BASICS OF MECHANICAL ENGINEERING

AY 2025-26

Dt. 26.08.2025

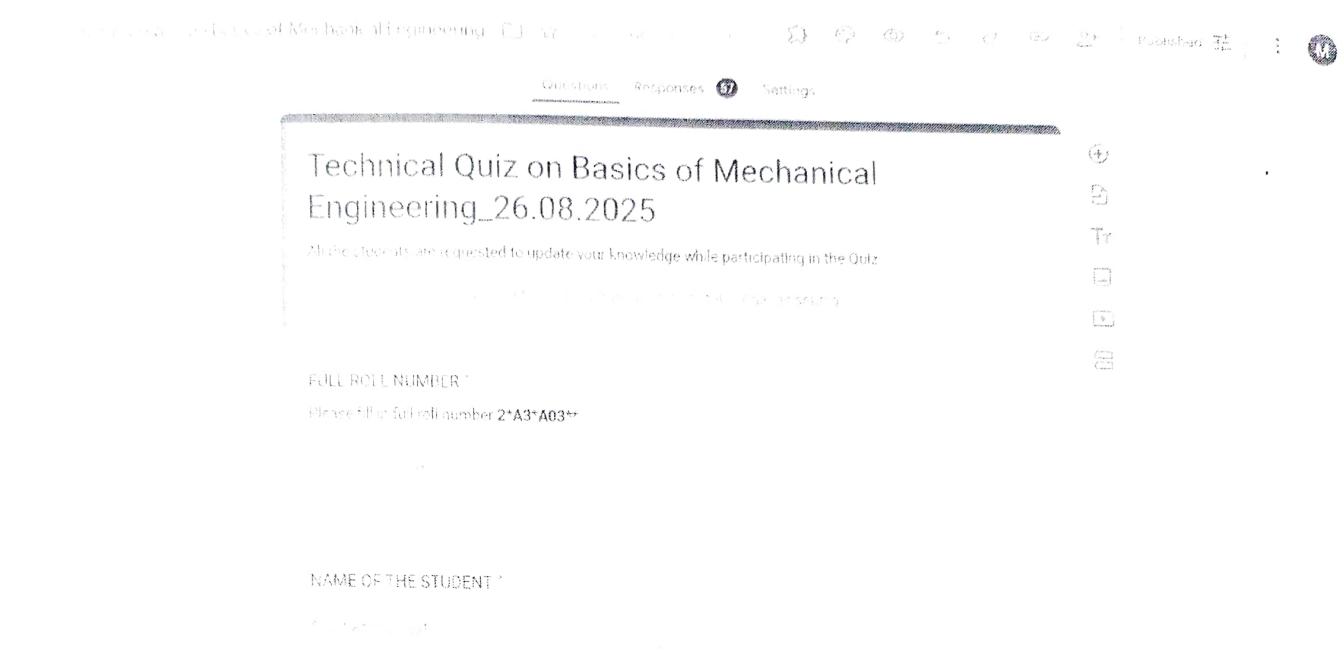

The Department of Mechanical Engineering organized a knowledge-sharing session on the “**Basics of Mechanical Engineering Concepts**” on 26th August 2025. The program aimed to strengthen the fundamental understanding of core concepts such as thermodynamics, fluid mechanics, material science, and manufacturing processes. The session was designed to be interactive, allowing students to revisit essential topics while gaining insights into their practical applications in real-world engineering.

The event witnessed active participation from 57 students across all years of the department, creating a diverse and collaborative learning environment. The mix of junior and senior students added value to the discussions, as experiences and perspectives were exchanged. Overall, the program successfully fostered enthusiasm and curiosity among students, making it a productive step toward strengthening their mechanical engineering foundation.
