CIRCULAR

The Metaverse Club of CSE(AI) is pleased to organize a Quiz on the Basics of Python on 4th July 2025. Venue and timings are mentioned below. Enthusiastic participants are requested to gather for the same. This quiz aims to enhance fundamental programming skills and encourage healthy competition among learners.

Note: The quiz link will be activated precisely at 3:00 PM on the day of the event. Participants are advised to be present well in advance to avoid any last-minute connectivity issues and ensure smooth participation.

Or using QR Code:

Name of the Event: Quiz

Topic: Basics of Python

Date(s) of the Event: 4/7/2025

Timings: 3:00PM to 3:30PM.

Venue: CG-II

Organized Club: Metaverse Club

Total Participants: 56

The **Metaverse Club** successfully conducted a **Quiz on the Basics of Python** on **4th July 2025** at **CG-II** from **3:00 PM to 3:30 PM**. A total of **56 participants** actively took part in the event, demonstrating great enthusiasm and foundational knowledge in Python programming. The quiz covered essential topics such as data types, control structures, functions, and basic syntax, allowing students to assess their understanding in a competitive yet supportive environment. The quiz link was activated promptly at **3:00 PM**, and the event proceeded smoothly without any technical difficulties. Participants completed the quiz within the given time frame, and the top scorers will be recognized in the upcoming club meeting. The Metaverse Club extends its appreciation to all the participants and coordinators for their cooperation in making the event a successful and enriching experience.
