NATIONAL TECHNOLOGY DAY

P.M Atal Bihari Vajpayee declared the National Technology Day to be celebrated on the 11th day of May. This particular date was selected to Commemorate India's first successful nuclear test at Pokhran in 1998. Since then, every year from 1999 onwards, National Technology Day is being celebrated across the whole Country on the 11th day of May.

The day marks an important day, and on this very occasion, the Technology Development Board awards the Contribution of fellow Citizens in this field of Science and Technology. This is how the Technology Development Board Celebrates National Technology Day.

Various events to celebrate and to create awareness among the people about...

NATIONAL TECHNOLOGY DAY

Every Year, 11th of May is commemorated as the National Technology Day.

It was on 11th May 1998, that India had a proudful accomplishment of successfully conducting Nuclear Missile test at Indian Army's Pokhran range. It's after this 1998 monumental event that our former Prime Minister of India, Late Sh. Atal Bihari Vajpayee declared India a full Nuclear country.

Since 1999, 11th May is India a full Nuclear Country. Since then with an aim to commemorate the achievements of scientists, researchers, engineers and all others involved in the field of science and technology.

This year, the National Technology Day would be celebrated on 11th May 2024 with theme 'Promoting Clean and Green Technologies for a sustainable future'. Therefore, we can say that this day glorifies the importance of science in day to day life and motivates us to adapt science as a field of career.
