Number of Submissions: 45

The **Metaverse Club** organized a **LOGO Competition** on the theme "**Develop a Renovated LOGO for the Metaverse Club**" from **10th July to 20th July 2025**. The competition was conducted in a **work-from-home** mode, allowing participants the flexibility to showcase their creativity remotely. All entries were required to be submitted by **2:00 PM on 20th July 2025**, and the acceptable file formats included **JPG, JPEG, PNG, and PDF**. The event received an overwhelming response with a total of **45 creative and innovative submissions**, each reflecting unique interpretations of the club's identity. This initiative not only encouraged artistic expression among students but also aimed to refresh the club's visual representation through a student-driven approach. Out of 45 excellent LOGOs, Mr. RUTTALA KASI VISWANADH (24A31A43C4) of II CSE(AI) rocked with top score of 46 out of 50. The design effectively captured the spirit and vision of the club. LOGO model developed is provided below. His logo will be officially adopted as the new visual identity of the Metaverse Club.
