Feedback Analysis on Curriculum Design from Stake holders – 2021-2022

The Department collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students on several aspects of curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers. The report of feedback analysis is submitted to IQAC for necessary action and thereafter the analysis is shared with BoS Committee to take necessary measures and actions as to comply with the issues raised by the Stakeholders in New Curriculum.

DEPARTMENT OF INFORMATION TECHNOLOGY

Feedback Analysis on Curriculum Design from Stake holders - 2021-22

The Department collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students on several aspects of curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers. The report of feedback analysis is submitted to IQAC for necessary action and thereafter the analysis is shared with BoS Committee to take necessary measures and actions as to comply with the issues raised by the Stakeholders in New Curriculum.
