From,
Head of the Department,
Department of Civil Engineering,
Pragati Engineering College,
Surampalem.

To
The Principal,
Pragati Engineering College,
Surampalem.
Respected sir.

Sub: Request for arranging field trip to III Year A & B Students @ Bridge Construction near Samalkota -Reg

We, the Department of Civil Engineering, are planning a field trip for the III year B.Tech students to observe the "Bridge Construction Using Geo-Synthetics" near Samalkot on the Kakinada ADB Road, scheduled for 24-02-2018.

We kindly request your permission to make transport arrangements for this visit. Additionally, I have already coordinated with the site engineer, who has granted permission for us to observe the construction work tomorrow.

Thanking you sir,

Report on Industrial visit – Bridge Construction using geo synthetics nearer to Samalkot-kakinada ADB Road

The III A & B students of civil engineering branch have gone to one day industrial visit to A Bridge Construction using geo synthetics nearer to Samalkot-kakinada ADB Road on 24th of February 2018. The total of 70 students have attended the visit accompanied by HOD of Civil Engineering Department and by MS.P.V.S.Mangeswari Devi.

The visit started at 1:30 P.M from the college premises. The Management Director Sri M.V.Haranatha Babu addressed the students that practical knowledge is very essential for their carrier. He also encouraged the students to develop their skills with interest while they are learning.

DR.R.V.Siva Ramakrishna , Head of the department said that every student has to observe the technical aspects of the projects and importance of the visits. He ensured students that many such visits will be organised for the benefits of the students. He apprised the Students that Our Pride for Civil Engineers we can show our hard work and success to the world with our constructed structures.

HOD of civil engineering department and Deputy Project Manager has accompanied the students in the process of explanation what are included stages of **construction of Bridge** details they

explained everything regarding the practical problems included in construction of their targets while completing the project.

They have addressed regarding the bridge construction, in this particular area in East Godavari and the essential requirements.

The students were inquisitive and clarified their doubts. Finally the visit ended by thanking the engineer for giving this opportunity.
