### REPORT ON ROBOTICS CLUB EVENT SESSION on ADVANCEMENTS IN ROBOTICS

As part of the Industry 4.0 Clubs, the Robotics Club of Pragati Engineering College conducted a Session on “Advancements in Robotics” on 23-09-2024 for the students of Department of Mechanical Engineering. A total of 20 students attended the session.

This session is aimed to provide the students with an overview of advancements in robotics, highlighting its significance in the context of Industry 4.0. This session also addressed the challenges faced by robotics researchers and engineers. It also explored the future prospects of robotics, including advancements in artificial intelligence, machine learning, and sensor technologies.

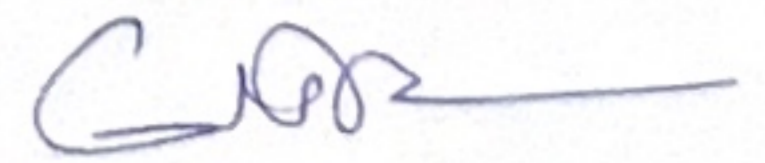

During the session, participants are shown interactive visuals of how the robots work on different environments. The interactive nature of the session encouraged knowledge sharing and fostered a collaborative learning environment. The session was conducted by the faculty coordinator Mr. GVN Santhosh.
