REPORT ON INTERNATIONAL YOUTH DAY

On International Youth Day (12th August), the Student Association of the Department of CSE (Data Science) organized "Group Problem-Solving Challenge" on 12th August with a focus on the Sustainable Development Goals (SDGs). The event provided a platform for II, III, and IV year B.Tech students to work in teams and address critical global concerns. Students brainstormed ideas, analyzed issues, and proposed practical solutions to align with the SDGs. The initiative aimed to nurture skills in research, problem-solving, and effective communication. It also promoted leadership qualities and a sense of responsibility among participants. The event truly embodied the spirit of International Youth Day by empowering students to become change agents for sustainability.

The details of the participants are as follows:
