## Fresher's Day Event Report

Freshers' Day, one of the most anticipated events of the academic calendar, was a vibrant and exhilarating affair, aimed at extending a warm welcome to the new batch of students. Held at Pragati Engineering College on 07-10-2023 the event was meticulously planned and executed, offering a perfect blend of entertainment, inspiration, making it an unforgettable experience for everyone involved.

The event began with an official inauguration, marked by the arrival of dignitaries, faculty members. The Principal, K.Satyanarayana Sir gave the inaugural speech, setting a positive and encouraging tone for the day. The Principal welcomed the freshers with open arms, highlighting the institution's rich history, values, and the immense opportunities awaiting them. He emphasized the importance of embracing both academic and extracurricular pursuits, urging students to explore their interests and make the most of the resources available to them during their time at the college. The Principal's words were both motivating and reassuring, instilling a sense of belonging among the newcomers. Following this, the Head of Department M.V.Rajesh sir addressed the gathering. The HOD's speech was equally inspiring, focusing on the department's vision and the supportive academic environment that students could look forward to. The HOD shared valuable insights about the academic journey that lay ahead, offering advice on how to navigate the challenges of college life while building meaningful relationships with peers and faculty. The speech also included an overview of the department's achievements and future plans, encouraging students to contribute to the legacy and take pride in their chosen field of study.
