Reviewed Training Activities and Placements of 2018 passing out batch since 04th feb 2018 to till date.

Item 9:

Any other item
Following suggestions were offered by the members during the discussion.

1. For social responsibility audit courses there should be accountability. Number of man hours should be specified. Every student has to submit his activity file.

2. There should be linkage between the audit courses. Seminar could be on ideas on social service (or) on any Interdisciplinary topic.

3. Invite people from Industry to deliver lectures on courses like Professional Ethics & Human values and IPR & Patents.

4. Growth rate should be shown without compromising on quality. For every department, targets should be set & their current status should be presented. Data for internal & external activities should be presented, separately.

5. For every academic activity, objectives & outcomes should be prepared. In departmental activities table, try to establish a relationship between the activities conducted and prizes won as a measure of outcome.

6. Concentrate on new labs established and how students/faculty are utilizing those labs.

7. Invite resource persons from NITTTR, Academic Staff college..... etc and organize orientation programmes on teaching methodologies.

8. For placements, mention total no. of students along with total eligible students (%) & focus on reasons for ineligibility.

9. Academic audit is to be conducted and examination results should be a part of it.

10. Courses under MOOCs should not be same as regular subjects under curriculum.

11. As and when results are announced, a copy of the same should be sent to University.

12. Define objectives for the overall development of the college.

Item 10:
