GO-KART BRAKING MECHANISMS

8th June'2024 from 10:00 AM onwards (ME Block)

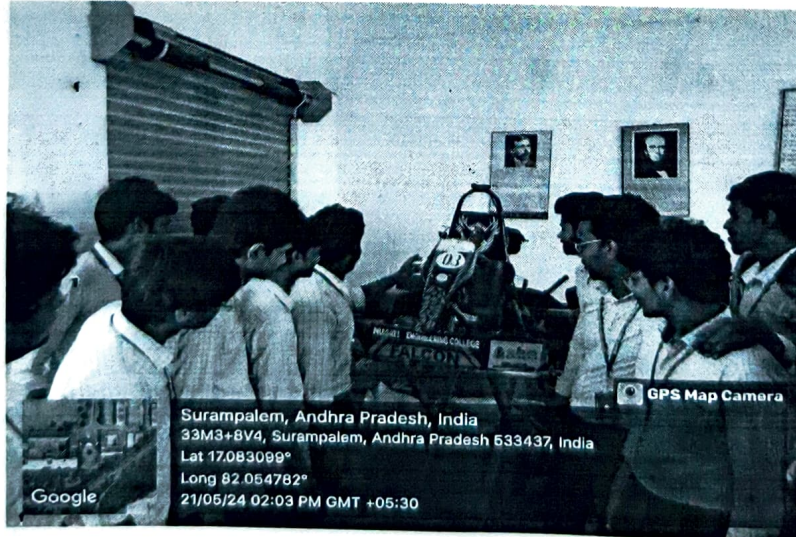

PRAGATI ENGINEERING COLLEGE: SURMAPALEM (AUTONOMOUS)

Report on “GO KART BRAKING MECHANISMS”

Date: 08.06.2024

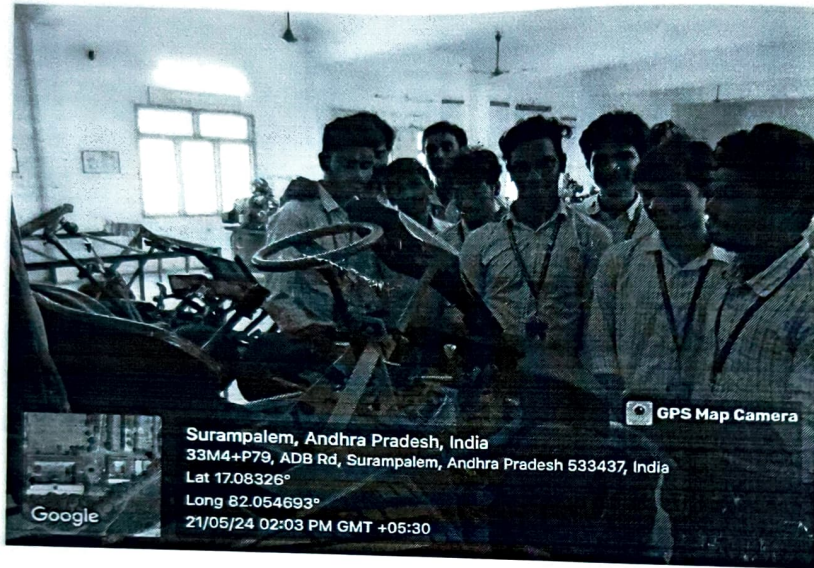

A One-day programme on 8th June 2024 about Introduction to various aspects about how to manage and attend a event in a proper way which was organized by Go-Kart Club in association with IE (I) Local chapter of Mechanical Engineering Department, Pragati Engineering College.

In this seminar student coordinators of Go-Kart club of our college, Mr.G.Raj Kumar, R.Adinarayana has taken the initiative explained about how to apply to any event what are the requirements and what can be done to secure a place in event. What are the essentials in order to participate in any event, what are the paper works involved to qualify for in house inspection and also on site inspection. For this session a total of 20 students of mechanical department have attended.

Students were taught about the Braking Mechanisms which they can get a perfect grip about the brake and different kind of Hydraulic brakes for the vehicle They can able to know about this club and how we organised. Also we gave them various formats in which

they can design the reports necessary for the events. And a demo has been given to them in order to ease the effort while preparing their reports.

Mr.D.J.Johnson, faculty Co-ordinator of Go-Kart club, Mechanical Engineering Department, appreciated the students for their efforts.
