## Item 8:

Any other item:

Following suggestions were offered by the members during the discussion

1. W.r.t. Course Outcomes,

i) Attainment of course outcomes should be quantified, so that progress can be reviewed.

ii) Course outcomes should be made simple and easy to understand, and should have action verbs.

2. W.r.t. Results,

i) Analysis and interpretation of exam results should be presented in a simple manner, which can be easily understood.

ii) Analysis of admission quality Vs B.Tech I year results should be made.

iii) Analyze the performance of students in Industry oriented subjects/problematic subjects.

iv) Identify the subjects with maximum failures and reasons.

for the same and take remedial action.

v) Display of result analysis at common place like library/Examination cell/ IQAC.

vi) Compare the quality of Autonomous question paper with JNTUK question paper.

vii) Academic Audit may be done

3. It is strongly suggested to give printed syllabus books to all students on payment. Make it mandatory and obtain signatures from every student.

4. Regarding the allocation of funds for R&D activities, allocate some amount to students for R&D activities at the beginning of the financial year and the same to be given awareness to the students and sanction the amount and collect projects at the end of the financial year.

5. The best practices implemented from date of previous meeting till the date of current meeting, if any, should be tabulated.

6. Identify the subjects in which the students are mostly failed and to identify the reasons for failure.

7. Arrange visit to the nearby Industries to get more Industrial exposure.

8. Include credits for NPTEL/MOOCs courses in next academic regulations.

9. For civil Engineering, include topic "Green Building Materials" in the subject BMC in next academic regulations.

10. Recommended to include the subject "Estimating specifications of contracts in B.Tech 3<sup>rd</sup> year Civil Engineering during next Academic regulations.

Item 9:
