CYBER SECURITY CLUB REPORT

DATE: 14-03-2024

SEMINAR ON "CYBER GUARDIANS: WOMEN SAFEGUARDING TOMORROW'S TECHNOLOGY"

The absence of data security is the main drawback in today's digital world. Our private data became bait to hackers. In order to avoid this situation, one should secure their own data. Cyber security is the protection to defend internet connected devices and services from malicious attacks by hackers, spammers, and cyber criminals. Around today's world you will see that daily life is more dependent on technology than ever before. With so much good coming from technology, it can be hard to believe that potential threats lurk behind every device and platform. Despite the advantages, cyber security threats presented by modern tech are a real danger and it is mandatory to protect our data.

In an effort to raise awareness and explain women about Cyber Security, we, the club members conducted a seminar titled "**CYBER GUARDIANS: WOMEN SAFEGUARDING TOMORROW'S TECHNOLOGY**" for the First year students on 12th March 2024. We shared to them about how women empowered and built herself in the field of cyber security and the challenges she faced in this society before the arrival of Cyber Security and some successful stories of the women who are behaving as a main lead in the Cyber Security field. This session involved discussing topics on

- What is Cybersecurity?
- Role of women in Cybersecurity
- Challenges faced by women before Cybersecurity
- Women's perspective on addressing Cybersecurity challenges
- Cybersecurity Strategies and best practices of women
- Collaborative opportunities for women in Cybersecurity
- Empowering women to lead in Cybersecurity : breaking gender bias and stereotypes
- Education and training resources for women pursuing Cybersecurity careers
- conclusion

In order to attend the seminar conducted on "CYBER GUARDIANS: WOMEN SAFEGUARDING TOMORROW'S TECHNOLOGY". The link provided for registration is

Total - 145 Students registered for the event.

List of the students registered for the event are:
