A Report on the Student Association Activity

As part of the technical session under the Student Association Activities of the Department of CSE (Data Science), this event was conducted.

Name of the Event: DEPARTMENT LEVEL ONLINE ALUMINI TALK

Speaker: Ms. Maddila Sri Pranjali

Designation: Packaged App Developer Associate – Accenture, Mumbai

Date of the Event: 29-08-2025

Time of the Event: 11:00 AM To 12:00 PM

Venue of the Event: TECH BLOCK(CF-7)

Brief write-up of the event:

The Alumni Talk 2025 delivered an insightful session on “College to Career”, where our distinguished alumini shared her journey from student life to a successful software development career. Her valuable guidance on strong fundamentals, adaptability, and continuous learning inspired students to pursue their goals with confidence and determination.

Highlights and Key Takeaways:

From College to Career

The talk reflected the alumini's journey of growth from adapting to a new environment in the first year to securing placements in the final year. She emphasized the value of internships, coding practice, and consistent learning to build a strong foundation. The importance of technical knowledge, teamwork, leadership, and time management were highlighted as essential stepping stones for career readiness.

Future Skills and Career Guidance

The session drew attention to emerging opportunities in Artificial Intelligence, Data Engineering, Cloud Computing, Cybersecurity, DevOps, and Generative AI. She provided practical tips for interview success—mastering fundamentals, coding practice, clear communication, confidence, and eagerness to learn. These insights encouraged students to align their learning with industry demands and approach their careers with determination.

STUDENT ASSOCIATION

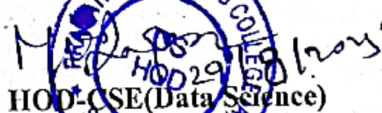

Post-Event Feedback:

The career guidance seminar received positive feedback for its insightful and motivating content. Students appreciated the practical guidance on placement preparation, including DSA, SQL, Python, resume building, and communication skills. The sharing of experiences from college to corporate life, along with insights on adaptability, continuous learning, and emerging technologies like AI, Cloud Computing, and Cybersecurity, was especially valued. Overall, the session inspired students to approach their career goals with greater confidence and determination.
