumar Gandepalli SI speaking to students said that Drugs are substances that change a person's mental or physical state. They can affect the way your brain works, how you feel and behave, your understanding and your senses. Drug abuse has become the most common thing these days and many youth are destroying their lives by getting addicted to drugs. It's very important to sensitize our youth on the subject of drug abuse. They are ruining the lives of our youth and putting their future in a great darkness. The use of drugs is making their lives vulnerable and prone to destruction. I thank Pragati Engineering College Management and students for actively taking part in this awareness programme for spreading the message “Say No to Drugs”.

Kirlampudi: SCI P UmaMaheshwara Rao said that some criminals are using the increasing Sanketi Kata in an aggressive way and committing frauds, and people should be fully aware of such things. He was speaking at an awareness program organized by Nirva Additional SP Prema Kajalhint at Gedda Napalli village in the mandal on Thursday. If there are any strange people roaming in the village, they should immediately inform the police. Ganja and Natu Sarah are being transported. SSI suggested to inform the police immediately after selling. Public representatives participated.

All II B.Tech students along with NCC,NSS Students attended the programme

A Report on World Animal Day

Date:04-10-2023

World Animal Day celebrated globally on 4th October each year, provides an opportunity to recognize the remarkable diversity of life on Earth and the critical role that animals play in our ecosystems. The goal of this year's World Animal Day is to elevate animal care standards globally by promoting animal rights. Animals should always be acknowledged as sentient creatures.

Department of Environmental sciences in Pragati Engineering College organized “**World Animal Day**”. In this regard we conducted the pledge on 4 October, 2023.

The main objective of celebrating the day is to create awareness among the students.

DEPARTMENT OF CIVIL ENGINEERING

Date: 05-10-2023

REPORT

Seminar on

IMPACT OF SUSTAINABLE BUILDING MATERIALS ON CLIMATE CHANGE

As a part of the industry 4.0 student club activity of Pragati Engineering GREEN BUILDING CLUB organized a SEMINAR on CONCEPTS OF BUILDING MATERIALS on 05.10.2023 from 10AM in MS-7, PRAGATI ENGINEERING COLLEGE for all the student of civil Engineering and members of the Green Building club and the faculty members.

Student members of INDUSTRY 4.0 of all the other departments have taken apart and contributed their knowledge to the participants.

Green buildings are about straddling the structure's entire ecosystem – planning, design, construction, operations, and its end-of-life impact on the environment. This entails looking at options that save energy and water, do not emit harmful GHGs (Green House Gases), and are recyclable or sustainable.

During the session, the following are discussed;

- Natural resources and Extraction of raw materials.
- Processing, manufacturing and recycling of materials.
- Transportation, construction and retro fitting.
- Use and treatment.
- Demolition, disposal and land filling.

The program was attended by Faculty members and students. Participation of 45 students from Pragati Engineering College is so thoughtful and informative.

The picture of the event and glimpses of slides presented were mentioned in the report stated.

A Report on World Food Day

Date:16-10-2023

World Food Day is held on **October 16 every year** to commemorate the founding of the United Nations' (UN) Food and Agriculture Organization (FAO) the theme of 2023 is '**Water is Life, Water is Food. Leave No One Behind**'. The theme aims to highlight the role of water for life on earth and water as the foundation of our food. It also focuses to raise global awareness about the importance of managing water wisely with rapid population growth, urbanization, and climate change.

Department of Environmental sciences and **Waste Management Club** of Pragati Engineering College organized "**World Food Day**". In this regard we conducted the **Poster Presentation** on 16th October, 2023.

The main objective of celebrating the day is to create awareness among the students.

Participants: The students of first year participated in this Poster presentation

Rotary Blood Bank, Kakinada

(3-11-2023)

NSS Unit of the college organized Blood Donation Camp on 3-11-2023 in Central Library of the college in association with Rotary Blood Bank, Kakinada. Dr Kamaraju, Blood Bank Officer along with the medical team were present to conduct the camp. Dr K Satyanarayana, Principal of the college gave a warm welcome to the team by giving memento. Dr K Satyanarayana in his address said the the Dr P .Krishna Rao, Chairman emphasizes the regular blood donation programmes to support the urgent need of Blood and its associated components to the needy people. He said the college NSS Units along with other student clubs conducts the camps whenever the request received from the Blood Banks. He congratulated the NSS team for organizing the camp and conveyed his wishes for the successful completion of the programme. Dr Kamaraju, Rotary Blood Bank Officer in his address to the donors explained the benefits of Blood Donation and Dos & Dont's after donating blood. The medical team conducted screening tests for all interested students and also Hemoglobin test for girl students then collected 116 units out of 150 voluntary donors attended for donation.

REPORT ON

“Meditation for Stress Management” A seminar

Pragati Engineering college, NSS Unit organized a seminar on “**Meditation for Stress Management**” in association with EKAM Foundation, Kakinada Branch on 22-11-2023 in seminar halls 1 & 2. NSS Vounteers from II& III year along with I year students attended the programme. Mata Madhuri ji along with Mrs Lavanya and Krishna ,Coordinator of EKAM,Kakinada branch attended as guests of th programme. Mrs Lavanya in her address said that I want to introduce to you the Ekam dasas from Ekam Kshetra in India, a mystic powerhouse. These monks have dedicated their lives for their own enlightenment and for the enlightenment of humanity.They are the disciples of Sri Preethaji and Sri Krishnaji. They live in Ekam. They serve God, they serve humanity. So it's a very sacred opportunity today that we will have one of the Ekam dasas come and address us all. So these dasas who are pursuing enlightenment, who are living spiritual lives, they will give deeksha to us and I have requested our Dasaji to speak to us today about Stress free life. After the welcome of the Madhuri ji by the college principal with a plant pot, the programme started with Madhuri ji session of motivation towards stess management for healthy living. After the motivation Mediation was practiced by the students.

REPORT ON CONSTITUTION DAY CELEBRATIONS.

NSS Unit of the college in association with the college Press Club celebrated Indian Constitution Day on 25-11-2023 in view of 26-11-2023 as holiday. In this connection Constitution Day Pledge and a debate competition on “ Voting age to be lowered to 16 years” for the I year B.Tech Students. The debate competition was organized in the form of a mock parliament in central Library with a designated Speaker, Ruling party leader, Opposition party leader. The mock parliament started with Constitution Day Pledge by all the members and followed by one hour session of discussions on the above topic and closed with the National Anthem. In presence of the Director management Sri M V Harnatha Babu the certificates of appreciation were distributed to the participants and winners of the Debate Competition.

.The Principal of the College Dr K Satyanarayana congratulated the NSS Unit and Press Club members for the activity.

1. A debate competition on **"The Voting Age should be lowered to 16"** on 25-11-2023 at 2PM.
Venue will be informed later
Only 1 year B.Tech Class Representatives and Girls Representatives are participating in the above competition.
2. Constitution Day Pledge –In classrooms by all Class teachers.

For Details Contact:

NSS Faculty Incharge : Mr. Sayanth Kar (Asst Prof CSE)
Press Club Incharge: Mrs. M Madhavi(Asst Prof BS&H)

The above Incharges are requested to coordinate the activity and submit report after completion of the programme.

PRINCIPAL

Copy to:

- 1) Chairman/All Directors/Vice President for kind information.
- 2) Vice Principal/Dean R&D/Dean T&P for information.
- 3) All the HoDs to circulate among their faculty, staff and students.
- 4) NSS / Press Club File
- 5) Main Notice Board
- 6) Maintenance.
- 7) Office File.

Report on National Mathematics Day (22-12-2023)

In view of 136th birth anniversary of great Indian mathematician Sri Srinivasa Ramanujan Aiyengar, 22nd December 2023 will be celebrated as **National Mathematics Day** in our college. In this connection, **Mathematics Club**, department of BS&H of our college will conduct **Pragati Talent Test** (objective type test) on 18-12-2023 and **PowerPoint Presentation** on 19-12-2023. Interested students of IB. Tech can register their names in the link provided below.

Link for registration: <https://forms.gle/XimvYxzFVW98Wy4V8>

Last date of registration: 12th December 2023

Syllabus for Test: Differentiation, Integration, Trigonometry, Permutations & Combinations, Probability, Differential Equations, Linear Algebra, coordinate Geometry (2D & 3D), Logical ability.

Topic for PowerPoint Presentation: "Ramanujan works in the field of Mathematics"

No. of students participated in Examination: 283
No. of students participated in Elocution: 17

National Farmers Day or Kisan Diwas 2023

Date: 23/12/2023

Every year on December 23, India celebrates Farmers Day or Kisan Diwas. This special day is all about giving a big shout-out to our farmers, the real heroes behind our country's growth. It also marks the birthday of Chaudhary Charan Singh, who started as a farmer and later became India's fifth Prime Minister. Kisan Diwas 2023 theme focused on "Delivering Smart Solutions for Sustainable Food Security and Resilience," emphasizing innovation in agriculture. The event brought together farmers, policymakers, and technology experts to discuss intelligent approaches that enhance productivity and build resilience in the face of challenges, aiming for a sustainable future in agriculture. In this connection, Pragruthi and Greenery club of Pragati Engineering College organized a Drawing competition and total 29 students participated in this competition.

INTERNATIONAL DAY OF HAPPINESS-2024

It is an annual event recognized by the United Nations to promote the idea that feeling happy is a universal human right. According to scientists, the key to human wellness is strong social ties and a sense of purpose in life. Some believe that having a positive mindset is responsible for as much as 90 percent of our feelings of well-being. It is also said that people who are happy tend to live longer and have fewer health problems. Read below in detail about the day.

International Day of Happiness is celebrated across the world on 20 March to spread and make people understand that happiness is one of the best gifts that you can give and is also an important goal of several organizations working for it.

The theme of the International Day of Happiness 2024 was "Happier Together". It focused on what we have in common, rather than what divides us. When we are together life is happier and everyone wants to be happy. This is the day to come forward and celebrate common humanity. Work for others' happiness and find out ways to make people happy. This is possible when we will be together and goals will be common. Since 2013, the International Day of Happiness is celebrated by the United Nations.

The resolution was initiated by Bhutan to recognize the value of national happiness over national income since the early 1970s and adopted the goal of Gross National Happiness over Gross National Product. It also hosted a High-Level Meeting on the agenda "Happiness and Well-Being: Defining a New Economic Paradigm" during the sixty-sixth session of the General Assembly.

What are the benefits of happiness?

According to some scientists, the key to human wellness is strong social ties and a sense of purpose. That is involved in things that are for the 'greater good' of humanity.

Some believe that a positive mindset also plays an important role, accounting for up to 90% of our feelings of well-being. Like helping others, working together to improve the

Department of Basics Science and

community, or participating in a religion that promotes communal activities like regular worship.

It is also said that people who are happy tend to live longer and have fewer health issues. Happier people also don't have problems with high blood pressure and heart issues. Still, studies and research are going on happiness and how to find or increase happiness levels.

Therefore, the International Day of Happiness is a day to value your and others' happiness and make people happy. Realize the importance of happiness in life and work for it.

Some tips to be Happy:

- Get yourself some time and some regular exercise.
- Avoid doing things that make you feel bad afterward but seem enjoyable at the time.
- Your sense of self-worth is how you feel about yourself.
- You can feel emotionally stronger by making wise dietary decisions.

On the occasion of “International Day of Happiness” to Spread Happiness in Pragati Engineering College, Hope for Change Club in collaboration with NSS UNIT is coordinating the activity on the date 20th March 2024. On these regard all department I, II & III year 110 students, Head of the Department-ECE, and some other faculty participated in this event and make it grand success.

Earth Day Report 2024

On April 22, 2024, Earth Day celebrations were in full swing as communities around the globe came together to honor our planet and promote environmental stewardship. At Pragati Engineering College, the Department of Environmental Sciences, NSS, and Greenery Club joined forces to organize a thought-provoking Elocution competition. With the theme "Sustainability: Nurturing Our Shared Future," 23 passionate students took the stage to articulate their perspectives on the intricate interplay between environmental conservation, scientific innovation, and the collective well-being of humanity. The event served as a platform to inspire dialogue, foster awareness, and empower individuals to take meaningful action in safeguarding our precious Earth for generations to come.
